Nixon Holds Talks With GOP Aides

Senate And House Issues Discussed With Congressmen

NEW YORK (AP) — President-elect Nixon's first after-victory meeting with Republican congressional leaders today apparently will focus more on problems of his outnumbered party in the Senate and House than on national policy.

Nixon is flying to Washington to meet with 12 top-ranking GOP members of Congress, then driving to Walter Reed Army Medical Center for his third postelection reunion with former President Dwight D. Eisenhower before returning to New York.

Aides said Nixon could hardly talk seriously about the policies and programs his administration will push since task forces studying major problem areas —and recommending programs for the future—have yet to report to him.

To Receive Reports

The President-elect will begin receiving these reports this week.

While in the capital, Nixon also will announce he is retaining 73-year-old J. Edgar Hoover as director of the Federal Bureau of Investigation. By federal law, Hoover would have been forced to retire in 1964 at age 70 except for an exemption granted him by President Johnson. Nixon will continue to honor the exemption.

It was not certain, however, that Hoover would remain at the helm of the FBI throughout the new president's term. Some sources said he was considering retirement in the next few years.

The Nixon meeting with Republican leaders of Congress was a bit unusual in that one outsider was included among the conferees—Ray Bliss, chairman of the GOP National Committee.

Once in office, presidents normally do not invite their party chairman to such sessions.

But at this preinaugural meeting it was apparent that Nixon and those meeting with him would have to give particular attention to partisan strategy in the coming congressional session, where Democrats will outnumber Republicans in both houses.

On Sunday, Nixon and daughter Julie attended morning services at the Marble Collegiate Church and heard a prayer by the minister, the Rev. Dr. Norman Vincent Peale, for Johnson and the president-elect.

Julie will be married in Dr. Peale's church next Sunday to David Eisenhower, grandson of the former president.

Astronauts Ready For Moon Voyage Launch Saturday

By HOWARD BENEDICT
AP Aerospace Writer

CAPE KENNEDY, Fla. (AP) — With the condition for their moon voyage smoothly under way, the Apollo 8 astronauts today received the final major physical examination for the flight.

Space agency doctors began examining Air Force Col. Frank Borman, Navy Capt. James A. Lovell Jr. and Air Force Maj. William A. Anders in a session scheduled to last four or five hours to make certain the spacemen are in excellent shape for the mission.

The astronauts are scheduled to rocket into space at 7:51 a.m. EST Saturday, heading for a Chrismas Eve orbit around the moon.

The lengthy countdown for the launching of the Saturn 5 rocket started on schedule at 7 p.m. Sunday when electrical power was fed to the Apollo 8 ship atop the 36-story-tall booster. Experts began systematic checking to make certain all elements of the $55-million mooncraft are functioning.

The National Aeronautics and Space Administration reported the early stages of the count proceeded normally.

A primary reason for the long physical exam was to gather data on heart beat, respiration and other readings for in-flight and postflight comparison.

The doctors also examine for any sign of colds like those which plagued the Apollo 7 astronauts throughout their 11-day flight in October.

If one of the astronauts contacted a severe cold, the flight could be postponed or he could be replaced by a backup pilot.

Earlier this month, Borman, Lovell and Anders received inoculations against Hong Kong flu, as did about 1,200 persons at Cape Kennedy who are associated with launch preparations or who work closely with the astronauts.

NASA also has instituted a "limited exposure" program including a campaign to encourage space workers with colds to stay away from the spacemen.

The astronauts spent a relaxing Sunday during which all three attended church.

U.S. Turns Over Seven Prisoners To North Vietnam

SAIGON (AP) — The United States today returned seven civilian seamen to North Vietnam, and Radio Moscow confirmed that Hanoi has announced it will release some American pilots at Christmas.

A U.S. spokesman said the release of the seven North Vietnamese was arranged in Vientiane, the Laotian capital. He said Hanoi's representatives had given no immediate indication that their government planned to release any of the hundreds of American fliers it has captured.

But a spokesman for Moscow Radio confirmed a broadcast by the Soviet radio Saturday which said: "Radio Hanoi stated today Dec. 14 that a group of American pilots who were taken into captivity when their planes were shot down over the territory of the Democratic Republic of Vietnam will be released at Christmas."

A Tokyo monitor reported a similar announcement broadcast by Hanoi Saturday in the Japanese language. But in the absence of official word from the North Vietnamese, it was thought then that both the Moscow and Tokyo reports might have been the result of faulty translations.

Details Not Given

The report relayed by Moscow gave no indication exactly when or how the fliers would be released.

The U.S. Command in Saigon said the release of the North Vietnamese seamen was an "action of good will" which it hoped would "lead to further release of prisoners."

The men were released offshore about 13 miles northeast of Vinh, a coastal city 145 miles north of the demilitarized zone.

A spokesman said the U.S. and North Vietnamese diplomats in Vientiane who negotiated the release "gave assurances that the operation would be safe from military action." But no cease-fire was declared because President Johnson's order halting all aerial, naval and artillery bombardment of North Vietnam on Nov. 1 made that unnecessary, the spokesman explained.

Last Oct. 21 the United States and Hanoi declared a 36-hour cease-fire covering a 288-square-mile area along the coast to return 14 North Vietnamese navy men. At that time the United States said it held no other prisoners of war. North Vietnamese prisoners usually are turned over to South Vietnamese authorities.

Police, Firemen Study Wage Offer

The police and fire departments are scheduled to respond officially soon to a three-year wage contract offer proposed to their spokesmen Saturday afternoon that would grant three substantial, successive salary increases between next Jan. 1 and Jan. 1, 1971.

Exactly the same raises were offered to the comparable ranks in the two departments. At the time the third hike was granted, the overall raises would be: $98 more monthly for rank and file patrolmen and firemen; $120 more for police lieutenants; $140 for police captains and assistant fire chiefs, and $173 for the police and fire chiefs.

—:—

COUNCIL'S offer calls for the first boost to take effect next Jan. 1; the next on Jan. 1, 1970, and the third on Jan. 1, 1971. It calls for three boosts of 5 per cent each for patrolmen and firemen; three of 6 per cent each for police lieutenants; three of 7 per cent each for pofire chiefs and three of 8 per cent each for the chiefs of the two departments.

Council's offer also provides that the two departments would enter into contracts with the city government, effective from Jan. 1, 1969, to March 15, 1972. Any raise granted in 1972 would be retroactive to Jan. 1 of that year, the contract will specify.

Patrolmen and firemen now are paid $480 monthly. The Jan. 1 hike would raise them to $504. They would advance to $529 on Jan. 1, 1970, and $555 on Jan. 1, 1971, making the annual salary at that time $6,660.

Police lieutenants now are paid $515. They would go to $549 next Jan. 1; $578 on Jan. 1, 1970, and $612 on Jan. 1, 1971, making their annual salary $7,-344.

Police captains and assistant fire chiefs now draw $525. They would go to $561 next Jan. 1; $600 on Jan. 1, 1970, and $642 on Jan. 1, 1971, for an annual salary of $7,704.

The police and fire chiefs now are paid $581. They would move up to $627 next Jan. 1; $677 on Jan. 1, 1970, and $731 on Jan. 1, 1971, for a new annual salary of $8,772.

—:—

THE TWO departments were granted a 5 per cent raise last July and at that time Council agreed to "negotiate in good faith" on further 5 per cent boosts. Prior to the raise in July, patrolmen and firemen drew $457, police lieutenants were paid $492, police captains and assistant fire chiefs made $502 and the two chiefs drew $558.

Controversy Provoked By Road Plan

Backers Suggest More Public Voice By Major Cities

WASHINGTON (AP) — A poposal to give the public more voice in the location and design of federal highways has started a fight that could have a dramatic effect on the future of the nation's road building policies.

The proposal, which will be argued in Transportation Department hearings starting today, calls or more public hearings before final decisions are made.

Joining the Transportation Department, which made the proposal, in backing the plan are the Agriculture and Interior departments and the mayors and congressmen from several of the nation's large metropolitan areas.

Listed against the plan are officials from several states, the roadbuilding industry and Massachusetts Gov. John Volpe, who wil lbe secretary of transportation in the Nixon administration.

Volpe, who owns a construction company and ran the nation's road program under President Eisenhower, is not expected to testify in the hearings.

Department sources said Transportation Secretary Alan S. Boyd is determined to get the policy through ahead of the coming Nixon administration. But they say that even if he does, the new administration could reverse it.

Advocates of the plan say the new approach is needed to keep highway officials from arbitrarily slicing through the cities and the countryside with massive roadways that break up neighborhoods and blight the landscape.

Opponents have charged that the move would involve highways in controversy that could lead to excessive delays. Some have said it could virtually paralyze plans for urban freeways.

A key requirement of the plan would require one public hearing before route decisions and a second before the design was approved.

The department said in announcing the proposal that "Currently, no more than one hearing is required on proposed new highway locations, which generally has taken place at an early stage of the highway planning sequence."

Tuesday Will Bring Rise In Temperature

The cold weather is due to continue tonight, but a warming trend has been forecast for Tuesday.

Tonight's low will be in the neighborhood of 10 above.

Temperatures are expected to average near normal tomorrow through Saturday, with highs in the mid 30s to the low 40s and lows in the 20s.

The slightly warmer weather about the middle of the week will be accompanied by precipitation averaging .5 inch melted.

Commissioners Act

Home's Director Given Suspension

LISBON — The Columbiana County commissioners late this morning suspended Robert Boyce, acting superintendent of the County Home since October 1965.

The suspension is for six months and will begin at noon Jan. 1. The death of four animals, apparently from lack of feed, precipitated the action.

Commissioner James W. Boyd of East Liverpool made the motion to suspend Boyce and it was seconded by Chairman Charles J. Gause of Hanoverton RD 1. R. Max Gard of Lisbon voted against the suspension "because I want to know more of the particulars."

—:—

THE ORDER states that Boyce "has been incompetent, inefficient and has neglected his duties in the following particulars:

"(1) has failed to properly and adequately care for the livestock at the County Home and (2) that he and-or his employes have converted to their own use property of the county without the consent of the county commissioners."

Gause said he has evidence of the conversion of gasoline.

The clerk was directed to forward a copy of the action to Boyce by certified mail. Copies will be forwarded also to the director of state personnel and the state Personnel Board of Review in Columbus.

Electoral College To Make It Nixon Officially Today

WASHINGTON (AP) — In the only presidential election that officially counts, the Electoral College votes today to make Richard M. Nixon the nation's 37th president.

Although Nixon defeated Democrat Hubert H. Humphrey by nearly half a million votes in the November general election, under the Constitution the president isn't officially selected until the members of the Electoral College meet in their respective state capitals and cast their votes.

The ballots are then mailed to Washington where Congress will meet in joint session Jan. 6 to count the vote and declare a winner.

Custom Set

The 538 electors from the 50 states and the District of Columbia are free agents under the Constitution to vote for anyone they please, but the custom is to follow the lead of the popular vote in their own state.

With only a few exceptions this is the case this year.

Dr. Lloyd W. Bailey of Rocky Moutn, N.C., said his vote would go to third-party candidate George C. Wallace, rather than for Nixon, who carried the state.

Former Michigan Democratic State Chairman Zolton Ferency said he would not cast a vote in his state, which went for Humphrey. Ferency indicated someone would fill his place and cast a vote for the vice president.

In the District of Columbia and 17 states local laws require the electors to follow the popular will, although in just three —Florida, New Mexico and Oklahoma—are there penalties for voting independently.

Tally Figured

Assuming Nixon gets all the electoral votes of the 32 states he won, his total is 302 electoral votes. He needed 270 to win.

Gov. Rhodes Gives Brown Saxbe's Post

COLUMBUS, Ohio (AP) — Gov. James A. Rhodes announced the appointment today of Ohio Supreme Court Justice Paul W. Brown to the attorney general's post being vacated by U.S. Sen.-elect William B. Saxbe.

The appointment of the 53-year-old Brown will become effective immediately upon the resignation of Saxbe, Rhodes said.

Brown has been on the Supreme Court since 1964, when he was elected to an unexpired term of two years. He was re-elected to a full six-year term in 1966.

Rhodes will appoint a successor to Brown on the court when Brown moves into the attorney general's post.

"Justice Brown did not seek this appointment but agreed to accept it and the great responsibility that goes with it," Rhodes said in a statement announcing the appointment.

Hong Kong Flu Continues To Spread Across Nation

By The Associated Press

Hong Kong flu has caused three more universities to begin Christmas holidays early but several others tentatively scheduled reopenings this week. Among the victims of the illness is Richard Cardinal Cushing, archbishop of Boston.

In many hospitals, visiting privileges have been canceled or drastically restricted to avoid further spread of the malady.

Classes at George Washington University were ordered suspended today as about 50 per cent of the school's 2,500 undergraduates were reported ill. The holiday at the Washington, D.C. school had been scheduled to begin Friday.

Four Virginia colleges, which normally would have closed later this week, shut down last Wednesday and Thursday. Starting today, three central Virginia hospitals began discouraging visitors to protect patients from the flu.

Central Michigan University canceled all classes until Jan. 6, while Northern Michigan University also closed a week early because of "flu-like" illnesses.

Two Maryland schools, closed last week, planned to resume classes this week in view of no significant outbreaks over the weekend.

Curtailments Placed On Visits At Hospital

The City Hospital administration today placed in effect a curtailment in visiting of patients at City Hospital "because of the prevalance of respiratory diseases in the community."

Visits will be limited to the immediate families of patients "or to those given special consideration" in unusual cases, the hospital announced. The administration asked the public to "comply voluntarily with the curtailment for the sake of the patients."

The hospital said there is a prevalance of illnesses "of a flu strain" in the area, not necessarily the Hong Kong flu.

Crime Rate Goes Up In Ohio Cities

COLUMBUS, Ohio (AP)—The FBI Uniform Crime Report for the first nine months of 1968 shows Ohio metropolitan area crime rates still climbng above the marks set at this time last year.

Some crimes, in particular, such as forcible rape, were far higher in many areas than they were in the same reporting period of 1967.

Nationally, the FBI said violent crimes as a group increased 21 per cent.

The crime figures for Ohio's eight metropolitan areas, with the 1967 figure in parenthesis, as listed in the report are:

Murder, non - negligent manslaughter—Akron (15) 13; Canton (6) 8; Cincinnati (49) 33; Cleveland (109) 131; Columbus (25) 34; Dayton (41) 44; Toledo (20) 16; Youngstown (15) 7.

Forcible rape—Akron (32) 74; Canton (10) 7; Cincinnati (80) 109; Cleveland (103) 110; Columbus (87) 111; Dayton (60)

Central Michigan University canceled all classes until Jan. 6, while Northern Michigan University also closed a week early because of "flu-like" illnesses.

Two Maryland schools, closed last week, planned to resume classes this week in view of no significant outbreaks over the weekend.

Curtailments Placed On Visits At Hospital

The City Hospital administration today placed in effect a curtailment in visiting of patients at City Hospital "because of the prevalance of respiratory diseases in the community."

Visits will be limited to the immediate families of patients "or to those given special consideration" in unusual cases, the hospital announced. The administration asked the public to "comply voluntarily with the curtailment for the sake of the patients."

The hospital said there is a prevalance of illnesses "of a flu strain" in the area, not necessarily the Hong Kong flu.

Crime Rate Goes Up In Ohio Cities

COLUMBUS, Ohio (AP)—The FBI Uniform Crime Report for the first nine months of 1968 shows Ohio metropolitan area crime rates still climbng above the marks set at this time last year.

Some crimes, in particular, such as forcible rape, were far higher in many areas than they were in the same reporting period of 1967.

Nationally, the FBI said violent crimes as a group increased 21 per cent.

The crime figures for Ohio's eight metropolitan areas, with the 1967 figure in parenthesis, as listed in the report are:

Murder, non - negligent manslaughter—Akron (15) 13; Canton (6) 8; Cincinnati (49) 33; Cleveland (109) 131; Columbus (25) 34; Dayton (41) 44; Toledo (20) 16; Youngstown (15) 7.

Forcible rape—Akron (32) 74; Canton (10) 7; Cincinnati (80) 109; Cleveland (103) 110; Columbus (87) 111; Dayton (60)

Dayton Firm Awaits Vote On New Pact

DAYTON, Ohio (AP)—Tentative agreement was announced Sunday on a new three - year contract which could end a four-week strike by 15,000 National Cash Register Co. employes.

U.S. Mediator Wesley Vanover said members of the NCR Employes Independent Union (EIU) will vote Tuesday on whether to ratify the pact.

The 15,000 employes, including about 150 at the company's printing and supply plant in Washington Court House, Ohio, struck Nov. 18.

The strike came after employes had worked for more than a year without a contract. The old pact expired Aug. 31, 1967, but start of negotiations was delayed because of several union representation votes at the plants.

Terms of the tentative contract were not disclosed. Company and union agreed shortly after the strike began not to release details of negotiations.

On Nov. 1 the company reported it offered an $80 million package of improved wages and fringe benefits. The company said the offer would have increased wages from an average of $3.58 an hour to $4.26 over three years.

But the union rejected the proposal, saying it did not include enough money to put wages on a par with salary increases gained nationally during the previous year.

The company said that if union members ratify the new contract Tuesday, it will begin recalling workers later this week.

nounced by Solicitor J. Michael Kapp, who sat in on the negotiations. He said the agreement provided by Council also will stipulate that the parties will negotiate on other issues "on or about Jan. 10, 1969."

In response to a query, he said Council did not discuss the manner in which the additional funds would be raised to pay for the succession of pay hikes.

A tax boost would be inevitable and it could take one or more forms. For instance, the last session of the General Assembly gave city councils the right to levy an annual $5 license fee on all autos registered inside the municipality. It also gave cities the right to levy a tax on hotel and motel fees.

Under present law, a boost in the city income tax would be permitted only if it first went to a vote of the people. Councils may levy an income tax of up to 1 per cent without a vote. East Liverpool's tax was raised to that point last spring. If it goes even a fraction of a percentage point above the 1 per cent limit, it must be approved at the polls.

—:—

KAPP SAID the firemen's committee indicated it will reply by Tuesday, accepting or rejecting the offer. Police did not indicate definitely when their reply would be filed. However, the Fraternal Order of Police Lodge may meet tonight. The FOP handles wage negotiations for the police department while the firemen are represented by Local 24, International Association of Firefighters.

Kapp said the decision to confer with the police and fire department committees was made unexpectedly Saturday morning. Council usually has an informal caucus Saturday morning in which it talks over pending questions, often conferring with Mayor George E. Willshaw and Safety-Service Director Robert E. Vodrey.

The question of the wage requests of the police and fire departments was raised Saturday morning. Council decided to seek a meeting with spokesmen for the two departments.

The fire and police departments then were contacted about 11:30 a. m. and agreed to send spokesmen to meet with Council. The meeting with the police department was held at 3 p. m. Saturday and the conference with the firemen was held at 3:30.

Patrolman James Buckley, FOP president, Lt. Paul Blevins and Det. William A. Devon represented the police department. The fire department was represented by Bob Lynn, president-elect of the IAFF local, and Firemen Larry Tullis and James Allmon.

Council's labor relations committee is comprised of James Lowe, chairman, Frank Duffy and Donal I. Burcham.

—:—

BOTH departments sent committees to confer with Council last week, but their spokesmen were told at that time that Council could not give a definite answer on the outlook for 1969 until next February. However, the two departments were promised then that any raise granted in February would be made retroactive to Jan. 1.

The agreement between the police and fire departments and Council last year called for negotiations on a series of 5 per cent increases at six - month intervals. The settlement last July was preceded by a strike of unionized city employes and several days in which firemen and police called in sick, the so-called "blue flu" tactic used in many Ohio cities.

Police indicated they still are interested in bargaining on general 5 per cent raises for all personnel at the end of each six months, rather than the year's spread between graduated boosts for various ranks proposed by Council.

They said the other pending questions involve longevity pay and other benefits.

City officials said the raises proposed for 1969 would cost approximately $17,000, including close to $8,000 for the police department and slightly more than $9,000 for the fire department.

Payroll costs in the two departments went up $79,000 between 1962 and 1967, not taking into account a boost granted in mid-1968. The police department payroll expense went up from $108,000 to $148,000, or $40,000, and the fire department payrolls increased from $243,414 to $322,648, or $79,000.

The cost of increased "fringe benefits" is not included, items such as improvements in hospital and life insurance and uniform allowances and increased city contributions to the retirement systems.

The largest prairie region in the world is the Pampas of Argentina, Uruguay and Paraguay in South America.

Children Feted

The third annual East Liverpool Jaycees Christmas shopping tour for needy youngsters was held Saturday, with 17 boys and girls buying presents for themselves and their families.

Mr. and Mrs. David Thorne are shown with some of the youngsters who were treated to a party at the home of Mr. and Mrs. Joe Kriss of Brightview Dr.

Sixteen families were represented in the tour, with a total of 61 youngsters benefited. Each child was given an amount of money for use in shopping.

Their children and their escorts afterward went to the Social Security Administration offices where the presents were gift wrapped and where they picked up gifts for their brothers and sisters donated by local merchants.

The Jaycee-ettes served refreshments at the party. Kriss was chairman.

Three Are Arraigned On Burglary Charge

SALEM — Arraignment of three young men charged with a $90 burglary Thursday night at People's Lumber Co. on Snyder Rd., south of here, was scheduled this afternoon in Columbiana County Northwest Court here.

Sheriff Russell J. Van Fossan said Benjamin R. Phillips, 20, of Grafton Rd., Leetonia RD 1, was arrested Friday evening. The other two defendants—Daniel A. Delp, 22, of Route 62, Salem RD 1, and Wesley Thompson, 21, of 444 Perry St., Salem — were arrested at 6 a.m. Sunday.

Broadening Disarmament Talks

The U.N. General Assembly is moving to accord the menace of chemical and biological warfare the image it deserves — a growing threat to people around the world.

Its potent potential is recognized in action taken by the Political Committee that paves the way for inclusion of chemical and biological forms of warfare in disarmament deliberations.

A resolution adopted by the committee requests Secretary General Thant to name a panel of experts to report by July on the threat to mankind of the employment of chemical and bacteriological weapons.

The resolution, which received strong endorsement from Britain, Sweden and Canada, recommends the report be sent to the Geneva Disarmament Conference and be considered by the assembly next year.

Modern knowledge and techniques make the misuse of germs a terrible — but very real — possibility.

The spreading epidemic of Hong Kong flu across America shows the susceptibility of a country to a new virus. Imagine for a moment that the virus was lethal. The sinister character of germ warfare is obvious.

Time would be required to isolate the germ. More time would be required to prepare a vaccine. It would be next to impossible to trace carriers and to fix blame upon another nation for initiating the silent killing program.

It stretches the imagination to envision the unleashing of a biological war on one nation by another. But then do not all wars confound man's reason?

For this reason it is mandatory that disarmament talks be broadened to include chemical and biological weapons.

Report Awaited

More than 60 witnesses now have been before the Jefferson County Grand Jury which today began its third week of study of allegations about Sheriff Richard Wells, a house of ill fame at Yellow Creek and mishandling of funds.

The fact that the charges were laid before county officials by a disgruntled relative of the Sheriff would seemingly reduce the credibility level. But just as Sheriff Wells is innocent until otherwise proven, so is serious nature of the accusations deserving of full investigation by the Grand Jury.

The depth and scope of the probe so far indicates Prosecutor Dominick Olivito and the panel are attempting to meet their full responsibilities. Citizens of the county are looking hopefully for a report which will vindicate the innocent, pinpoint the real suspects and clear up what is an unwholesome atmosphere about the stature of county law enforcement.

The Sound Of Christmas

School and church choirs of the tri-state area have already presented their Christmas concerts or are preparing special music for programs in the next week or so.

It is difficult for most of us to comprehend the anniversary of Christ's birth as it was observed during the Reformation in Britain when the strict Puritans abolished Christmas Day and its festivities and songs as hateful frivolity.

Music of this holiday draws us to the true spirit of rejoicing in the miracle of 19 centuries ago, and reminds of the warm respect for fellow man His life symbolized.

People who sing little all year long will willingly tackle a carol, for somehow the familiar melodies seem to bring out the right tones in any shaky voice.

The school concerts have been done well for the most part; a little strained in places, the phrasing off in others, but with the always surprising richness of young voices in harmony, a tribute to their own talents and readiness to work together and the skill and determination of the directors.

In all, they help to make our holidays a lot happier.

Lesson For Dropouts

Dropouts from the school of orderly change would do well to take a look at the Senate investigation into procedures of credit bureaus as an example of reform through the democratic process.

Senate hearings held in Washington turned up some abuses in the credit reporting industry.

On the basis of testimony in the hearings, Sen. William Proxmire, a Wisconsin Democrat, has announced he will introduce legislation in the next session of Congress to correct some weaknesses in the business of credit reporting.

Sen. Proxmire's aim is legislation that would, among other things, require credit bureaus to give people the opportunity to correct false information and provide a means of discarding outdated information.

Mr. Proxmire said: "I wish to emphasize again that I am anxious to strengthen the credit reporting industry and to encourage the free flow of credit."

In our credit-oriented society, credit reporting is vital. For it to function properly, the information provided must be accurate and up to date.

Some credit bureaus have performed with distinction for many years. The safeguards proposed by Mr. Proxmire will not affect their operations but will force other credit reporting agencies to meet the standards of pacesetters in the industry.

Screams of excessive federal control probably will be heard, but the Senate inquiry turned up the indisputable fact that self regulation has fallen short of the public protection mark.

Beef Buildup

Fertilizing garden plots is a long established method of increasing and improving vegetable crops.

Now, after 14 years of field trials, it seems clear that the same principal of fertilizing brings comparable results in the production of beef. A California range specialist, in summarizing the results of the field trials, has said:

"Fertilized ranges produce nearly three times as much beef as unfertilized ones."

The trials, conducted by the University of California, showed that fertilized ranges produced 158.7 pounds of beef per acre compared with 55.6 pounds on unfertilized ranges. More than that, grazing days were increased from 35 a season of 87½.

Science, in its varied divisions, is doing a remarkable job of meeting the world's need for greater and better quality food production.

Baking A Newspaper

By Art Buchwald

WASHINGTON — This is the time of year when, because of inclement weather and bad pitches by groggy newsboys, your Sunday newspaper may be arriving in a wet or soggy condition. Most people get angry at this state of affairs, mainly because they don't know how to dry and bake a good Sunday paper. Once you know how to do this, you may never fear getting a wet newspaper again.

Art Buchwald

My recipe for baking a newspaper was handed down in my family from one generation to the next, and even on the rainiest, snowiest, sleetiest day our family always has had the crispiest, tastiest Sunday newspaper on the block.

As a public service, it is my intention to pass on this family recipe to my loyaland devoted readers.

FIRST, PREHEAT OVEN to 300 degrees.

While you're doing that, drain off liquid from the paper and put aside.

Now get a sharp knife and start peeling off the sections of paper — the front section, then the society, sports, comics and so forth. Wipe each section lightly with a damp cloth and roll to even out.

By this time your oven should be hot. If it isn't, you can study the wet football scores or the classified advertisements.

Once your oven is hot enough, arrange the sections of the newspaper on the racks of the oven, but make sure they do not touch each other or get in the way of the oven door.

NOTE: It is always best to put the comics on the lowest shelf so the color does not drip down on the black-and-white pictures of Jackie Onassis.

(IF YOUR PAPER is very, very large, you may have to bake it in to roastings. Therefore, select the sections you want to read first, bake them and then, while you're reading them, stick the other sections in the oven.)

I know that the big question on your mind is how long to bake or roast a Sunday paper. This depends strictly on the paper. Give 15 minutes for each pound of wet newsprint. But every 5 minutes turn over the sections on the rack so that they don't get too brown.

Some people prefer to cook their newspaper on a rotisserie which keeps going around in a circle, and this is probably a faster way to do it. But the danger is that if the paper touches flame, it will go up in smoke and that won't leave you much to do on Sunday morning. After you've allowed your newspaper first to simmer, then stew and finally bake, you can test it to see if it's ready to be read. Take out the travel section, or the book review, and hold it in both hands. If the paper seems firm and stays up stiff of its own accord, it's ready. On the other hand, if it sags or falls apart while you're holding it, put the rest of it back in the oven for at least another 10 minutes.

Sometimes people make a mistake and overcook their paper. You'll know your Sunday paper is too well-done if it gets black around the edges and has a funny smell to it.

YOUR SUNDAY PAPER can either be served hot or cold to your family and can also be sliced very thin or very thick, depending on how they like it.

If you want to read it cold, transfer to a cool, dry place and let stand 15 minutes.

The important thing to remember is that anyone can bake a Sunday newspaper. All you need for the ingredients are newsprint, rain, slush or snow, a hot hot oven and patience.

One more thing: there may be times when the news is so depressing that you're sorry you took the trouble to bake your paper. If this happens, just pour some cognac on it, light it and make it into a flame.

Labor Faces New Problems

WASHINGTON — Many a construction union chief had a special interest in Richard Nixon's cabinet-making. Fact is, they had plenty of fellow worriers, and not because the labor leaders were particularly fascinated by the name game involving the Secretary of Labor.

Victor Riesel

Labor could live with this department even if it were headed by Genghis Khan or Emperor Caligula. It is the movement's thing.

It's the Dept. of Justice which worries them. If the Attorney General gets tough, he can cripple labor politically, industrially, financially. Such are the laws that, if "the A.G." prosecutes them at election time, he can tie up their funds for the duration. If he goes after them on the construction front, he can paralyze a network of 18 unions which, with 3.8 million members, are the power structure of the AFL-CIO.

If he interprets the antitrust laws literally, he can weaken the unions in tens of thousands of union contract negotiations.

If he ignores what has become standard operating procedure, he can harass even the most pristine of unions, which are the ideological establishment inside labor.

BUT MOST VITAL of all the whirlwinds he can unleash upon the heads of national labor is a cold front atmosphere. In the late forties, this was whipped up by a series of tough national strikes. Then came the reaction, public anger — and the Taft-Hartley Law (originally debated by two young congressmen, Jack Kennedy and Richard Nixon, for some of us young reporters).

In the late fifties, the storm came out of Sen. McClellan's racket-probing Select Committee on Improper Activities in the Labor or Management Field. So tough was its chief counsel, Bob Kennedy, that it saved its exposures for prime television time — and then came the Labor Management Reporting and Disclosure Act. This some labor leaders dubbed the "Kennedy-Landrum-Griffin Law."

This was in '59. Dick Nixon will take office just under the deadline for the soaring sixties. Many of those who supported him when so many others turned their backs (or worse, faced and reviled him) now seek strong labor- and strike-curbing laws, acts to end national bargaining, labor courts to replace the National Labor Relations Board, expansion of the right-to-work laws which ban the union shop and retention of the ban on secondary boycotts.

ONLY IF THE PUBLIC is again aroused by a series of chain reaction exposures can labor's critics meet their self-imposed 1970 deadline for a tough law in every decade.

It would not be difficult to alarm the people. Strikes will roll. Union after union is reaching the million mark. The Teamsters now report a membership of 2 million — an awsome total revealed by the Brotherhood's leader, Frank Fitzsimmons, standing in for the imprisoned president, Jimmy Hoffa.

Soon enough, the Justice Dept.'s probes of some construction unions will become national news.

Elders of the movement's highest council can do little about their tough young muscle down below, though the Justice Dept.'s Organized Crime and Racketeering Section and the FBI are scalpeling deep into building and construction trades union scandals across the land.

WITHIN THE PAST few months, for example, the government has indicted Guido Iozzi, head of the Baltimore Building and Construction Trades Council, on six charges of violating the Hobbs Anti-Racketeering Act.

Another construction union council chief who resigned and was then indicted is James O'Neill of Philadelphia. He allegedly violated the Taft-Hartley Law. Other probes are digging into the plumbers, laborers and operating engineers.

Will all this escalate, labor leaders ask, as they gather in this capital for their Executive Council session. Will they be hit by the rotten-apple theory of history? Will the "new" Justice Dept. permit wiretapping, now restricted, on President Johnson's personal orders, solely to investigations of national security (for three years now)?

Will the Criminal Division's "labor desk," headed by a Charles (Chuck) Ruff, be beefed up?

"If this happens, we're dead," philosophized one waterfront union leader. "The good will be swept along with the bad. Who worries about the Labor Dept.? The Justice crowd can kill us."

Happens to be true.

Mr. Nixon's Cabinet

As the problems of government change in scope from time to time, so the functions of a president's cabinet. Mere announcement by President-elect Nixon of the names of the 12 men who are to be his cabinet secretaries or even a reading of their biographies doesn't tell the real story of how the group will operate under the new adiminstration.

William P. Rogers, for example, who is to be appointed secretary of state, is not a foreign-policy expert. But he is a good administrator and, as a former head of the Department of Justice, he knows a great deal about the organization problems inside a big government department.

What Mr. Nixon has done is to pick a cabinet in which certain members will be policymakers and others will be administrators who will carry out the policies set down by the president and some of the special advisers he will have at his elbow.

THUS, DR. HENRY A. KISSINGER, as presidential assistant on national security, will be able to give his full time at the White House to the study of all aspects of foreign policy without being encumbered, as a secretary of state normally is, with the duties of supervision of the assistant secretaries and the heads of the various divisions of the huge department, including his many embassies and missions abroad.

Unquestionably Mr. Nixon will make foreign policy based upon the advice given him by Dr. Kissinger and on suggestions that come from this secretary of state, who will be transmitting ideas submitted by the officials in close contact with day-by-day diplomatic developments.

As for fiscal and monetary policies, Mr. Nixon will depend largely on the recommendations of his secretary of the treasury, David M. Kennedy, who is at present chairman of the Continental Illinois National Bank & Trust Company and a member of the Federal Advisory Council of the Federal Reserve System. He was on the staff of the Federal Reserve Board for 19 years and became special assistant to the board's chairman. He later served as a special assistant to the secretary of the treasury druing the Eisenhower administration. So he was an intimate knowledge of the many technical questions that arise in the Treasury Department.

ON FINANCIAL PROBLEMS, Mr. Nixon will have, too, the help of Maurice Stans, a former director of the budget, whos is now to become secretary of commerce, and the assistance of the new budget director, Robert P. Mayo, who worked for the Treasury Department from 1941 to 1960.

There are broad questions of policy involved in the Department of Health, Education and Welfare as well as in the Department of Housing and Urban Development. But the cabinet secretaries of these departments will have the benefit of the advice given by Dr. Patrick Moynihan, who will head up the new Office of Urban Affairs in the White House. The secretary of Transportation and the vice president also will be members of this agency.

There will be other combinations of cabinet officers and special White House advisers who will work together to make policy — subject, of course, to the final approval of Mr. Nixon.

Some cabinet posts, like that of the postmaster general, are primarily administrative jobs. In the case of other cabinet secretaries, too, the chief requirement is to administer the statutes enacted by Congress which set forth the policy to be followed in the expenditure of public funds.

The Department of Agriculture, the Interior Department and the Department of Labor are largely autonomous and can deal with their own internal questions without special staffs at the White House.

MR. NIXON HAS CHOSEN a cabinet consisting of men who will work closely with him and who will be amenable to the suggestions resulting from the research carried on by the special staff of advisers at the White House whose appointments have already been announced.

There have been suggestions that the cabinet itself should act as a group of policymakers, with a general manager or career official appointed to handle the administration of each department. But Mr. Nixon apparently feels that he himself must concentrate on policymaking and that all the cabinet officers are not necessarily able to advise on policies or matters outside their own departments.

Broadening Disarmament Talks

The U.N. General Assembly is moving to accord the menace of chemical and biological warfare the image it deserves — a growing threat to people around the world.

Its potent potential is recognized in action taken by the Political Committee that paves the way for inclusion of chemical and biological forms of warfare in disarmament deliberations.

A resolution adopted by the committee requests Secretary General Thant to name a panel of experts to report by July on the threat to mankind of the employment of chemical and bacteriological weapons.

The resolution, which received strong endorsement from Britain, Sweden and Canada, recommends the report be sent to the Geneva Disarmament Conference and be considered by the assembly next year.

Modern knowledge and techniques make the misuse of germs a terrible — but very real — possibility.

The spreading epidemic of Hong Kong flu across America shows the susceptibility of a country to a new virus. Imagine for a moment that the virus was lethal. The sinister character of germ warfare is obvious.

Time would be required to isolate the germ. More time would be required to prepare a vaccine. It would be next to impossible to trace carriers and to fix blame upon another nation for initiating the silent killing program.

It stretches the imagination to envision the unleashing of a biological war on one nation by another. But then do not all wars confound man's reason?

For this reason it is mandatory that disarmament talks be broadened to include chemical and biological weapons.

Report Awaited

More than 60 witnesses now have been before the Jefferson County Grand Jury which today began its third week of study of allegations about Sheriff Richard Wells, a house of ill fame at Yellow Creek and mishandling of funds.

The fact that the charges were laid before county officials by a disgruntled relative of the Sheriff would seemingly reduce the credibility level. But just as Sheriff Wells is innocent until otherwise proven, so is serious nature of the accusations deserving of full investigation by the Grand Jury.

The depth and scope of the probe so far indicates Prosecutor Dominick Olivito and the panel are attempting to meet their full responsibilities. Citizens of the county are looking hopefully for a report which will vindicate the innocent, pinpoint the real suspects and clear up what is an unwholesome atmosphere about the stature of county law enforcement.

The Sound Of Christmas

School and church choirs of the tri-state area have already presented their Christmas concerts or are preparing special music for programs in the next week or so.

It is difficult for most of us to comprehend the anniversary of Christ's birth as it was observed during the Reformation in Britain when the strict Puritans abolished Christmas Day and its festivities and songs as hateful frivolity.

Music of this holiday draws us to the true spirit of rejoicing in the miracle of 19 centuries ago, and reminds of the warm respect for fellow man His life symbolized.

People who sing little all year long will willingly tackle a carol, for somehow the familiar melodies seem to bring out the right tones in any shaky voice.

The school concerts have been done well for the most part; a little strained in places, the phrasing off in others, but with the always surprising richness of young voices in harmony, a tribute to their own talents and readiness to work together and the skill and determination of the directors.

In all, they help to make our holidays a lot happier.

Man, 56, Fined And Jailed In Drunk Driving Case

A 56-year-old East Liverpool man was fined $250 and costs, sentenced to five days in jail and given a 90-day suspension of his operator's license when he appeared before Municipal Judge Samuel M. Chertoff today on a charge of driving while under the influence of alcohol.

Herbert Givens of 1117 Lisbon St. was cited Thursday at 10:36 p. m. on Lisbon St. by Patrolmen Charles Coen and David Huffman after driving his auto into an embankment.

The officers said they observed Givens driving upgrade left of center about 10 miles an hour, nearly hitting an oncoming vehicle on a curve. The two officers attempted to halt him, but before they could do so the auto went off the right side of the street and hit an embankment, they said. Givens' hearing had been postponed from Friday at his own request.

—:—

THE COURT disposed of six other traffic charges today.

Thomas H. Illig, 28, of 1048 St. Clair Ave. was fined $25 and costs after pleading "no contest" on a charge of driving left of center. Officers said his auto went off Harvey Ave. late Friday afternoon and struck a utility pole. Illig told the court he was forced off the street by an oncoming car. He was cited by Coen.

John B. Holloway of Rossville, Ga., forfeited $27.50 on a charge of driving 80 miles an hour in a 70-mile zone. He was cited by the Ohio Highway Patrol Saturday at 10:30 a.m. on Route 30. Duane Blaner, 21, of the Y. & O. Rd., paid a fine of $15 and costs on a charge of driving 65 miles an hour in a 50-mile zone. He was cited by the patrol on Route 7 Thursday at 10:35 p. m.

Elmer B. Young of 200 Washington St., Newell, forfeited a $17.50 bond on a charge of crashing a traffic light at Broadway and E. 5th Sts. Sunday at 12:30 a. m. Melvin W. Palmer of 310 Needham St., driver of a city transit bus, was fined $10 and costs on a charge of crashing the same signal this morning at 6:36. The court lectured him for "endangering the lives of the (four) passengers."

Hearings are due Tuesday for two drivers. Ronald Lee Possage, 21, of Lisbon RD 2 was cited Sunday at 12:22 a. m. on charges of crashing a traffic light at 4th and Market Sts. and making an illegal U-turn. Gary Zimmerman, 23, of RD 3 was arrested Saturday at 1:11 a. m. on a charge of crashing a traffic signal at Webber Way and Dresden Ave.

Earl E. Pittman of New Cumberland RD 2 was fined $10 and costs after the court convicted him on a charge of failure to yield the right-of-way. He was cited in a traffic mishap Saturday by Patrolman Orin C. Smith. Pittman pleaded not guilty.

Recount Started In Beaver Race

BEAVER — A recount of ballots from 13 polling sites in the Beaver County state legislative election got under way this morning at the Courthouse, but results will not be released until all votes are tabulated.

Incumbent Rep. Robert Davis (R), defeated by one vote in the Nov. 5 campaign by Frank Springer, (D), asked for recounts in sites in Midland, Brighton Township and Patterson Township. Springer asked for recounts in Midland and all of Beaver.

William Smith, director of elections, said the recount results will be announced when all ballots are tabulated.

Project Due To Close Haywood St. Stretch

Final work on a project for upgrading a water department booster station will force the closing, effective Wednesday, of a block-long stretch of Haywood St. between McKinnon Ave. and Vernia St., Supt. Harold Peterson said today.

The 500-foot segment of the little-used street will be closed approximately a week. The Conti Plumbing Co. of Lowellville, contractor, is finishing improvements in the Haywood St. booster station. It will construct a manhole, make a tap into a 12-inch line and install a new pump in the station, which relays water to the Henry Ave. standpipes.

Jewelry Valued At $300 Stolen

Hancock County sheriff's deputies are continuing an investigation into a breaking and entering at a Chester area home Saturday night in which jewelry valued at $300 was taken.

Two rings — an emerald and an opal — and a watch, each valued at $100 were reported taken from a home owned by Mrs. Lettie Sayre of Chester RD 1 about 9:30.

Hancock Count Resumes Tonight

The recount in the Hancock County sheriff's race will resume tonight at 7 in precincts of Butler County.

Thirty-three votes now separate Sheriff-Elect Louis Smoleski, a Democrat, and his Republican opponent Ralph Patrick Jr.

With 11 precincts still to be checked, the count stood at Smoleski 9,231 and Patrick 9,198.

10 Claimed In Michigan House Fires

KALAMAZOO, Mich. (AP) — Fires claimed 10 lives in Michigan over the weekend, and eight of the victims were children.

A mother and three of her children died in a fiery explosion which burned their home and tore it apart Sunday on Kalamazoo's South Side.

Five children perished in a Saturday fire on Detroit's West Side, and 79-year-old Alex Lindquest of the Upper Peninsula community of Gwin was fatally burned Saturday night in a fire that destroyed the home where he lived alone.

A broken gas main under the driveway of the home next door was blamed by authorities for the Kalamazoo explosion and fire. Cause of the Detroit blaze was undetermined.

Scalera Gets Backing For Musmanno's Post

BEAVER — The executive committee of the Beaver County Bar Association has endorsed Judge Ralph Scalera, county president judge, for the vacancy on the Pennsylvania Supreme Court created by the death of Judge Michael A. Musmanno.

Judge Scalera of Beaver, formerly of Midland, received the majority support of members of phone poll conducted by a member of the executive committee.

Atty. Frank Suffoletta of Midland, president of the bar group, said the recommendation has been sent to a committee of the Pennsylvania Bar Association appointed by Gov. Raymond Shafer to recommend someone to fill the post.

of the hogs died last weekend. He has been critical of the farming operation at the home ever since Boyce was appointed acting superintendent to succeed Russell J. Phillis, who was suspended by the commissioners on charges of mistreatment of patients and drinking on the job.

—:—

GAUSE said he received a call last week that the beef herd was not being fed. He said Boyce told him the farmhands had been given orders to give the cattle hay and ensilage.

"There are several thousands of bales of hay in the barn and they have tractors and wagons to get it to the field; there is no excuse for this," Gause declared.

He said half a dozen responsible citizens stopped at his home Sunday afternoon asking what was going to be done about the County Home situation. "This was the last straw," said Gause, referring to the death of the animals.

Gard said the County Home is a fourfold operation — hotel, restaurant, hospital and farm. He said the superintendency is a big job and he can understand how the farming operation might be slighted. But he also said there is no excuse for the death of the cattle.

Gause said the commissioners on several occasions have suggested that Boyce hire a farm manager, but he has refused unless he (Boyce) could receive more pay.

The commissioners noted that they do not have the authority to hire or fire any County Home employes except the superintendent and matron. The order does not affect Boyce's wife, Gladys, the matron.

Gard said he favors putting the County Home under the supervision of the County Welfare Department. "Mahoning County did this and it worked extremely well," he said.

Gause and Boyd said they do not know who they will get to run the home beginning Jan. 1. Joseph and Rosemond Mattevi of Lisbon RD 4 passed a civil service examination for the posts in 1967 and the commissioners voted to employ them effective Aug. 15 a year ago.

Two Cars Involved In Wellsville Wreck

No injuries resulted in a two-car accident in Wellsville Saturday at 7 p. m.

Police said William R. Hays, 48, of Salineville RD 1 was coming down Springhill Rd. in a 1966 sedan as Richard Malone, 26, of Boyce Ave., also driving a 1966 sedan, made a left turn in front of the Hays auto.

Malone said he misjudged where the Hays vehicle was. Hays told police he did not realize Malone was going to turn.

Figure In Crash

A Hookstown youth escaped serious injury when his 1968 sedan was hit from behind Saturday morning as he slowed to enter the Newell Bridge from Route 2.

Edison T. Chaffin Jr., 17, of Hookstown was treated for a possible knee injury at City Hospital.

His auto was struck in the rear by a 1968 truck operated by Thomas Charles Ogden, 27, of New Cumberland RD 2 at 9:30 a.m.

Damages to the Chaffin vehicle amounted to $200. Ogden's truck received $600 damages.

There were no citations. Deputies from the Hancock County sheriff's office investigated.

Now Possible To Shrink Painful Hemorrhoids

And Promptly Stop The Itching, Relieve Pain In Most Cases.

New York, N.Y. (Special): Science has found a medication with the ability, in most cases — to promptly stop itching, relieve pain and actually shrink hemorrhoids.

Tests by doctors proved that in case after case, while gently relieving pain, actual reduction of the inflamed hemorrhoids took place.

The secret is Preparation H®. There's no other formula like it! Preparation H also soothes irritated tissues and helps prevent further infection. In ointment or suppository form.

Radiation Hazard Ruled Minimal For Moon Shot

CAPE KENNEDY, Fla. (AP) — Despite concern expressed by some scientists, the space agency predicts America's Apollo 8 astronauts will be exposed to radiation no greater than the total equivalent of three chest X rays when they fly around the moon.

Solar flares erupting on the sun's surface could spew radiation into space between earth and the moon, but "it would take a very unusual flare" to prevent or alter the mission, said an Apollo 8 astronaut, William A. Anders.

"They probably haven't seen more than one or two in the last decade large enough to cause concern," said Air Force Maj. Anders, who plans to blast off Saturday for a 10-orbit flight around the moon with Air Force Col. Frank Borman and Navy Capt. James A. Lovell Jr.

While NASA said it has no grounds for worry, concern has been expressed elsewhere in the scientific community.

Dr. Harold Zirin, profssor of astrophysics at the California Institute of Technology, said earlier this month that Cal Tech astronomers observed a new sunspot group which "has grown rapidly and will be facing the earth at the center of the sun on Dec. 23."

Scientists in the Soviet Union and other Communist countries have said in recent weeks that further biological testing would be necessary before the Russians would attempt a deep-space flight. Radiation hazards were among questions needed to be answered, they said.

A network of radiation-measuring U.S. satellites circling the sun and ground-based observatories are keeping track of solar storms for NASA.

The satellites can give warning of active solar regions as much as 16 days in advance.

If an unusually hazardous flare spilled radiation into space while the astronauts were in flight, "we could stay in orbit around the moon to take advantate of its one-half shielding affect," Anders said. He meant that high radiation levels could be avoided for about half of every two-hour orbit when the moon was between Apollo 8 and the sun.

City Man Jailed On Check Charge

An East Liverpool resident is in Beaver County Jail today in lieu of $2,000 bond on charges of writing worthless checks and forgery in Beaver County.

Donald DePue, 20, formerly of Beaver, was arrested Saturday by Ohioville Police Chief Bernard Zlatovich, who is also a county constable, and Ohioville Sgt. Leo LeFebvre, an assistant constable, on a Brighton Township warrant obtained by the Economy Supermarket.

Area police had been seeking DePue for several weeks on the charges. A hearing is scheduled Saturday before Brighton Township Justice of the Peace Leroy Gibbs.

Zlatovich said DePue has been residing in East Liverpool, but his address was not listed.

Post Office Gets Set For Closing Rush

Local and area postal officials are girding for a last - minute flood of Christmas mail.

Postmaster Samuel W. Brown said stepped-up collection schedules are being continued here and additional workers added to the force.

Beginning today, service windows will be open from 7:45 a.m. to 5 p.m. daily at the downtown office on Dresden Ave. Station A in East End will be open Wednesday from 8 a.m. to 4 p.m. The Calcutta facility will follow its regular work schedule.

On Saturday, the main office windows will remain open from 8 a.m. to 4:30 p.m., the maximum hours set by the Post Office Department. On Saturday, the Calcutta office and Station A will work their regular schedules. Money orders will be written at all offices on Saturday for a period of four hours or until noon. This will be the last time that this service is allowed on Saturdays, Brown explained.

The carriers were not permitted to deliver or case mail on their routes during the first three Sundays in December, he said. Only in an emergency may they do this on the 22nd and this will require prior approval from the regional headquarters.

There will be no Sunday window service on the 22nd. The postmaster again appealed for immediate mailing of letters and gifts.

Local and area postal officials are girding for a last - minute flood of Christmas mail.

Postmaster Samuel W. Brown said stepped-up collection schedules are being continued here and additional workers added to the force.

Beginning today, service windows will be open from 7:45 a.m. to 5 p.m. daily at the downtown office on Dresden Ave. Station A in East End will be open Wednesday from 8 a.m. to 4 p.m. The Calcutta facility will follow its regular work schedule.

On Saturday, the main office windows will remain open from 8 a.m. to 4:30 p.m., the maximum hours set by the Post Office Department. On Saturday, the Calcutta office and Station A will work their regular schedules. Money orders will be written at all offices on Saturday for a period of four hours or until noon. This will be the last time that this service is allowed on Saturdays, Brown explained.

The carriers were not permitted to deliver or case mail on their routes during the first three Sundays in December, he said. Only in an emergency may they do this on the 22nd and this will require prior approval from the regional headquarters.

There will be no Sunday window service on the 22nd. The postmaster again appealed for immediate mailing of letters and gifts.

Police Check Stores After 'Bomb' Threats

Two Beaver County stores received bomb threats Saturday, Pennsylvania state police at Chippewa reported.

The J. C. Penney Co. store at the Northern Lights Shopping Center near Baden was evacuated for two hours after officials received a call that a bomb would explode in the store in a half hour.

A search was conducted by state police and Economy police. At 10:05 p. m. a similar search was conducted at the Zayre Department Store at Baden after a similar threat.

Negro Leader Dies

EAST ORANGE, N.J. (AP) — Madaline A. Williams, the first Negro woman of the New Jersey Legislature, died Saturday after a lingering illness. She was 70. Mrs. Williams was active in church, civil rights and political activities for many years before her election to the state assembly in 1957 and 1959.

New Officers Selected For Newell Group

Officers for the coming year were elected when the Newell Civic Council met at the American Legion home.

They are: Mrs. Mae Hupp, prsident; Carl Durham, vice president; Mrs. Sayde Nally, treasurer; Mrs. Marge Beckner, recording secretary, and Mrs. Dorish Durham, corresponding secretary.

Arch Coen, retiring president, led devotions.

Mrs. Nally reported a profit of $118.82 from the carnival booth.

Mrs. Ruth Sprouse announced that the school bus shelter has been erected in the Joetown area, with supplies furnished by the Council and the work done by Ronald Sherer of Shadow Lawn Memorial Gardens.

The group voted to help provide the annual Christmas treat of children of the community and to assist a needy family in the area.

Mrs. Robert Duncan was chairman of the nominating committee.

Coen requested that all organizations in Newell send at least one representative to the next meeting March 13 at the post home.

Cookie Contest Judges Selected

Judges have been announced for "Christmas Cookie Capers," the baking contest being sponsored by Bety Newton and the Ohio Valley Gas Co.

Mrs. Arthur A. Turner, hospital dietitian consultant at the East Liverpool Extended Care Center, will be assisted by Mrs. Clara Hall, society editor of The Review.

Mrs. Turner was graduated from Western Reserve University in Cleveland and interned in dietetics at University Hospital, Cleveland. She is a former employe of the Stouffer Corp. of Cleveland.

Area teen-agers who have entered the junior and high school competition must have their cookies at the schools by Tuesday for judging which will take place Wednesday at the gas company offices. The cookies will be on display all day.

Four prizes will be awarded in various categories.

Midland Concert Attended By 300

Some 300 attended the annual Christmas concert of the Lincoln High School choir at the auditorium of the school Sunday.

C. Lloyd Deffenbaugh, former music director, was guest conductor for several selections. Solos were sung by Yvonne Vranes, choir member, and Gary Lovejoy, former student.

Stephanie Golding, a former student, presented an organ solo. The audience participated in several carols.

Fred Martell, director, was in charge of the program. Mrs. Jean Porter directed the 4th St. School choir.

A nova is a star which undergoes a sudden and enormous increase in brightness. About 25 novae appear every year in our galaxy.

Christmas Party Held By Group

The annual Christmas party for Laundry Dry Cleaning and Dye House Workers, Local No. 1, representing plant workers and drivers of the Woodbine Laundry and Dry Cleaners and City Hospital Laundry Workers, was held Friday night at the Inn Town Motel. Forty members and guests attended.

A catered buffet lunch was served. Tables were decorated in a Christmas theme.

Music for dancing and singing was furnished by Ruth Hissom. The arrangement and decorating committee included Mrs. Mary Call and Earl Best of Woodbine and Miss Betty Brooks of City Hospital. Albert Merants of Youngstown and Frank Scalish of Cleveland, business agents, were hosts for the party.

Service Set Tuesday For Pen Chaplain

PITTSBURGH (AP) — As the Protestant chaplain at Rockview State Prison the Rev. Dr. Ted V. Voorhees made last walks with about half a dozen prisoners on their way to the electric chair.

Slowly walking behind the condemned prisoner, he would intone the Twenty-third Psalm from a Bible in his hand: "The Lord is my Shepard..."

Dr. Voorhees, 73, died Friday in Everett Convalescent Home in Harmony, Butler County.

He was at Rockview in Centre County from 1951 to 1955 and at Western Penitentiary in Pittsburgh from 1955 to last July when he retired.

He held a bachelor's degree in psychology from California State College, a masters' degree in education from the University of Pittsburgh, and a Ph.D. and doctor of divinity degrees from St. Andrew College in London.

Memorial services will be held Tuesday in the First Methodist Church in nearby Carnegie. Dr. Voorhees had lived in Rochester in Beaver County.

Officers List Minor Thefts

East Liverpool police recorded five cases of petty theft over the weekend, including an incident in which two youths siphoning gasoline from a parked car narrowly escaped capture by the auto's owner.

George Brokaw of 424 Vine St. told officers at 1:51 Sunday morning he saw the two thieves attempting to drain gasoline from the tank of his car, parked at his home. The two thieves fled when they saw Brokaw approaching. He gave chase, but the two jumped into a parked truck nearby and locked the doors.

The suspects had driven away by the time police arrived, but Brokaw gave officers the license number of the truck. About a gallon of gasoline was taken, police said.

John Weyand of 457 1st Ave. told police an intruder who entered his home between 1 and 4 a. m. Sunday escaped with a portable stereo tape player, two tapes and two pennies.

Otis Allison of Thompson Pl. told officers Saturday night at 11:30 that about $25 to $30 was stolen from his wallet. He said a neighbor assisted him up the stairs to his apartment and when he arrived he discovered his wallet was missing. The wallet was found in a doorway, but the money was missing, he said.

Ralph Sheets of 359 Ogden St. told officers a stereo turntable was stolen from his 1964 model convertible while it was parked in front of his home between 11:40 p. m. Friday and 8:30 a. m. Saturday. He said the thief gained entry by forcing a side vent window.

Susanna B. Turick of 971 Church St. reported to police an intruder took several cans of food from her home sometime between Friday morning and Saturday. Entry may have been gained by a front window, officers said.

One case of vandalism also was reported. Mrs. John Keller of 900 Locust St. told officers a 24-by-36-inch pane of glass in a storm door at her home was broken by a young boy who hurled a stone Saturday night about 7.

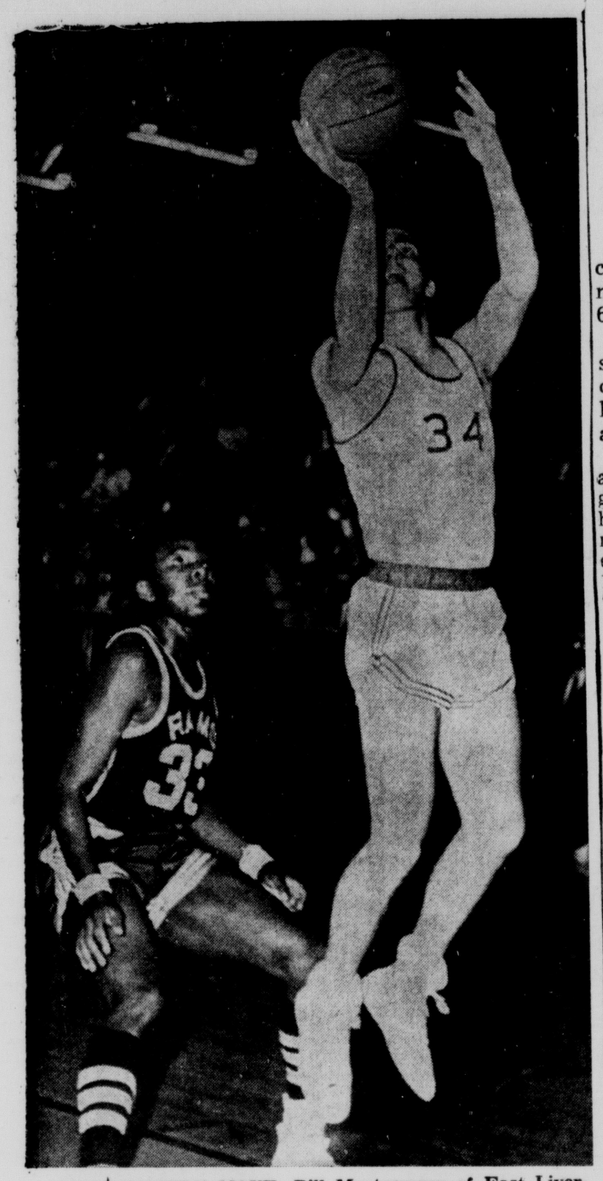
Tough Potter Defense Stifles Akron Garfield 61-32



MONTGOMERY MOVE. Bill Montgomery of East Liverpool gets off a shot as Al Smith of Akron Garfield watches in action Saturday night.

Johnson Holds Smith To Six

By TURK PIERCE
Review Sports Editor

The East Liverpool High School basketball team came up with an excellent defensive effort Saturday night at the new gym and smothered Akron Garfield 61-32.

John Johnson held Al Smith, the Rams' high scorer, to only 2 baskets in 12 tries and six points overall. The visitors got a mere 12 points in the first half as the Potters jumped to a 16-4 first quarter lead and were up to 24-12 at intermission.

Offensively, Jerry Christian again played an aggressive game underneath and muscled his way for 20 points and 17 rebounds. Bill Montgomery added 13 points and Rick Steffen 11 .The Potters were working the ball in well, and Montgomery and Steffen did not try as many long shots as in the 79-39 win over Pittsburgh South the night before. For the second night in a row the Potters hit over 50 per cent, canning 52 per cent to 26 per cent for the losers.

Coach Clint McConnell was pleased with his team's performance, especially defensively. He noted that Akron Garfield is a better team than they looked Saturday and that the Potters cut off the Rams' fast break. He had special praise for Johnson's efforts. "He doesn't have to score a point to be valuable to us", McConnell said, "because he takes 20 points away from the other team."

McConnell was also happy that the Potters committed only 12 turnovers, while forcing 20. The Rams, while having no one taller than 6-3, had a 38-37 rebounding edge. They had no scorer in double figures, so effective was the Potter defense. Phil Marzick was high with 8, all in the second half.

After a 2-2 tie East Liverpool ripped off eight points in a row and doubled Akron Garfield's score for most of the game.

The win was the third in a row for East Liverpool, while Garfield is 2-3.

Joe March Leads JV Win Over Garfield

A clutch performance by Joe March gave the East Liverpool reserve basketball team a 52-51 win over Akron Garfield at the new gym Saturday night.

The win was the second in three starts for Laine Turner's club, while Garfield is 1-3.

March sunk both ends of a one-on-one foul shot situation with four seconds on the clock for the final margin. The sophomore forward led all scorers with 24 points and made 10 points of the 12 scored by the winners in the final period.

March's fouls capped a desperate rally by the little Potters. The visitors had taken a 51-45 lead with 2:30 to go, but March made a three-point play to get the home forces back in the ball game and drove for another score with 44 seconds left.

The losers turned the ball over and John Lockhart was fouled with 31 seconds left, but he missed the shot. March got the rebound, but missed a follow shot. Ralph Carter grabbed the rebound, but the ball was turned over four times in quick succession before March was fouled and made the crucial shots. Moses Young got off a long shot for the losers at the buzzer, but it was wild.

March was backed by Jim (El) Parson, who scored 13 points. Bob Callen and Dave Brown had 15 each for the losers.

Akron had a 52-49 rebounding edge and hit 38 per cent to 31 per cent for East Liverpool. But the losers committed 24 turnovers to 19 for the winners. and the game was won at the foul line.

March had 9 rebounds to pace East Liverpool, while Young got 13 for Akron.

The hosts had a 19-16 lead in the second period, but Akron hit seven straight and didn't lose the lead again until late in the third quarter. East Liverpool was up 45-42 when the Rams scored nine in a row to apparently ice the contest, but March singlehandedly wiped out that lead.

Sports Whirled

By TURK PIERCE
Review Sports Editor

Prior to the basketball season, a great deal of noise was made in Western Pennsylvania concerning a new rule instituted by the WPIAL basketball coaches.

The WPIAL, thinking that possibly the antics of high-spirited coaches inflamed crowds and caused riots, ordered that a coach must remain seated at all times during play, with a technical foul to be called if the coach stands up.

I'M GOING to have to take a seat belt with me when we go to Aliquippa" said East Liverpool coach Clint McConnell when informed of the rule. McConnell is rarely seated during a game, and paces up and down in front of his bench most of the time.

But it appears that the rule is being enforced about as tightly as the spitball rule in major league baseball. There have been some technicals called, but even such wildmen as Connie Palumbo of New Castle and Moe Becker, formerly of Ambridge and Braddock and now of Greensburg, have conformed to the rule quite well, and chew towels to use up their excess nervous energy. John Nace of South Side, another exciteable coach, was up-and-down like a jumping jack when his team played Oak Glen in West Virginia, but he remains glued to his seat when the Rams are at home in Pennsylvania and uses his energy to yell.

WHEN WELLSVILLE played at Midland, the officials said they would be lenient on the visiting Ohio coach, and Bob Dawson did nothing to get them upset.

So in general it appears as though the officials are trying to give the coaches a break, and as long as the violations are not too flagrant, nothing will be called.

Fort Cherry Rallies, Buries South Side

By TURK PIERCE
Review Sports Editor

South Side Beaver built up a 41-25 lead late in the second quarter over Ft. Cherry Saturday afternoon, but couldn't stand prosperity and was routed by the Rangers 93-65 at South Side.

Ft. Cherry put on a 14-4 spurt to get back in the game at halftime, and the Rams could do nothing right in the second half as Ft. Cherry scored practically at will to roll up the final margin.

As usual, turnovers were a big problem for the Rams, as they committed 30 to 21 by Ft. Cherry. Many of the Ranger scores came on fast breaks after steals.

Ft. Cherry had a slim 56-55 rebounding edge, but had a 36-17 margin in the second half. The winners, now 2-2, shot 50 per cent, 58 per cent after intermission. South Side hit 46 per cent the first half and 36 per cent for the game.

Doug Williamson, Wayne Searight and Dan McNary led the Rams' early surge. Williamson got 14 points the first half and the others 10 each, but in the second half Williamson and Searight could get but two points each and McNary was blanked. Searight grabbed 16 rebounds, 12 in the first half.

Doug Caldwell, who didn't start, paced the winners with 25 points, 15 in the last period. Greg Caldwell added 19, Chris Ragland 18 and Al Sylanski 11. Greg Caldwell had 14 rebounds, 11 in the second half.

F t.Cherry led 9-6, but South Side hit 10 straight to take the lead. With the margin 32-25, the Rams hit 9 in a row and appeared to be on the way to a win. But from then on, until Ft. Cherry was hit with a technical in the closing seconds, the losers couldn't string two scores together, while the Rangers were running off 6 or 8 points at a time.

South Side is now 1-5.

The reserve game, while much closer, followed the same pattern. The Rams led 37-30 late in the third period, but Ft. Cherry hit 12 points in a row, as the losers didn't score for the first four minutes of the final quarter. It was 44-39 with 1:15 to go when Dan Basinger hit a basket and Jeff Wilson made two fouls with 43 seconds left. Dave Araneicka scored with 15 seconds to go, but with 7 seconds left Brad Danjou fouled Basinger and then was called for a technical. Basinger missed the one-on-one, but Wilson hit the technical and South Side had the ball. Wilson missed on a long shot, however, and time ran out with the score 46-44 Ft. Cherry.

The Rangers had gotten off to a 17-4 lead, but South Side came back to go ahead 22-21 at halftime. Jim Anderson had 13 points and Basinger 11 for the losers, while Danjou had 18 and Araneicka 10 for the winners. South Side, led by Chuck Gillespie's 17 and Basinger's 13, had a 61-54 rebounding edge, but committed 35 turnovers to 28 for the winners. The Rams shot 24 per cent, Ft. Cherry 27 per cent. South Side now has a 4-2 JV record, Ft. Cherry 3-1.

Bulldogs Top Beavers

Joe Lewis and Terry Lipp combined for 47 points to lead East Palestine to its first win of the season after three losses, a 65-54 triumph at Beaver Local Saturday night.

The loss was the third in five outings for Lloyd Stockdale's Beavers.

Lewis scored 25 points and grabbed 23 rebounds. Lipp, hitting from outside, had 22 points. Kim Hunston added 11 markers. Mike O'Brien failed to score, but swept 18 rebounds as the Bulldogs led in this department 54-39.

Bob Flint had 21 points to pace the losers. Dave Mason had 18 points and 19 rebounds.

The winners led all the way, rolling to a 36-20 halftime margin. Beaver Local cut the margin to seven in the third period, but East Palestine slowed down play and hung on for the win.

The Bulldogs hit 37 per cent to 35 per cent for the Beavers. Beaver Local was plagued by turnovers.

East Palestine won the reserve game 59-30 as Rick Scott had 14 and Jerry Fruit 10. Scott Dubberly had 9 for the losers.

Gregg Leads Victory

Columbiana Wins First, Nips United Local 61-58

COLUMBIANA — The Columbiana Clippers sunk four foul shots in the last 1:20 to pull out a 61-58 win over United Local here Saturday night.

The win was the first for Rich Berryman's team after three losses, while United is 2-2.

There were 24 fouls called on the Clippers and only nine on United, but five of the Golden Eagle fouls were on 6-6 Jack Mills, who left the game with 1:20 to go and the score 58-57 United. Gary Gregg made the two ensuing foul shots to put Columbiana ahead for good, and Kevin Goist sank two more with 20 seconds to go to ice the game. United had several shots at the end, but couldn't score.

The Clippers led most of the way, but the lead see-sawed the last four minutes. Each team hit 33 per cent of its shots, but Columbiana got more shots by forcing United turnovers.

Mills led all scorers with 29 points and Steve Cope added 15 for the Eagles. Gregg hit 24 for the Clippers and Jim Hinerman added 15.

Columbiana won the reserve game 50-39 as Goist and Gary Richardson had 12 points each.

Consensus Misses Two

Duffy Posts 8-2 Mark, Retains Cage Yogi Lead

Bob Duffy widened his lead in the Review Cage Yogi standings over the weekend, posting an 8-2 mark.

Ed Clutter, Turk Pierce and Rose Nuzzo also posted 8-2 marks, while Pete Weaver and Chuck Campbell went 6-4 and Lorin Howard and Bob Shaffer 5-5.

The consensus went 5-2, with three splits. The foolers for the consensus were Butler's 47-46 win over Midland, missed by everyone, and East Palestine's 65-54 win over Beaver Local, missed by everyone but Nuzzo and Pierce. Those two games were the only downfalls for Duffy and Clutter.

Pierce and Nuzzo also missed Beaver Local's 53-47 win over Toronto, Weaver, Campbell, Howard and Shaffer missed on Butler, East Palestine, Lisbon's 69-54 win over Crestview and Columbiana's 61-58 win over United. Weaver and Campbell got the Beaver Local-Toronto game right, Howard and Shaffer didn't.

Everyone was right on East Liverpool, a 79-39 winner over Pittsburgh South and a 61-32 winner over Akron Garfield. Wellsburg, an 81-66 winner over Oak Glen; Wellsville, a 60-56 winner over Lisbon; and United, a 78-52 winner over Southern, also came through for everyone.

Standings	W	L	Pct.
Duffy	17	3	.850
Clutter	15	5	.750
Pierce	15	5	.750
Consensus	12	4	.750

Contest Winner Eats 14 Dogs, McCovey 1

SAN FRANCISCO (AP) — San Francisco Giants' first baseman Willie McCovey had no stomach for the hotdog-eating contest he judged during the weekend.

Big Willie nibbled on one hotdog during the hour-long contest, won by Ted Koutsoubos, an average-sized guy who ate 14.

Huge Dave Weill, bronze medal winner in the discus in the 1964 Olympic Games, ate nine and finished fifth.

Stanton Nips Springfield To Even Record At 2-2

IRONDALE — Stanton evened its basketball record at 2-2 with a 55-52 win over Springfield here Saturday night.

Tim Logan led the Red Raiders of Dave Murray with 19 points and 12 rebounds. Dave Olesky added 16 points and Dan Smith 10. Jack McConnaughy netted 26 for the Flying Tigers.

Smith hit a jump shot with 5:37 to go in the game to give Stanton the lead for good, 47-46. Logan followed with two tipins to widen the margin to 51-46. Stanton led 13-10 after one period, but the visitors ran off eight straight and weren't headed again until the final stanza.

Springfield had a 46-37 rebounding edge, but Stanton hit 40 per cent to 33 per cent by the losers, now 3-2.

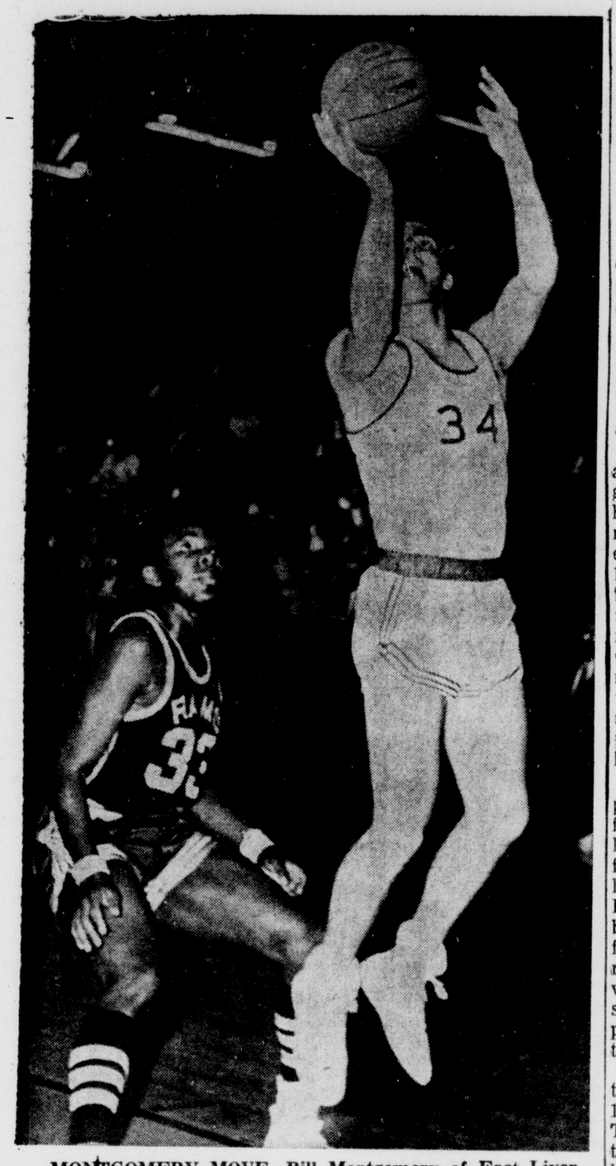
Tough Potter Defense Stifles Akron Garfield 61-32



MONTGOMERY MOVE. Bill Montgomery of East Liverpool gets off a shot as Al Smith of Akron Garfield watches in action Saturday night.

Johnson Holds Smith To Six

By TURK PIERCE
Review Sports Editor

The East Liverpool High School basketball team came up with an excellent defensive effort Saturday night at the new gym and smothered Akron Garfield 61-32.

John Johnson held Al Smith, the Rams' high scorer, to only 2 baskets in 12 tries and six points overall. The visitors got a mere 12 points in the first half as the Potters jumped to a 16-4 first quarter lead and were up to 24-12 at intermission.

Offensively, Jerry Christian again played an aggressive game underneath and muscled his way for 20 points and 17 rebounds. Bill Montgomery added 13 points and Rick Steffen 11 .The Potters were working the ball in well, and Montgomery and Steffen did not try as many long shots as in the 79-39 win over Pittsburgh South the night before. For the second night in a row the Potters hit over 50 per cent, canning 52 per cent to 26 per cent for the losers.

Coach Clint McConnell was pleased with his team's performance, especially defensively. He noted that Akron Garfield is a better team than they looked Saturday and that the Potters cut off the Rams' fast break. He had special praise for Johnson's efforts. "He doesn't have to score a point to be valuable to us", McConnell said, "because he takes 20 points away from the other team."

McConnell was also happy that the Potters committed only 12 turnovers, while forcing 20. The Rams, while having no one taller than 6-3, had a 38-37 rebounding edge. They had no scorer in double figures, so effective was the Potter defense. Phil Marzick was high with 8, all in the second half.

After a 2-2 tie East Liverpool ripped off eight points in a row and doubled Akron Garfield's score for most of the game.

The win was the third in a row for East Liverpool, while Garfield is 2-3.

CHRISTIAN CHOPPED. Jerry Christian of East Liverpool gets off a shot despite the efforts of Jim Lash (25) and Mark Buie (23) of Akron Garfield at the new gym Saturday night. Christian led Potters to 61-32 win.

Joe March Leads JV Win Over Garfield

A clutch performance by Joe March gave the East Liverpool reserve basketball team a 52-51 win over Akron Garfield at the new gym Saturday night.

The win was the second in three starts for Laine Turner's club, while Garfield is 1-3.

March sunk both ends of a one-on-one foul shot situation with four seconds on the clock for the final margin. The sophomore forward led all scorers with 24 points and made 10 points of the 12 scored by the winners in the final period.

March's fouls capped a desperate rally by the little Potters. The visitors had taken a 51-45 lead with 2:30 to go, but March made a three-point play to get the home forces back in the ball game and drove for another score with 44 seconds left.

The losers turned the ball over and John Lockhart was fouled with 31 seconds left, but he missed the shot. March got the rebound, but missed a follow shot. Ralph Carter grabbed the rebound, but the ball was turned over four times in quick succession before March was fouled and made the crucial shots. Moses Young got off a long shot for the losers at the buzzer, but it was wild.

March was backed by Jim (El) Parson, who scored 13 points. Bob Callen and Dave Brown had 15 each for the losers.

Akron had a 52-49 rebounding edge and hit 38 per cent to 31 per cent for East Liverpool. But the losers committed 24 turnovers to 19 for the winners. and the game was won at the foul line.

March had 9 rebounds to pace East Liverpool, while Young got 13 for Akron.

The hosts had a 19-16 lead in the second period, but Akron hit seven straight and didn't lose the lead again until late in the third quarter. East Liverpool was up 45-42 when the Rams scored nine in a row to apparently ice the contest, but March singlehandedly wiped out that lead.

Sports Whirled

By TURK PIERCE
Review Sports Editor

Prior to the basketball season, a great deal of noise was made in Western Pennsylvania concerning a new rule instituted by the WPIAL basketball coaches.

The WPIAL, thinking that possibly the antics of high-spirited coaches inflamed crowds and caused riots, ordered that a coach must remain seated at all times during play, with a technical foul to be called if the coach stands up.

I'M GOING to have to take a seat belt with me when we go to Aliquippa" said East Liverpool coach Clint McConnell when informed of the rule. McConnell is rarely seated during a game, and paces up and down in front of his bench most of the time.

But it appears that the rule is being enforced about as tightly as the spitball rule in major league baseball. There have been some technicals called, but even such wildmen as Connie Palumbo of New Castle and Moe Becker, formerly of Ambridge and Braddock and now of Greensburg, have conformed to the rule quite well, and chew towels to use up their excess nervous energy. John Nace of South Side, another exciteable coach, was up-and-down like a jumping jack when his team played Oak Glen in West Virginia, but he remains glued to his seat when the Rams are at home in Pennsylvania and uses his energy to yell.

WHEN WELLSVILLE played at Midland, the officials said they would be lenient on the visiting Ohio coach, and Bob Dawson did nothing to get them upset.

So in general it appears as though the officials are trying to give the coaches a break, and as long as the violations are not too flagrant, nothing will be called.

Fort Cherry Rallies, Buries South Side

By TURK PIERCE
Review Sports Editor

South Side Beaver built up a 41-25 lead late in the second quarter over Ft. Cherry Saturday afternoon, but couldn't stand prosperity and was routed by the Rangers 93-65 at South Side.

Ft. Cherry put on a 14-4 spurt to get back in the game at halftime, and the Rams could do nothing right in the second half as Ft. Cherry scored practically at will to roll up the final margin.

As usual, turnovers were a big problem for the Rams, as they committed 30 to 21 by Ft. Cherry. Many of the Ranger scores came on fast breaks after steals.

Ft. Cherry had a slim 56-55 rebounding edge, but had a 36-17 margin in the second half. The winners, now 2-2, shot 50 per cent, 58 per cent after intermission. South Side hit 46 per cent the first half and 36 per cent for the game.

Doug Williamson, Wayne Searight and Dan McNary led the Rams' early surge. Williamson got 14 points the first half and the others 10 each, but in the second half Williamson and Searight could get but two points each and McNary was blanked. Searight grabbed 16 rebounds, 12 in the first half.

Doug Caldwell, who didn't start, paced the winners with 25 points, 15 in the last period. Greg Caldwell added 19, Chris Ragland 18 and Al Sylanski 11. Greg Caldwell had 14 rebounds, 11 in the second half.

F t.Cherry led 9-6, but South Side hit 10 straight to take the lead. With the margin 32-25, the Rams hit 9 in a row and appeared to be on the way to a win. But from then on, until Ft. Cherry was hit with a technical in the closing seconds, the losers couldn't string two scores together, while the Rangers were running off 6 or 8 points at a time.

South Side is now 1-5.

The reserve game, while much closer, followed the same pattern. The Rams led 37-30 late in the third period, but Ft. Cherry hit 12 points in a row, as the losers didn't score for the first four minutes of the final quarter. It was 44-39 with 1:15 to go when Dan Basinger hit a basket and Jeff Wilson made two fouls with 43 seconds left. Dave Araneicka scored with 15 seconds to go, but with 7 seconds left Brad Danjou fouled Basinger and then was called for a technical. Basinger missed the one-on-one, but Wilson hit the technical and South Side had the ball. Wilson missed on a long shot, however, and time ran out with the score 46-44 Ft. Cherry.

The Rangers had gotten off to a 17-4 lead, but South Side came back to go ahead 22-21 at halftime. Jim Anderson had 13 points and Basinger 11 for the losers, while Danjou had 18 and Araneicka 10 for the winners. South Side, led by Chuck Gillespie's 17 and Basinger's 13, had a 61-54 rebounding edge, but committed 35 turnovers to 28 for the winners. The Rams shot 24 per cent, Ft. Cherry 27 per cent. South Side now has a 4-2 JV record, Ft. Cherry 3-1.

Bulldogs Top Beavers

Joe Lewis and Terry Lipp combined for 47 points to lead East Palestine to its first win of the season after three losses, a 65-54 triumph at Beaver Local Saturday night.

The loss was the third in five outings for Lloyd Stockdale's Beavers.

Lewis scored 25 points and grabbed 23 rebounds. Lipp, hitting from outside, had 22 points. Kim Hunston added 11 markers. Mike O'Brien failed to score, but swept 18 rebounds as the Bulldogs led in this department 54-39.

Bob Flint had 21 points to pace the losers. Dave Mason had 18 points and 19 rebounds.

The winners led all the way, rolling to a 36-20 halftime margin. Beaver Local cut the margin to seven in the third period, but East Palestine slowed down play and hung on for the win.

The Bulldogs hit 37 per cent to 35 per cent for the Beavers. Beaver Local was plagued by turnovers.

East Palestine won the reserve game 59-30 as Rick Scott had 14 and Jerry Fruit 10. Scott Dubberly had 9 for the losers.

Gregg Leads Victory

Columbiana Wins First, Nips United Local 61-58

COLUMBIANA — The Columbiana Clippers sunk four foul shots in the last 1:20 to pull out a 61-58 win over United Local here Saturday night.

The win was the first for Rich Berryman's team after three losses, while United is 2-2.

There were 24 fouls called on the Clippers and only nine on United, but five of the Golden Eagle fouls were on 6-6 Jack Mills, who left the game with 1:20 to go and the score 58-57 United. Gary Gregg made the two ensuing foul shots to put Columbiana ahead for good, and Kevin Goist sank two more with 20 seconds to go to ice the game. United had several shots at the end, but couldn't score.

The Clippers led most of the way, but the lead see-sawed the last four minutes. Each team hit 33 per cent of its shots, but Columbiana got more shots by forcing United turnovers.

Mills led all scorers with 29 points and Steve Cope added 15 for the Eagles. Gregg hit 24 for the Clippers and Jim Hinerman added 15.

Columbiana won the reserve game 50-39 as Goist and Gary Richardson had 12 points each.

Harrelson Sox MVP

BOSTON (AP) — Ken Harrelson, who cracked 35 homers en route to leading the American League with 109 runs batted in, is the Boston baseball writers' choice as the Red Sox' most valuable player in 1968.

Consensus Misses Two

Duffy Posts 8-2 Mark, Retains Cage Yogi Lead

Bob Duffy widened his lead in the Review Cage Yogi standings over the weekend, posting an 8-2 mark.

Ed Clutter, Turk Pierce and Rose Nuzzo also posted 8-2 marks, while Pete Weaver and Chuck Campbell went 6-4 and Lorin Howard and Bob Shaffer 5-5.

The consensus went 5-2, with three splits. The foolers for the consensus were Butler's 47-46 win over Midland, missed by everyone, and East Palestine's 65-54 win over Beaver Local, missed by everyone but Nuzzo and Pierce. Those two games were the only downfalls for Duffy and Clutter.

Pierce and Nuzzo also missed Beaver Local's 53-47 win over Toronto, Weaver, Campbell, Howard and Shaffer missed on Butler, East Palestine, Lisbon's 69-54 win over Crestview and Columbiana's 61-58 win over United. Weaver and Campbell got the Beaver Local-Toronto game right, Howard and Shaffer didn't.

Everyone was right on East Liverpool, a 79-39 winner over Pittsburgh South and a 61-32 winner over Akron Garfield. Wellsburg, an 81-66 winner over Oak Glen; Wellsville, a 60-56 winner over Lisbon; and United, a 78-52 winner over Southern, also came through for everyone.

Vikings Clinch Central Title As Packers Nip Bears

Sub Horn Stars For Green Bay

By DICK COUCH
Associated Press Sports Writer

Don Horn started the day backing up Green Bay's back-up quarterback and wound up throwing the Chicago Bears for a fatal loss.

He had an unlikely band of Packer-backers from Minnesota behind him all the way.

Horn, activated Saturday night by the Packers as standby for Zeke Bratkowski, Bart Starr's relief pitcher, came off the bench Sunday and keyed a 28-27 triumph over Chicago that knocked the Bears out of the National Football League championship picure.

Chicago's setback, coupled with Minnesota's 24-17 victory at Philadelphia, crowned the Vikings as champions of the Central Division.

But the Vikings, who followed the Green Bay-Chicago game via clubhouse radio after the finish of their game, had to sweat out a furious Bear charge in the final minutes before nailing their first division title in eight years as a NFL expansion franchise.

In Sunday's other regular season finales, Baltimore edged Los Angeles 28-24, Dallas thumped New York 28-10, Washington topped Detroit 14-3, San Francisco nipped Atlanta 14-12 and New Orleans trimmed Pittsburgh 24-14. St. Louis upended Cleveland 27-16 Saturday.

Dallas meets the Browns in Cleveland next Saturday for the Eastern Conference title and the Vikings and Colts collide at Baltimore the following day for the Western crown.

Horn, released from the Army just 10 days ago, entered the Packers-Bears scrap with Chicago leading 10-7 in the first quarter after Bratkowski, who had started in place of the injury-plagued Starr, was shaken up.

The 23-year-old San Diego State alumnus, Green Bay's No. 1 draft choice last year, uncorked a 67-yard touchdown pass to Jim Grabowski and then set up Chuck Mercein's one-yard scoring plunge with a 45-yard pass to Boyd Dowler as the Packers grabbed a 21-10 halftime lead.

Horn capped an 83-yard third quarter drive with a 25-yard TD strike to Dowler, boosting the margin to 28-10, before the Bears struck back.

Ronnie Bull's eight-yard touchdown run and Mac Percival's 26-yard field goal closed the gap to 28-20 and Dick Gordon grabbed a 51-yard TD pass from Jack Concannon with 3:58 remaining in the game. Percival's conversion left the Bears one point back.

The Packers, unable to move the ball after the kickoff, were forced to punt. Chicago stormed back to a first down on the Packer 43 with 1:19 to play, but Concannon was thrown for a five-yard loss, two passes failed and Ray Nitschke intercepted Concannon's desperate fourth down toss, sealing the Bears' fate.

Joe Kapp, Minnesota's unsung quarterback, led the Vikings past the stubborn Eagles, firing a pair of scoring passes and running for a third touchdown.

He hit Bill Brown for a 57-yard touchdown bomb in the second period, tossed a 30-yard payoff pitch to Gene Washington in the third and wrapped it up with a two-yard scoring jaunt in the fourth.

Johnny Unitas, sidelined by an elbow ailment most of the season, engineered two second half touchdown drives at Los Angeles, leading the Colts to their eighth straight victory and a 13-1 finish.

He took over for Earl Morrall, who had thrown a 61-yard touchdown pass to Preston Pearson, and flipped nine yards to Pearson for one score before setting up the winning points with 37 and 11-yard strikes.

Oakland, KC Gain AFL West Playoff

By ED SCHUYLER JR.

It was a bird, it was a plane. Well, for Oakland, it was a Bird —Rodger Bird flying down the sideline with an intercepted pass to spark the Raiders into a playoff for the American Football League's Western Division title.

"That put us ahead and pepped us up," Coach John Rauch said Sunday of Bird's 22-yard touchdown run with the interception that put Oakland ahead of San Diego 17-13 and keyed the Raiders to a 34-27 victory.

Oakland finished its regular season with a 12-2 record and in a first place tie in the West with Kansas City, which trounced Denver 30-7 Saturday.

The Raiders will play Kansas City in Oakland next Sunday for the right to meet the Jets, Eastern division champions, of the AL title in New York Dec. 29.

New York closed out its regular schedule Sunday wth a 1-7 romp over Miami, and, in the only other game, Houston trounced Boston 45-17.

After Bird's scoring theft of a John Hadl pass in the third period, Raider quarterback Daryle Lamonica hit Warren Wells with a 55-yard touchdown pass.

Then after a pair of field goals by San Diego's Dennis Partee, Lamonica threw a 33-yard scoring strike to Charlie Smith and George Blanda kicked a field goal to put the Raiders ahead 34-19.

San Diego then got back into the game when Ken Dyer recovered a fumbled punt by Oakland's Nehemiah Wilson in the end zone for a touchdown and Hadl passed to Lance Alworth for a two-point conversion.

Mat Snell, Emerson Boozer and Bill Mathis ran for touchdowns and Babe Parilli passed for one as the Jets rolled over Miami, which played without injured quarterback Bob Griese who was replaced by Rick Norton and rookie Kim Hammong. Larry Csonka bulled one yard for Miami's touchdown.

Leading 21-17 in the third period, Houston broke its game open with touchdown runs by Hoyle Granger and Woody Campbell, a score on an interception by Ken Houston and Wayne Walker's field goal. Granger also ran for a touchdown and Don Trull passed for two more for the Oilers. Tom Sherman passed for both Boston touchdowns.

Duke Surprised Again; Other Powers Breeze

By MIKE BRYSON
Associated Press Sports Writer

A couple of warmup games—that could be a little hot—stand in the way of UCLA and North Carolina this week before what could be a climactic showdown for college basketball's No. 1 ranking.

The top - ranked Bruins and runner-up Tar Heels will compete in the New York Holiday Festival Tournament Christmas week, and if all goes according to form will collide in the championship game.

But first, UCLA, 3-0 and idle all last week, must get by a couple of home dates with Minnesota and West Virginia, a pair of teams boasting some early season success.

The Gophers, unbeaten since losing their opener, furnish the opposition Friday night, while West Virginia, winner of five in a row, tests the Bruins the next evening.

North Carolina, riding a four-game streak, ends a week layoff at Clemson, 1-1, tonight, then follows up by playing host to stubborn Virginia, 3-1, Tuesday night.

Meanwhile, Duke Coach Vic Bubas was still shaking his head today over a sudden reversal of success that undoubtedly will knock his ninth-ranked Blue Devils out of the ratings.

Duke breezed to victory in its first three games—but lost all three starts last week, including a 71-63 decision on its own court to once-beaten East Tennessee Saturday night.

Bubas, witnessing a team of his lose three straight for the first time in a decade labeled the Blue Devils' showing a disgrace.

However, the rest of the Top 10 had an easy night.

No. 4 Kentucky, backed by Dan Issel's 26 points and 16 rebounds, sailed past Penn 102-78 to give Coach Adolph Rupp career victory No. 785.

Fifth-ranked New Mexico spotted Texas-El Paso a nine-point lead, then roared back for a 65-61 conquest and No. 6 Cincinnati rode Jim Ard's 21 points to a 56-48 victory at Miami of Ohio.

No. 7 Notre Dame blasted St. Louis 101-76 and Bob Lanier drilled in 40 points as No. 10 St. Bonaventure coasted past Toledo 85-75.

No. 11 Kansas humiliated Syracuse 71-41 in the championship game of the Sunflower Classic at Lawrence, Kan.

No. 12 Houston rolled past Brigham Young 98-75 in the consolation of the Cable Car Classic at San Francisco. No. 16 Santa Clara, which upset Houston the night before, won the tournament by beating San Francisco 78-56 behind Bud Ogden's 20 points.

No. 13 Purdue riddled Ohio University 100-89, No. 14 Detroit trounced Hillsdale, Mich., 105-50, No. 15 Western Kentucky tripped Michigan State 67-63, No. 17 Ohio State stopped Harvard 89-74, No. 19 Iowa lost to Drake 89-74 and No. 20 LaSalle slapped a box-and-one defense on Niagara's Calvin Murphy, holding him to 24 points, in pulling off an 88-73 triumph. Murphy had scored 68 points against Syracuse the previous week.

Louisiana State's deadeye, Pistol Pete Maravich, took the night's scoring honors with 55 points, but Tulane beat LSU, 101-99, in two overtimes.

Butch Beard and Mike Grosso teamed for 46 points to guide Louisville to an 84-69 victory that broke Dayton's 19-game winning streak.

Tennessee's Bill Justus whipped in 18 points to power his team to a 54-51 triumph over Southern Illinois in the finals of the Volunteer Classic at Knoxville, Tenn.

Somerset Paces Win For Houston

Willie Somerset picked a dandy way to keep a 42-point scoring performance from going to waste in the American Basketball Association Sunday night.

He picked up his final two points on a hook shot with four seconds left to give the lowly Houston Mavericks a 105-103 victory over the New York Nets.

Meanwhile, Denver edged Los Angeles 113-110 in overtime and Kentucky routed Miami 123-102 in the day's other activity to gain ground on dividional leaders. Minnesota's home game with Indiana was postponed because of the death of Pacers' president John C. Devoe.

Somerset, whose last ditch goal broke a four-game losing streak by the Western Division's tailenders, earlier had teamed with Dick Clark to lift Houston from behind in the third quarter. The Nets led 54-48 at halftime.

Walt Simon and Bobby Lloyd each scored 20 for the Nets, while Clark finished with 16.

Denver spotted Los Angeles a 14-point halftime lead, then rallied after intermission to produce a 99-99 deadlock at the end of regulation time.

It was tied 101-101 at the start of the extra session before the Rockets' Wayne Hightower connected on a jumper and rookie Walt Piatkowski followed with two goals to put Denver ahead for good.

Hightower finished with 30 points as the runner-up Rockets moved to 7½ games back of Oakland in the Western Division.

Ed Johnson scored 29 for Los Angeles.

Louis Dampier poured in 33 points and Gene Moore pulled down 13 rebounds and Jim Caldwell 12 as second-place Kentucky shaved Minnesota's Eastern Division lead to 4 games.

The Colonels were down 28-23 at the end of the first quarter, but rallied for 59-48 halftime lead and Miami was never in the game after that.

Jess Willard Dead At 86 In California

LOS ANGELES (AP) — Jess Willard, the giant boxer who was The Great White Hope of those who wanted the world's heavyweight title taken from Negro champion Jack Johnson, is dead at 86.

Willard won the crown in one of history's greatest fights, now fictionalized in the Broadway play, The Great White Hope.

The 230-pound Willard lost his title four years later to Jack Dempsey. It was 45 years after that before boxing experts, studying films, acknowledged Willard's greatness.

He died Sunday in Pacoima Memorial Lutheran Hospital of a cerebral hemorrhage following treatment for a heart attack. His wife Hattie was by his side.

In 1911, at the age of 30, Willard began a boxng career from which he retired 12 years later.

Johnson was champion when Willard became a boxer, in Willard's words, because "everyone was looking for what they called a white hope."

Stanton Reserves Finally Win

The Stanton reserve basketball team edged the Springfield reserves 50-49 Saturday night.

The win broke a 40-game losing streak for Stanton's reserves, covering two full seasons and parts of two others. The last win came in 1966.

Tim Furbee was the hero, scoring 25 points and hitting two fouls with eight seconds to go to make it 50-47. Mitch Piciorek led the losers with 12.

Cunningham Paces 76ers Over Knicks

By KEN RAPPOPORT
Associated Press Sports Writer

Billy Cunningham, the Philadelphia 76ers' springy forward, may not leap over tall buildings like Superman, but he certainly rises to the occasion when he's needed.

Like Sunday night, when he leaped and battled for 23 rebounds and scored 36 points to lead the 76ers to a 110-104 National Basketball Association victory over the New York Knicks.

In other NBA action Sunday, Cincinnati topped Phoenix 119-101 and Los Angeles nipped Seattle 115-114. San Diego's game at Atlanta was postponed when San Diego was unable to get a flight out of New York because of snow.

Last year, Cunningham was the sixth man on the 76ers. But when Wilt Chamberlain was traded to Los Angeles, Billy the Kid was counted on for more playing time—and more rebounding.

Cunningham has been doing a little more than his share this year in leading the 76ers to 20 victories in 27 games and 17 out of their last 20.

He leads the club in scoring, rebounding and steals and attributes this to more playing time. Cunningham also says there's more room for him to maneuver, now that Wilt's not clogging up the area around the basket anymore.

Cunningham scored 10 of his 36 points in the final quarter and Chet Walker added another 10 to pace Sunday night's victory.

Cazzie Russell and Willis Redd led the Knicks with 25 and 24 points, respectively.

The victory boosted the 76ers to within 1½ games of Baltimore in the tight Eastern Division race.

Oscar Robertson scored 26 points and handed out 17 assists in leading Cincinnati over Phoenix at Omaha, Neb. Tom Van Arsdale scored 28 points for the Royals, and his twin brother, Dick, got 25 for Phoenix.

Jerry West's three-point play with five seconds left gave Los Angeles its comeback victory over Seattle. Lenny Wilkens got a chance to tie it for Seattle with two seconds remaining but missed a free throw.

West finished with 28 points. Bob Rule scored 37 for Seattle and Wilkens 33.

In Saturday's action, Baltimore upended Boston 110-101, Cincinnati beat Milwaukee 121-115, Phoenix topped Detroit 123-118, New York got past San Diego 112-105, Philadelphia whipped San Francisco 137-101 and Los Angeles downed Seattle 136-120.

Lisbon Wins 1st Game, Surprises Crestview

LISBON — The Lisbon Blue Devils won their first basketball game of the season here Saturday night, downing Crestview 69-54.

Jim Courtney paced the win with 17 points, while Dave McCammon had 16 and Roger James 14. Chip McConville led the losers with 11.

Lisbon is now 1-2, Crestview 4-2.

Lisbon won the reserve game 53-30.

Vikings Clinch Central Title As Packers Nip Bears

Sub Horn Stars For Green Bay

By DICK COUCH
Associated Press Sports Writer

Don Horn started the day backing up Green Bay's back-up quarterback and wound up throwing the Chicago Bears for a fatal loss.

He had an unlikely band of Packer-backers from Minnesota behind him all the way.

Horn, activated Saturday night by the Packers as standby for Zeke Bratkowski, Bart Starr's relief pitcher, came off the bench Sunday and keyed a 28-27 triumph over Chicago that knocked the Bears out of the National Football League championship picure.

Chicago's setback, coupled with Minnesota's 24-17 victory at Philadelphia, crowned the Vikings as champions of the Central Division.

But the Vikings, who followed the Green Bay-Chicago game via clubhouse radio after the finish of their game, had to sweat out a furious Bear charge in the final minutes before nailing their first division title in eight years as a NFL expansion franchise.

In Sunday's other regular season finales, Baltimore edged Los Angeles 28-24, Dallas thumped New York 28-10, Washington topped Detroit 14-3, San Francisco nipped Atlanta 14-12 and New Orleans trimmed Pittsburgh 24-14. St. Louis upended Cleveland 27-16 Saturday.

Dallas meets the Browns in Cleveland next Saturday for the Eastern Conference title and the Vikings and Colts collide at Baltimore the following day for the Western crown.

Horn, released from the Army just 10 days ago, entered the Packers-Bears scrap with Chicago leading 10-7 in the first quarter after Bratkowski, who had started in place of the injury-plagued Starr, was shaken up.

The 23-year-old San Diego State alumnus, Green Bay's No. 1 draft choice last year, uncorked a 67-yard touchdown pass to Jim Grabowski and then set up Chuck Mercein's one-yard scoring plunge with a 45-yard pass to Boyd Dowler as the Packers grabbed a 21-10 halftime lead.

Horn capped an 83-yard third quarter drive with a 25-yard TD strike to Dowler, boosting the margin to 28-10, before the Bears struck back.

Ronnie Bull's eight-yard touchdown run and Mac Percival's 26-yard field goal closed the gap to 28-20 and Dick Gordon grabbed a 51-yard TD pass from Jack Concannon with 3:58 remaining in the game. Percival's conversion left the Bears one point back.

The Packers, unable to move the ball after the kickoff, were forced to punt. Chicago stormed back to a first down on the Packer 43 with 1:19 to play, but Concannon was thrown for a five-yard loss, two passes failed and Ray Nitschke intercepted Concannon's desperate fourth down toss, sealing the Bears' fate.

Joe Kapp, Minnesota's unsung quarterback, led the Vikings past the stubborn Eagles, firing a pair of scoring passes and running for a third touchdown.

He hit Bill Brown for a 57-yard touchdown bomb in the second period, tossed a 30-yard payoff pitch to Gene Washington in the third and wrapped it up with a two-yard scoring jaunt in the fourth.

Johnny Unitas, sidelined by an elbow ailment most of the season, engineered two second half touchdown drives at Los Angeles, leading the Colts to their eighth straight victory and a 13-1 finish.

He took over for Earl Morrall, who had thrown a 61-yard touchdown pass to Preston Pearson, and flipped nine yards to Pearson for one score before setting up the winning points with 37 and 11-yard strikes.

Oakland, KC Gain AFL West Playoff

By ED SCHUYLER JR.
Associated Press Sports Writer

It was a bird, it was a plane. Well, for Oakland, it was a Bird —Rodger Bird flying down the sideline with an intercepted pass to spark the Raiders into a playoff for the American Football League's Western Division title.

"That put us ahead and pepped us up," Coach John Rauch said Sunday of Bird's 22-yard touchdown run with the interception that put Oakland ahead of San Diego 17-13 and keyed the Raiders to a 34-27 victory.

Oakland finished its regular season with a 12-2 record and in a first place tie in the West with Kansas City, which trounced Denver 30-7 Saturday.

The Raiders will play Kansas City in Oakland next Sunday for the right to meet the Jets, Eastern division champions, of the AL title in New York Dec. 29.

New York closed out its regular schedule Sunday wth a 1-7 romp over Miami, and, in the only other game, Houston trounced Boston 45-17.

After Bird's scoring theft of a John Hadl pass in the third period, Raider quarterback Daryle Lamonica hit Warren Wells with a 55-yard touchdown pass.

Then after a pair of field goals by San Diego's Dennis Partee, Lamonica threw a 33-yard scoring strike to Charlie Smith and George Blanda kicked a field goal to put the Raiders ahead 34-19.

San Diego then got back into the game when Ken Dyer recovered a fumbled punt by Oakland's Nehemiah Wilson in the end zone for a touchdown and Hadl passed to Lance Alworth for a two-point conversion.

Mat Snell, Emerson Boozer and Bill Mathis ran for touchdowns and Babe Parilli passed for one as the Jets rolled over Miami, which played without injured quarterback Bob Griese who was replaced by Rick Norton and rookie Kim Hammong. Larry Csonka bulled one yard for Miami's touchdown.

Leading 21-17 in the third period, Houston broke its game open with touchdown runs by Hoyle Granger and Woody Campbell, a score on an interception by Ken Houston and Wayne Walker's field goal. Granger also ran for a touchdown and Don Trull passed for two more for the Oilers. Tom Sherman passed for both Boston touchdowns.

Duke Surprised Again; Other Powers Breeze

By MIKE BRYSON
Associated Press Sports Writer

A couple of warmup games—that could be a little hot—stand in the way of UCLA and North Carolina this week before what could be a climactic showdown for college basketball's No. 1 ranking.

The top - ranked Bruins and runner-up Tar Heels will compete in the New York Holiday Festival Tournament Christmas week, and if all goes according to form will collide in the championship game.

But first, UCLA, 3-0 and idle all last week, must get by a couple of home dates with Minnesota and West Virginia, a pair of teams boasting some early season success.

The Gophers, unbeaten since losing their opener, furnish the opposition Friday night, while West Virginia, winner of five in a row, tests the Bruins the next evening.

North Carolina, riding a four-game streak, ends a week layoff at Clemson, 1-1, tonight, then follows up by playing host to stubborn Virginia, 3-1, Tuesday night.

Meanwhile, Duke Coach Vic Bubas was still shaking his head today over a sudden reversal of success that undoubtedly will knock his ninth-ranked Blue Devils out of the ratings.

Duke breezed to victory in its first three games—but lost all three starts last week, including a 71-63 decision on its own court to once-beaten East Tennessee Saturday night.

Bubas, witnessing a team of his lose three straight for the first time in a decade labeled the Blue Devils' showing a disgrace.

However, the rest of the Top 10 had an easy night.

No. 4 Kentucky, backed by Dan Issel's 26 points and 16 rebounds, sailed past Penn 102-78 to give Coach Adolph Rupp career victory No. 785.

Fifth-ranked New Mexico spotted Texas-El Paso a nine-point lead, then roared back for a 65-61 conquest and No. 6 Cincinnati rode Jim Ard's 21 points to a 56-48 victory at Miami of Ohio.

No. 7 Notre Dame blasted St. Louis 101-76 and Bob Lanier drilled in 40 points as No. 10 St. Bonaventure coasted past Toledo 85-75.

No. 11 Kansas humiliated Syracuse 71-41 in the championship game of the Sunflower Classic at Lawrence, Kan.

No. 12 Houston rolled past Brigham Young 98-75 in the consolation of the Cable Car Classic at San Francisco. No. 16 Santa Clara, which upset Houston the night before, won the tournament by beating San Francisco 78-56 behind Bud Ogden's 20 points.

No. 13 Purdue riddled Ohio University 100-89, No. 14 Detroit trounced Hillsdale, Mich., 105-50, No. 15 Western Kentucky tripped Michigan State 67-63, No. 17 Ohio State stopped Harvard 89-74, No. 19 Iowa lost to Drake 89-74 and No. 20 LaSalle slapped a box-and-one defense on Niagara's Calvin Murphy, holding him to 24 points, in pulling off an 88-73 triumph. Murphy had scored 68 points against Syracuse the previous week.

Louisiana State's deadeye, Pistol Pete Maravich, took the night's scoring honors with 55 points, but Tulane beat LSU, 101-99, in two overtimes.

Butch Beard and Mike Grosso teamed for 46 points to guide Louisville to an 84-69 victory that broke Dayton's 19-game winning streak.

Tennessee's Bill Justus whipped in 18 points to power his team to a 54-51 triumph over Southern Illinois in the finals of the Volunteer Classic at Knoxville, Tenn.

Somerset Paces Win For Houston

Willie Somerset picked a dandy way to keep a 42-point scoring performance from going to waste in the American Basketball Association Sunday night.

He picked up his final two points on a hook shot with four seconds left to give the lowly Houston Mavericks a 105-103 victory over the New York Nets.

Meanwhile, Denver edged Los Angeles 113-110 in overtime and Kentucky routed Miami 123-102 in the day's other activity to gain ground on dividional leaders. Minnesota's home game with Indiana was postponed because of the death of Pacers' president John C. Devoe.

Somerset, whose last ditch goal broke a four-game losing streak by the Western Division's tailenders, earlier had teamed with Dick Clark to lift Houston from behind in the third quarter. The Nets led 54-48 at halftime.

Walt Simon and Bobby Lloyd each scored 20 for the Nets, while Clark finished with 16.

Denver spotted Los Angeles a 14-point halftime lead, then rallied after intermission to produce a 99-99 deadlock at the end of regulation time.

It was tied 101-101 at the start of the extra session before the Rockets' Wayne Hightower connected on a jumper and rookie Walt Piatkowski followed with two goals to put Denver ahead for good.

Hightower finished with 30 points as the runner-up Rockets moved to 7½ games back of Oakland in the Western Division.

Ed Johnson scored 29 for Los Angeles.

Louis Dampier poured in 33 points and Gene Moore pulled down 13 rebounds and Jim Caldwell 12 as second-place Kentucky shaved Minnesota's Eastern Division lead to 4 games.

The Colonels were down 28-23 at the end of the first quarter, but rallied for 59-48 halftime lead and Miami was never in the game after that.

Jess Willard Dead At 86 In California

LOS ANGELES (AP) — Jess Willard, the giant boxer who was The Great White Hope of those who wanted the world's heavyweight title taken from Negro champion Jack Johnson, is dead at 86.

Willard won the crown in one of history's greatest fights, now fictionalized in the Broadway play, The Great White Hope.

The 230-pound Willard lost his title four years later to Jack Dempsey. It was 45 years after that before boxing experts, studying films, acknowledged Willard's greatness.

He died Sunday in Pacoima Memorial Lutheran Hospital of a cerebral hemorrhage following treatment for a heart attack. His wife Hattie was by his side.

In 1911, at the age of 30, Willard began a boxng career from which he retired 12 years later.

Johnson was champion when Willard became a boxer, in Willard's words, because "everyone was looking for what they called a white hope."

Stanton Reserves Finally Win

The Stanton reserve basketball team edged the Springfield reserves 50-49 Saturday night.

The win broke a 40-game losing streak for Stanton's reserves, covering two full seasons and parts of two others. The last win came in 1966.

Tim Furbee was the hero, scoring 25 points and hitting two fouls with eight seconds to go to make it 50-47. Mitch Piciorek led the losers with 12.

ROCHESTER, N. Y. (AP) — The Rochester Americans snapped an eight-game American Hockey League winless streak Sunday night, rolling to a 9-1 victory over the Cleveland Barons.

Cunningham Paces 76ers Over Knicks

By KEN RAPPOPORT
Associated Press Sports Writer

Billy Cunningham, the Philadelphia 76ers' springy forward, may not leap over tall buildings like Superman, but he certainly rises to the occasion when he's needed.

Like Sunday night, when he leaped and battled for 23 rebounds and scored 36 points to lead the 76ers to a 110-104 National Basketball Association victory over the New York Knicks.

In other NBA action Sunday, Cincinnati topped Phoenix 119-101 and Los Angeles nipped Seattle 115-114. San Diego's game at Atlanta was postponed when San Diego was unable to get a flight out of New York because of snow.

Last year, Cunningham was the sixth man on the 76ers. But when Wilt Chamberlain was traded to Los Angeles, Billy the Kid was counted on for more playing time—and more rebounding.

Cunningham has been doing a little more than his share this year in leading the 76ers to 20 victories in 27 games and 17 out of their last 20.

He leads the club in scoring, rebounding and steals and attributes this to more playing time. Cunningham also says there's more room for him to maneuver, now that Wilt's not clogging up the area around the basket anymore.

Cunningham scored 10 of his 36 points in the final quarter and Chet Walker added another 10 to pace Sunday night's victory.

Cazzie Russell and Willis Redd led the Knicks with 25 and 24 points, respectively.

The victory boosted the 76ers to within 1½ games of Baltimore in the tight Eastern Division race.

Oscar Robertson scored 26 points and handed out 17 assists in leading Cincinnati over Phoenix at Omaha, Neb. Tom Van Arsdale scored 28 points for the Royals, and his twin brother, Dick, got 25 for Phoenix.

Jerry West's three-point play with five seconds left gave Los Angeles its comeback victory over Seattle. Lenny Wilkens got a chance to tie it for Seattle with two seconds remaining but missed a free throw.

West finished with 28 points. Bob Rule scored 37 for Seattle and Wilkens 33.

In Saturday's action, Baltimore upended Boston 110-101, Cincinnati beat Milwaukee 121-115, Phoenix topped Detroit 123-118, New York got past San Diego 112-105, Philadelphia whipped San Francisco 137-101 and Los Angeles downed Seattle 136-120.

Lisbon Wins 1st Game, Surprises Crestview

LISBON — The Lisbon Blue Devils won their first basketball game of the season here Saturday night, downing Crestview 69-54.

Jim Courtney paced the win with 17 points, while Dave McCammon had 16 and Roger James 14. Chip McConville led the losers with 11.

Lisbon is now 1-2, Crestview 4-2.

Lisbon won the reserve game 53-30.

The Mother's Ring

The name is registered Reg. No. 881,499 — The design is patented U.S. Pat. No. 186,188

Twin bands of 14 Karat Solid Gold signify husband and wife . . . a lustrous synthetic stone of the month marks the birthday of each of her children.

There is only one Mother's Ring . . . but many imitations. Assure yourself of the original by its identifying tag. The Mother's Ring is so distinctive, so unique, that it has been awarded U. S. Patent No. 186,188.

Responsibility Is Equally Important

The manner in which the Dawson Funeral Home serves East Liverpool area families, goes far beyond the application of technical skills. The service we provide is only part of the story. The responsibility we assume is equally important.

Assisting families through an emergency calls for dedication to serving individual needs and desires. It is a matter of relieving others of responsibilities and worry by anticipating family needs and wishes throughout the entire funeral experience. It costs no more at Dawson's.

Families who have observed our dedication to service and responsibility . . . frequently far beyond expectatiins . . . recommend us with confidence. We hope you will, too.

Lisbon Area News

Mrs. Esther DeTemple 424-5965

LISBON — Trophies and medals were awarded Saturday afternoon when the Mothers Club held a Christmas party for the marching majorettes' group at the firemen's room in the Village Hall.

Twenty-seven gold, seven silver and nine bronze medals were given the girls for their efforts during the year.

First-place trophies went to Arlene Rice, Lori Cusick and Peggy Burton and second-place trophies to Sandra Miller, Jeannie Pappas and Connie Brown.

The group sang carols while awaiting Santa Claus, who presented gifts to the children.

Mrs. Gerald Beiling, instructor, presented each girl with a baton carrying case.

The mothers expressed "thanks" to Richard Mason, Mr. and Mrs. Pete Cope and Raymond Reese for their assistance.

Three plates of cookies, remaining from the lunch, were delivered to the County Jail for the prisoners.

The next meeting will be Jan. 8 at the firemen's hall.

Group Dines Out

Toc-L Club members held their Christmas outing Friday night at the Grecian Village in Youngstown. They also conducted a gift exchange.

On Dec. 18, Mrs. Roger Warren will receive the club at her home on Teegarden Rd. Members are to take cookies baked from their favorite recipe for an exchange.

Holds Dinner And Exchange

The Mansion in Youngstown was the site for the dinner meeting of the TION Club Friday evening.

Following dinner, the group attended the theater and then returned to the home of Mrs. Richard Bosel of Pidgeon Rd. Ext. near Salem for a gift exchange. Mrs. Ron Steele, a former member, was a guest.

Mrs. Carol Page of W. Maple St. will entertain in January.

Personals

Mr. and Mrs. Paul T. Cross and son of Tacoma, Wash., are visiting his parents, Mr. and Mrs. Paul Cross and family of S. Lincoln Ave. Scott Timothy Cross, infant son, was baptized Sunday morning at the First United Presbyterian Church by the Rev. Paul T. Gerrard.

Cross, who is in the service, will be on furlough until Dec. 28. The Crosses also will visit with her parents, Mr. and Mrs. Charles Hanna in Columbiana.

Wesley Crubaugh of the Salem-Lisbon Rd. fell Saturday, breaking his hip. He was to undergo surgery this morning at Salem City Hospital. Crubaugh is a member of the Lisbon Senior Citizens.

Barber's Pole . . . A Medical Symbol

THE BARBER'S POLE is reminiscent of days when the village Barber, besides shaving chins, also took care of whatever surgery came his way. The White stripes round the Red pole are symbolic of bandages wrapping a bleeding arm.

As recently as the 18th century, surgery was a ghastly calling! Anesthetics were unknown. Patients would be strapped to a table while the knife-wielding Barber proceeded to cut — with no regard for his victim's cries and screams.

Through the advent of pain-relieving drugs, and drugs that control infection; surgical progress has been fantastic — in the U.S. over 10,000,000 operations each year benefit the lives of our people.

Progress in the Drug Industry has brought about many changes in other fields such as foods, confections, cosmetics, perfumes, toiletries, etc. You'll find the latest of these, beautifully packaged and wrapped — ideal Christmas Gifts — at

CITIZEN'S WALGREEN AGENCY, Carolina At Fifth, Chester, West Va. If you're looking for new gift ideas at low prices, come in and browse.

ELKTON — Plans have been completed by the Elkton PTA for a Christmas party from 9 a.m. to noon Friday.

John Vokovich will perform feats of magic for the children, followed by a visit from Santa.

Open house was held at last week's meeting, with parents viewing displays of work by the children. Included was a demonstration of an erupting volcano, with Kevin Baker in charge.

Mrs. Raymond Baker presided. The attendance banner was won by the fourth grade, taught by Mrs. Clarence Noel.

Refreshments were served 27 adults and 18 children by a committee headed by Mrs. Robert Chamberlain.

The next meeting will be Jan. 13.

⁂ ⁂ ⁂

Members of the Half-Century Club held a dinner meeting at the Hippity Hop Restaurant near Alliance last week and then went to the home of Mrs. Thomas Griggs in Salem for a gift exchange and cards.

Prizes went to Mrs. Kenneth Bettis, Mrs. Sam Ronshak and Mrs. William Stanley.

Tre next meeting will be with Mrs. Stanley of Lisbon.

⁂ ⁂ ⁂

The Town and Country Club met with Mrs. Freeman McMillan of the Signal - Elkton Rd. for a coverdish luncheon.

A gift exchange was held around a Christmas tree. Prizes for games were won by Mrs. Louella Wisler, Mrs. Jean Crow Mrs. Bernice Moore and Mrs. Evan Lewis.

The next meeting will be with Mrs. Clifford Ward of the Elkton-Signal Rd.

Mrs. Esther DeTemple 424-5965

LISBON — Trophies and medals were awarded Saturday afternoon when the Mothers Club held a Christmas party for the marching majorettes' group at the firemen's room in the Village Hall.

Twenty-seven gold, seven silver and nine bronze medals were given the girls for their efforts during the year.

First-place trophies went to Arlene Rice, Lori Cusick and Peggy Burton and second-place trophies to Sandra Miller, Jeannie Pappas and Connie Brown.

The group sang carols while awaiting Santa Claus, who presented gifts to the children.

Mrs. Gerald Beiling, instructor, presented each girl with a baton carrying case.

The mothers expressed "thanks" to Richard Mason, Mr. and Mrs. Pete Cope and Raymond Reese for their assistance.

Three plates of cookies, remaining from the lunch, were delivered to the County Jail for the prisoners.

The next meeting will be Jan. 8 at the firemen's hall.

Group Dines Out

Toc-L Club members held their Christmas outing Friday night at the Grecian Village in Youngstown. They also conducted a gift exchange.

On Dec. 18, Mrs. Roger Warren will receive the club at her home on Teegarden Rd. Members are to take cookies baked from their favorite recipe for an exchange.

Holds Dinner And Exchange

The Mansion in Youngstown was the site for the dinner meeting of the TION Club Friday evening.

Following dinner, the group attended the theater and then returned to the home of Mrs. Richard Bosel of Pidgeon Rd. Ext. near Salem for a gift exchange. Mrs. Ron Steele, a former member, was a guest.

Mrs. Carol Page of W. Maple St. will entertain in January.

Personals

Mr. and Mrs. Paul T. Cross and son of Tacoma, Wash., are visiting his parents, Mr. and Mrs. Paul Cross and family of S. Lincoln Ave. Scott Timothy Cross, infant son, was baptized Sunday morning at the First United Presbyterian Church by the Rev. Paul T. Gerrard.

Cross, who is in the service, will be on furlough until Dec. 28. The Crosses also will visit with her parents, Mr. and Mrs. Charles Hanna in Columbiana.

Wesley Crubaugh of the Salem-Lisbon Rd. fell Saturday, breaking his hip. He was to undergo surgery this morning at Salem City Hospital. Crubaugh is a member of the Lisbon Senior Citizens.

Barber's Pole . . . A Medical Symbol

THE BARBER'S POLE is reminiscent of days when the village Barber, besides shaving chins, also took care of whatever surgery came his way. The White stripes round the Red pole are symbolic of bandages wrapping a bleeding arm.

As recently as the 18th century, surgery was a ghastly calling! Anesthetics were unknown. Patients would be strapped to a table while the knife-wielding Barber proceeded to cut — with no regard for his victim's cries and screams.

Through the advent of pain-relieving drugs, and drugs that control infection; surgical progress has been fantastic — in the U.S. over 10,000,000 operations each year benefit the lives of our people.

Progress in the Drug Industry has brought about many changes in other fields such as foods, confections, cosmetics, perfumes, toiletries, etc. You'll find the latest of these, beautifully packaged and wrapped — ideal Christmas Gifts — at

Car Demolished By Freight Train

A new sedan which stalled on the Virginia Ave. railroad crossing early Sunday was demolished when struck by an eastbound freight train, but the driver of the auto and a passenger escaped injury, police reported.

John Raymond Moore, 21, of 180 Beechwood St. and his passenger, John James of Koppel, Pa., who had been attempting to push the car from the tracks, ran a short distance north on Virginia Ave. to escape flying debris just before the Penn Central locomotive smashed into the car at 35 miles an hour, officers said.

The demolished car was registered to Ralph Twyford, also of 180 Beechwood St. The mishap was timed at 4 a. m. Sunday.

Moore told Patrolman Bruce Conkle he was driving north on Virginia Ave. and the auto stalled as he pulled onto the tracks. Moore was unable to start the motor. He and James got out of the car and were attempting to push it clear when the red warning lights began blinking at the crossing, indicating approach of a train. They fled when they saw the locomotive bearing down on the car.

H. L. Messenger was the engineer of the 94-car freight and H. R. Shaffer was the conductor.

—:—

TWO CARS parked on W. 5th St. were damaged Saturday night or Sunday morning by a hit-skip car which then fled across the Newell Bridge.

There was damage to the rear deck lid of a 1964 four-door sedan owned by Ruby Close of High St., Salineville, and the left rear quarter panel of a 1963 two-door sedan registered to Michael J. McFarlane of 1756 Idaho Ave. Officers said both were patients in City Hospital.

The hit-skip car struck the McFarlane auto and knocked it into the Close car, officers said. A witness who observed the collision did not report it to the police department immediately, but advised officers later he saw the offending auto flee across the Newell Bridge.

—:—

A HANCOCK County man was cited on a charge of failure to yield the right-of-way after a collision Saturday at 11:47 a.m. at E. 5th and Walnut Sts. that damaged his 1965 model pickup truck and a 1965 two-door sedan.

The truck operated by Earl E. Pittman, 45, of New Cumberland RD 2 was involved in a collision with the auto of Donald M. Tice, 62, of 1570 Holliday St.

Tice told police he was proceeding east on E. 5th St. with the traffic light in his favor when Pittman made a left turn in his path. Pittman also said the light was in his favor, officers said.

There was damage to the right front, hood, bumper, grill and headlight of the Tice auto and the runningboard and right rear fender of the truck.

—:—

A MISHAP at Market and 5th Sts. at 6:40 this morning involved a 1960 two-door sedan driven by Gary M. Stewart, 21, of Laura Ave. and a parked 1968 auto of Edward M. Cranston, 67, of Westfield Rd., officers said. Stewart said he was backing and did not see the Cranston car because of snow on the rear window of his vehicle.

A collision Sunday at 9:47 p.m. on Garfield St. involved a 1962 sedan driven by Theresa R. Garren, 17, of Densmore Ave. and a 1966 sedan owned by David G. Jennings, of 325 Garfield St.

The young woman said she was attempting to turn around but cut her wheels too sharply and hit the Jennings car. The mishap damaged the left front and rear doors and the left rear fender of the Jennings car.

Meanwhile, Albert Timmerman of Lisbon RD 3 told police his 1968 car was damaged by a hit-skip vehicle between 8:10 and 11:30 a. m. Saturday while parked on Lee St.

A mishap on a Walnut St. lot Saturday at 3:20 p. m. involved a parked 1965 two-door sedan owned by Albert DeSarro of Imperial Dr. and a 1965 four-door sedan operated by Arlene Ann Kirbaugh, 33, of 1332 Hillcrest Rd., Wellsville, officers said. The woman said she was backing and did not see the DeSarro car.

Wellsville Motorist Fined After Accident

A Wellsville motorist was fined $25 and costs Saturday on a reckless operation charge by Mayor William Daugherty of Wellsville.

Penalized was Charles Cross, 20, of 1359 Hillcrest Ave.

Cross was driving a 1966 sedan, owned by Central Service of Newell, which struck a car operated by Eric Sokolsky, 29, and registered to the William Sakol Co. of Pittsburgh at Wood and Diamond Sts., Wellsville, Friday.

The DOCTOR Says

Helpful Hints To Avoid Foot Trouble

Every season is open season for foot ailments. Here are some tips from the American Podiatry Association.

Dr. Brandstadt

It's not the height of your arch that determines the health of your foot. A flat foot may be a useful foot while a high-arched foot may be a painful one. Feet are rarely exactly the same size but shoes are made as if they were. Always try on both shoes before you buy them. I learned this the hard way. In addition to affecting the heart and circulation, obesity can cause painful feet by putting an extra strain on them. Children's feet should have the same protection as those of adults. Your feet should be placed squarely on the floor whether you are sitting, standing or walking.

—:—

YOUR FEET SHOULD be dried after bathing as thoroughly as you dry your face. This applies especially to the space between your toes. Prompt care of minor foot ailments prevents major troubles. When your feet hurt, you hurt all over. The human foot is the mirror of health. Often the first sign of a general bodily condition, such as diabetes, gout, arthritis and impaired circulation, appears in the foot.

Q — My doctor is giving me Valium for nervous tension. Can this drug be taken indefinitely? If not, please name one that can. What is dilantin used for?

A — Diazepam (Valium) is a minor tranquitizer. Although the drug is not habit forming, no one should take any kind of tranquilizer indefinitely. A course in progressive relaxation would be much more rewarding than a course of any kind of tranquilizer I could name.

Diphenylhydantoin (Dilantin) is an anticonvulsant that is used chiefly in the control of epilepsy.

Q—What can be done for syringomyelia? I have had it for a long time and it is slowly getting worse.

A—In this disease of the spinal cord there is a scattered loss of sensation, a wasting of muscles and curvature of the spine. The disease progresses slowly and there may be periods of remission. As with any disease in which spontaneous remissions occur, evaluation of the results of treatment are hard to make. X-ray therapy over the spine helps some victims and, in selected cases, removal of a part of some of the vertebrae is beneficial.

Please send your questions and comments to Wayne G. Brandstadt, M.D., in care of The Review. While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

Some jolly old advice:

Plan your Christmas calling early

Christmas Day gets away too fast. But if you make your long distance calls in advance, you'll get a happy head start on the very best part of Christmas; the getting-together with friends and loved ones you don't see all year long. You'll beat the Christmas Day rush, too! If you don't know out-of-town numbers, get them now. Make a free call to the Universal Long Distance Operator in each city on your list. Dial 1. Then dial the area code, if it's different from yours. (Area codes are listed in your phone book.) Then dial 555-1212.

Ask for numbers you know you'll need, write them down, then dial direct—at your leisure! Call station-to-station any night after 7, or any time Saturday or Sunday, and get low, bargain rates. Yes, make your long distance Christmas calls in advance. You'll save money, beat the rush, and get a happy head start on the very best part of Christmas.

John Raymond Moore, 21, of 180 Beechwood St. and his passenger, John James of Koppel, Pa., who had been attempting to push the car from the tracks, ran a short distance north on Virginia Ave. to escape flying debris just before the Penn Central locomotive smashed into the car at 35 miles an hour, officers said.

The demolished car was registered to Ralph Twyford, also of 180 Beechwood St. The mishap was timed at 4 a. m. Sunday.

Moore told Patrolman Bruce Conkle he was driving north on Virginia Ave. and the auto stalled as he pulled onto the tracks. Moore was unable to start the motor. He and James got out of the car and were attempting to push it clear when the red warning lights began blinking at the crossing, indicating approach of a train. They fled when they saw the locomotive bearing down on the car.

H. L. Messenger was the engineer of the 94-car freight and H. R. Shaffer was the conductor.

TWO CARS parked on W. 5th St. were damaged Saturday night or Sunday morning by a hit-skip car which then fled across the Newell Bridge.

There was damage to the rear deck lid of a 1964 four-door sedan owned by Ruby Close of High St., Salineville, and the left rear quarter panel of a 1963 two-door sedan registered to Michael J. McFarlane of 1756 Idaho Ave. Officers said both were patients in City Hospital.

The hit-skip car struck the McFarlane auto and knocked it into the Close car, officers said. A witness who observed the collision did not report it to the police department immediately, but advised officers later he saw the offending auto flee across the Newell Bridge.

—:—

A HANCOCK County man was cited on a charge of failure to yield the right-of-way after a collision Saturday at 11:47 a.m. at E. 5th and Walnut Sts. that damaged his 1965 model pickup truck and a 1965 two-door sedan.

The truck operated by Earl E. Pittman, 45, of New Cumberland RD 2 was involved in a collision with the auto of Donald M. Tice, 62, of 1570 Holliday St.

Tice told police he was proceeding east on E. 5th St. with the traffic light in his favor when Pittman made a left turn in his path. Pittman also said the light was in his favor, officers said.

There was damage to the right front, hood, bumper, grill and headlight of the Tice auto and the runningboard and right rear fender of the truck.

—:—

A MISHAP at Market and 5th Sts. at 6:40 this morning involved a 1960 two-door sedan driven by Gary M. Stewart, 21, of Laura Ave. and a parked 1968 auto of Edward M. Cranston, 67, of Westfield Rd., officers said. Stewart said he was backing and did not see the Cranston car because of snow on the rear window of his vehicle.

A collision Sunday at 9:47 p.m. on Garfield St. involved a 1962 sedan driven by Theresa R. Garren, 17, of Densmore Ave. and a 1966 sedan owned by David G. Jennings, of 325 Garfield St.

The young woman said she was attempting to turn around, but cut her wheels too sharply and hit the Jennings car. The mishap damaged the left front and rear doors and the left rear fender of the Jennings car.

Meanwhile, Albert Timmerman of Lisbon RD 3 told police his 1968 car was damaged by a hit-skip vehicle between 8:10 and 11:30 a. m. Saturday while parked on Lee St.

A mishap on a Walnut St. lot Saturday at 3:20 p. m. involved a parked 1965 two-door sedan owned by Albert DeSarro of Imperial Dr. and a 1965 four-door sedan operated by Arlene Ann Kirbaugh, 33, of 1332 Hillcrest Rd., Wellsville, officers said. The woman said she was backing and did not see the DeSarro car.

Wellsville Motorist Fined After Accident

A Wellsville motorist was fined $25 and costs Saturday on a reckless operation charge by Mayor William Daugherty of Wellsville.

Penalized was Charles Cross, 20, of 1359 Hillcrest Ave.

Cross was driving a 1966 sedan, owned by Central Service of Newell, which struck a car operated by Eric Sokolsky, 29, and registered to the William Sakol Co. of Pittsburgh at Wood and Diamond Sts., Wellsville, Friday.

Helpful Hints To Avoid Foot Trouble

Every season is open season for foot ailments. Here are some tips from the American Podiatry Association.

Dr. Brandstadt

It's not the height of your arch that determines the health of your foot. A flat foot may be a useful foot while a high-arched foot may be a painful one. Feet are rarely exactly the same size but shoes are made as if they were. Always try on both shoes before you buy them. I learned this the hard way. In addition to affecting the heart and circulation, obesity can cause painful feet by putting an extra strain on them. Children's feet should have the same protection as those of adults. Your feet should be placed squarely on the floor whether you are sitting, standing or walking.

—:—

YOUR FEET SHOULD be dried after bathing as thoroughly as you dry your face. This applies especially to the space between your toes. Prompt care of minor foot ailments prevents major troubles. When your feet hurt, you hurt all over. The human foot is the mirror of health. Often the first sign of a general bodily condition, such as diabetes, gout, arthritis and impaired circulation, appears in the foot.

Q — My doctor is giving me Valium for nervous tension. Can this drug be taken indefinitely? If not, please name one that can. What is dilantin used for?

A — Diazepam (Valium) is a minor tranquitizer. Although the drug is not habit forming, no one should take any kind of tranquilizer indefinitely. A course in progressive relaxation would be much more rewarding than a course of any kind of tranquilizer I could name.

Diphenylhydantoin (Dilantin) is an anticonvulsant that is used chiefly in the control of epilepsy.

Q—What can be done for syringomyelia? I have had it for a long time and it is slowly getting worse.

A—In this disease of the spinal cord there is a scattered loss of sensation, a wasting of muscles and curvature of the spine. The disease progresses slowly and there may be periods of remission. As with any disease in which spontaneous remissions occur, evaluation of the results of treatment are hard to make. X-ray therapy over the spine helps some victims and, in selected cases, removal of a part of some of the vertebrae is beneficial.

Please send your questions and comments to Wayne G. Brandstadt, M.D., in care of The Review. While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

Some jolly old advice:

Christmas Day gets away too fast. But if you make your long distance calls in advance, you'll get a happy head start on the very best part of Christmas; the getting-together with friends and loved ones you don't see all year long. You'll beat the Christmas Day rush, too! If you don't know out-of-town numbers, get them now. Make a free call to the Universal Long Distance Operator in each city on your list. Dial 1. Then dial the area code, if it's different from yours. (Area codes are listed in your phone book.) Then dial 555-1212.

Ask for numbers you know you'll need, write them down, then dial direct—at your leisure! Call station-to-station any night after 7, or any time Saturday or Sunday, and get low, bargain rates. Yes, make your long distance Christmas calls in advance. You'll save money, beat the rush, and get a happy head start on the very best part of Christmas.

Air Pollution And Prizes

More Mail Miscellany

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Air pollution adds to your grocery bill as well as increasing laundry costs and possibly damaging your lungs. Befouling of the atmosphere is estimated by agricultural experts to cause $500 million in crop damage each year.

Did you ever win anything beside a floor lamp or a book as a door prize? When the Colosseum was opened in Rome in 80 A.D., the Emperor Titus gave away slaves as door prizes to winning ticket holders.

A new way to remove tattoo marks has been developed at the University of Iowa Medical College. The surface layers of pigmented skin are removed in a few moments with a diamond burr. The skin dye then comes to the surface and flakes off as the abraded areas heals.

Every step forward creates a new problem. An example is the new concealed window wipers on cars. The problem? Traffic cops are stumped as to where to affix tickets for parking violations.

Each year Americans use enough wood to build a bridge of logs to the moon. Perhaps at that it would be cheaper to get to the moon that way than by building space vessels.

Quotable notables: "The stomach is the only part of man that can be satisfied. The yearning of man's brain for new knowledge and experience . . . is an appetite which cannot be appeased."—Thomas A. Edison.

An American's chance of going through life without being hurt in an auto accident are getting slimmer. Last year alone one out of every four motor vehicles was involved in an accident. The dollar toll: $12 billion.

Helpful tips: Don't try to lift heavy objects unless you're in top physical shape. The price of a hernia operation has gone up 48 per cent in the last 12 years.

High and low: Colorado has the highest low point of any state and Florida the lowest high point, says the National Geographic Society. Colorado's lowest spot is 3,350 feet above sea level, and the highest point in Florida is 345 feet.

Education can be killing: Each year 15 of every 100,000 college students commit suicide, a rate higher than the national average and twice the rate of young people the same age who don't go to college.

Sweet tooth: Despite all the stern dietary warnings to avoid an excessive caloric intake, the average American now eats 19 pounds of candy a year. He takes the warnings with a grain of sugar.

It was Ralph Waldo Emerson who observed, "This time, like all other times, is a very good one—if we but know what to do with it."

Local Motorist Cited In Mishap

An East Liverpool man was cited for improper backing onto the roadway as the result of an accident Saturday noon on the Y. & O. Rd., about a mile south of Route 267.

Clyde Earl McGaffic, 66, of Sunnyside Ave. backed a 1960 truck out of a private drive, into the path of a northbound auto operated by Sarah Margaret Rose, 28, of Grimms Bridge Rd.

The Rose woman, unable to stop, swerved her auto to the left to avoid the truck, then went into a ditch to avoid a southbound auto.

McGaffic was cited on the improper backing charge.

There were no injuries. There was moderate damage to the left front of the Rose vehicle.

Installation Held During Yule Fete Of Ruritan Club

GUILFORD — Officers were installed when the Guilford Ruritan Club held its Christmas party and "Ladies Night" Saturday at the hall.

Inducted by Floyd Lower, a past national president, were Richard Broomall, president; Richard Andrus, vice president; Robert Greenawalt, secretary, and Arthur Edling, treasurer.

Allan Blackburn, program chairman, presented a barbershop quartet comprised of Arthur Kibler, Carl Alesi, Walter Kaiser and Glen Bartholow.

Group singing of carols was led by Carl Humphrey, with Mrs. Emmett Caldwell at the piano.

A gift exchange was held.

Dinner was served by the Women's Activity Committee. The hall was decorated with holly and pine, lights and a lighted tree. The tables followed the Yule theme.

The four centerpieces, made of frosted pine, candles and angels by James Baxter, were presented to Mrs. Max Houlette, Mrs. Lower, Mrs. Joe Yovanovic and Mrs. Allen Blackburn.

Mr. and Mrs. Lower and Mr. and Mrs. Caldwell were guests.

Community Sing Set Wednesday At Salineville

SALINEVILLE — The annual Salineville area community carol sing will be held Wednesday at 7:30 p.m. at the Citizens Bank parking lot under auspices of the Salineville Ministerial Association.

Featured will be the "Stanton Hi Triple Trio."

Refreshments will be provided by the bank and movies will be screened at the grade school auditorium.

Illicit Harvest Ahead

Chief Warns Of Rackets That Plague Yule Season

Police Chief A. J. Radeschi today warned businessmen and householders to be alert against the burglars, thieves, con men and drifters of all sorts who take advantage of the hustle and bustle of the holiday season to reap an illicit harvest from the unwary.

The chief issued a list of precautions which he said will help prevent many from being victimized.

—:—

BUSINESSMEN and their clerks should be especially alert against passers of counterfeit bills and fraudulent checks, he warned. Knowing the sales personnel are distracted and tired, the con artists often take advantage of the holiday rush to ply their trade, he said. Checks should not be cashed unless the employes are absolutely certain of the person's identification, the chief said.

If a clerk suspects he has been handed a phony bill or a bad check, he should delay the passer long enough to allow someone else to notify the police department. Short-change artists also ply their trade in the yearend rush, confusing a clerk with patter and a switch of bills as change is being made for a small purchase.

Shop - lifting probably represents the biggest individual loss to retailers and the best remedy is an alert sales force ready to question any suspicious character who appears to be pilfering merchandise. Shoplifters usually try to work where they can be free of observation, so a well-staffed store is a deterrant against thievery.

Before locking up their stores for the night, businessmen should make a thorough check of the premises — particularly out - of - the way places like stockrooms and washrooms — to make certain that a thief is not lurking there, awaiting a chance for an after - hours foray.

Businessmen should not leave large sums of money in a store overnight, even in a supposedly secure safe, because such an act is an invitation to burglars. The businessman should call the department for an escort to a bank's night depository.

Women shoppers should not carry large sums of cash in crowded stores or on busy sidewalks, because the pocketbooks are an invitation to thieves. Most purse thefts occur in the shopping season when a woman places her pocketbook on a counter, turns to examine merchandise, and then discovers it has been stolen.

—:—

SHOPPERS should not place piles of packages in plain view in a parked car, even if it's locked, because a skilled burglar can open a locked car in seconds. The packages should be locked in the trunk, out of sight. Shoppers should park in well - lighted areas whenever possible as a deterrant to thieves.

When leaving home for a holiday evening visit, a family should make certain that all the doors and windows are locked and that several lights are left burning to give the impression the home is occupied. The garage doors should be left closed, because an open, vacant garage and a dark house form a perfect tipoff to burglars.

Many other rackets crop up at Christmas time, including the phony "C.O.D. package" scheme that was tried in East Liverpool Thursday.

A housewife answered a knock at the door and found a blue - uniformed man holding a package that he said belonged to the family next door. Passing himself off as a deliveryman, the stranger said there was a $17 charge due on the package, but the family next door was away.

The housewife offered to pay the charge, but said she would write a check. When she went to find her checkbook, the "deliveryman" disappeared.

Police would have been able to apprehend the man if the woman had obtained the license number of his vehicle, the chief pointed out.

He asked the public to notify the department immediately if suspicious actions are observed around the home of an absent family or in the area of a store after business hours. Informants' names always are kept confidential, Radeschi pointed out.

Cabinet Secretary Draws $35,000

Most Of Nixon's Cabinet Will Suffer Salary Cuts

WASHINGTON (AP) — Though the wealth of the Nixon cabinet won't match that of the "nine millionaires and a plumber" of the original Eisenhower Cabinet, most of its members will suffer pay cuts by coming to Washington.

A Cabinet secretary draws $35,000 a year. The men picked by President-elect Nixon from banking, law and the construction industry have been doing a lot better than that. Most of the public officials and educators he chose have been doing about as well, and only two of the appointees are likely to improve their financial status.

Nixon himself reportedly drew an income of around $200,000 a year as a senior partner in a New York law firm. That gives some kind of clue to the income of the incoming attorney general, John N. Mitchell, who was a senior partner in the same firm.

Something like that income level probably can be ascribed to William P. Rogers, who will be secretary of state.

The long-time Nixon friend and former attorney general is a member of another major law firm of New York and Washington, serving wealthy corporate clients.

Two of the three governors who will come to Washington did not improve ther paychecks. The state of Michigan pays its governor $40,000 or $50,000 more than George Romney, former head of American Motors Corp., will make as secretary of housing and urban development.

John A. Volpe makes $35,000 as governor of Massachusetts. But salary is not Volpe's foremost worry for this one-time hod carrier and carpenter organized a multimillion dollar construction operation that bears his name.

The Cabinet's two bankers also would do better financially to stay out of government.

David M. Kennedy's bank, biggest in Chicago and eighth biggest in the country, pays him far more than he will get from the U.S. Treasury. Maurice Stans, a former budget director under President Eisenhower, also will find it unnecessary to scrimp to get by on his Secretary of Commerce pay. He was president of Western Bancorporation in Los Angeles, and, more recently, president of the New York banking house of Glore, Forgan, William R. Staats.

Even the Cabinet officers drafted from the traditionally poorly paid ranks of educators are not bettering themselves noticeably, if at all.

Clifford M. Hardin, incoming secretary of agriculture, makes $35,000 as chancellor of the University of Nebraska.

The University of Chicago refuses to tell the salary of George P. Shultz, who will be secretary of labor. But professors' pay ranges up to $30,000 and Shultz as dean of the graduate school of business presumably gets more.

Winton M. Blount, who will be postmaster general, now draws zero salary as president of the United States Chamber of Commerce. But Blount won't be hurt by the Washington assignment because he presides over a vast contracting empire, Blount Brothers Corp.

Gov. Walter J. Hickel of Alaska draws only $27,500 in gubernatorial pay, but he also is a builder and developer and reputed to be a millionaire.

That leaves Rep. Melvin Laird, who will be secretary of defense, and Lt. Gov. Robert H. Finch of California, who will be secretary of health, education and welfare, as perhaps the only Cabinet officers who will improve their financial status.

Laird makes $30,000 as a Congress member and Finch earns $25,000.

A special White House commission has recommended that the salaries of Cabinet officers be boosted to $60,000, and this would lessen the financial loss considerably for most of the newcomers.

Injured Kansas Back Will Help Coaches

LAWRENCE, Kan. — (NEA) —The University of Kansas football team has lost a promising fullback, but gained a coach.

Steve Lukert, 200-pound junior fullback, has been advised by doctors to pass up football because of a serious leg injury. He will help coach the school's freshman team instead.

Local Motorist Cited In Mishap

An East Liverpool man was cited for improper backing onto the roadway as the result of an accident Saturday noon on the Y. & O. Rd., about a mile south of Route 267.

Clyde Earl McGaffic, 66, of Sunnyside Ave. backed a 1960 truck out of a private drive, into the path of a northbound auto operated by Sarah Margaret Rose, 28, of Grimms Bridge Rd.

The Rose woman, unable to stop, swerved her auto to the left to avoid the truck, then went into a ditch to avoid a southbound auto.

McGaffic was cited on the improper backing charge.

There were no injuries. There was moderate damage to the left front of the Rose vehicle.

Installation Held During Yule Fete Of Ruritan Club

GUILFORD — Officers were installed when the Guilford Ruritan Club held its Christmas party and "Ladies Night" Saturday at the hall.

Inducted by Floyd Lower, a past national president, were Richard Broomall, president; Richard Andrus, vice president; Robert Greenawalt, secretary, and Arthur Edling, treasurer.

Allan Blackburn, program chairman, presented a barbershop quartet comprised of Arthur Kibler, Carl Alesi, Walter Kaiser and Glen Bartholow.

Group singing of carols was led by Carl Humphrey, with Mrs. Emmett Caldwell at the piano.

A gift exchange was held.

Dinner was served by the Women's Activity Committee. The hall was decorated with holly and pine, lights and a lighted tree. The tables followed the Yule theme.

The four centerpieces, made of frosted pine, candles and angels by James Baxter, were presented to Mrs. Max Houlette, Mrs. Lower, Mrs. Joe Yovanovic and Mrs. Allen Blackburn.

Mr. and Mrs. Lower and Mr. and Mrs. Caldwell were guests.

Community Sing Set Wednesday At Salineville

SALINEVILLE — The annual Salineville area community carol sing will be held Wednesday at 7:30 p.m. at the Citizens Bank parking lot under auspices of the Salineville Ministerial Association.

Featured will be the "Stanton Hi Triple Trio."

Refreshments will be provided by the bank and movies will be screened at the grade school auditorium.

Winslow Homer (1836-1910) was the foremost painter of American seascapes.

Illicit Harvest Ahead

Chief Warns Of Rackets That Plague Yule Season

Police Chief A. J. Radeschi today warned businessmen and householders to be alert against the burglars, thieves, con men and drifters of all sorts who take advantage of the hustle and bustle of the holiday season to reap an illicit harvest from the unwary.

The chief issued a list of precautions which he said will help prevent many from being victimized.

—:—

BUSINESSMEN and their clerks should be especially alert against passers of counterfeit bills and fraudulent checks, he warned. Knowing the sales personnel are distracted and tired, the con artists often take advantage of the holiday rush to ply their trade, he said. Checks should not be cashed unless the employes are absolutely certain of the person's identification, the chief said.

If a clerk suspects he has been handed a phony bill or a bad check, he should delay the passer long enough to allow someone else to notify the police department. Short-change artists also ply their trade in the yearend rush, confusing a clerk with patter and a switch of bills as change is being made for a small purchase.

Shop - lifting probably represents the biggest individual loss to retailers and the best remedy is an alert sales force ready to question any suspicious character who appears to be pilfering merchandise. Shoplifters usually try to work where they can be free of observation, so a well-staffed store is a deterrant against thievery.

Before locking up their stores for the night, businessmen should make a thorough check of the premises — particularly out - of - the way places like stockrooms and washrooms — to make certain that a thief is not lurking there, awaiting a chance for an after - hours foray.

Businessmen should not leave large sums of money in a store overnight, even in a supposedly secure safe, because such an act is an invitation to burglars. The businessman should call the department for an escort to a bank's night depository.

Women shoppers should not carry large sums of cash in crowded stores or on busy sidewalks, because the pocketbooks are an invitation to thieves. Most purse thefts occur in the shopping season when a woman places her pocketbook on a counter, turns to examine merchandise, and then discovers it has been stolen.

—:—

SHOPPERS should not place piles of packages in plain view in a parked car, even if it's locked, because a skilled burglar can open a locked car in seconds. The packages should be locked in the trunk, out of sight. Shoppers should park in well - lighted areas whenever possible as a deterrant to thieves.

When leaving home for a holiday evening visit, a family should make certain that all the doors and windows are locked and that several lights are left burning to give the impression the home is occupied. The garage doors should be left closed, because an open, vacant garage and a dark house form a perfect tipoff to burglars.

Many other rackets crop up at Christmas time, including the phony "C.O.D. package" scheme that was tried in East Liverpool Thursday.

A housewife answered a knock at the door and found a blue - uniformed man holding a package that he said belonged to the family next door. Passing himself off as a deliveryman, the stranger said there was a $17 charge due on the package, but the family next door was away.

The housewife offered to pay the charge, but said she would write a check. When she went to find her checkbook, the "deliveryman" disappeared.

Police would have been able to apprehend the man if the woman had obtained the license number of his vehicle, the chief pointed out.

He asked the public to notify the department immediately if suspicious actions are observed around the home of an absent family or in the area of a store after business hours. Informants' names always are kept confidential, Radeschi pointed out.

Cabinet Secretary Draws $35,000

Most Of Nixon's Cabinet Will Suffer Salary Cuts

WASHINGTON (AP) — Though the wealth of the Nixon cabinet won't match that of the "nine millionaires and a plumber" of the original Eisenhower Cabinet, most of its members will suffer pay cuts by coming to Washington.

A Cabinet secretary draws $35,000 a year. The men picked by President-elect Nixon from banking, law and the construction industry have been doing a lot better than that. Most of the public officials and educators he chose have been doing about as well, and only two of the appointees are likely to improve their financial status.

Nixon himself reportedly drew an income of around $200,000 a year as a senior partner in a New York law firm. That gives some kind of clue to the income of the incoming attorney general, John N. Mitchell, who was a senior partner in the same firm.

Something like that income level probably can be ascribed to William P. Rogers, who will be secretary of state.

The long-time Nixon friend and former attorney general is a member of another major law firm of New York and Washington, serving wealthy corporate clients.

Two of the three governors who will come to Washington did not improve ther paychecks. The state of Michigan pays its governor $40,000 or $50,000 more than George Romney, former head of American Motors Corp., will make as secretary of housing and urban development.

John A. Volpe makes $35,000 as governor of Massachusetts. But salary is not Volpe's foremost worry for this one-time hod carrier and carpenter organized a multimillion dollar construction operation that bears his name.

The Cabinet's two bankers also would do better financially to stay out of government.

David M. Kennedy's bank, biggest in Chicago and eighth biggest in the country, pays him far more than he will get from the U.S. Treasury. Maurice Stans, a former budget director under President Eisenhower, also will find it unnecessary to scrimp to get by on his Secretary of Commerce pay. He was president of Western Bancorporation in Los Angeles, and, more recently, president of the New York banking house of Glore, Forgan, William R. Staats.

Even the Cabinet officers drafted from the traditionally poorly paid ranks of educators are not bettering themselves noticeably, if at all.

Clifford M. Hardin, incoming secretary of agriculture, makes $35,000 as chancellor of the University of Nebraska.

The University of Chicago refuses to tell the salary of George P. Shultz, who will be secretary of labor. But professors' pay ranges up to $30,000 and Shultz as dean of the graduate school of business presumably gets more.

Winton M. Blount, who will be postmaster general, now draws zero salary as president of the United States Chamber of Commerce. But Blount won't be hurt by the Washington assignment because he presides over a vast contracting empire, Blount Brothers Corp.

Gov. Walter J. Hickel of Alaska draws only $27,500 in gubernatorial pay, but he also is a builder and developer and reputed to be a millionaire.

That leaves Rep. Melvin Laird, who will be secretary of defense, and Lt. Gov. Robert H. Finch of California, who will be secretary of health, education and welfare, as perhaps the only Cabinet officers who will improve their financial status.

Laird makes $30,000 as a Congress member and Finch earns $25,000.

A special White House commission has recommended that the salaries of Cabinet officers be boosted to $60,000, and this would lessen the financial loss considerably for most of the newcomers.

Injured Kansas Back Will Help Coaches

LAWRENCE, Kan. — (NEA) —The University of Kansas football team has lost a promising fullback, but gained a coach.

Steve Lukert, 200-pound junior fullback, has been advised by doctors to pass up football because of a serious leg injury. He will help coach the school's freshman team instead.

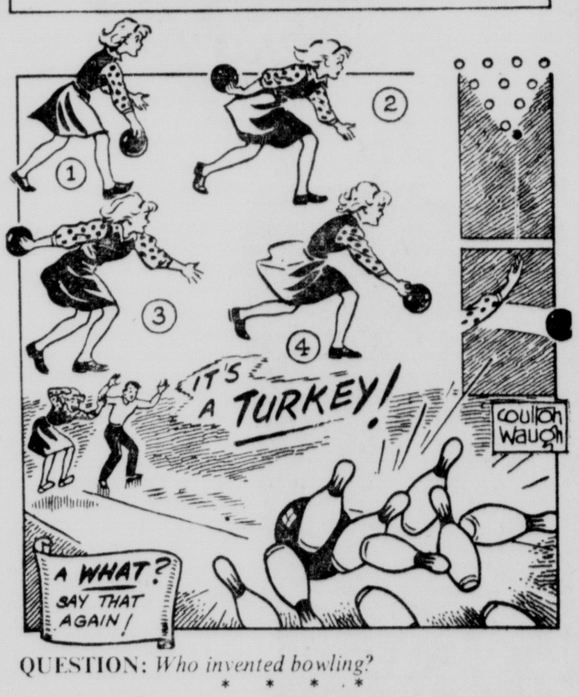
Junior Editors Quiz on BOWLING



QUESTION: *Who invented bowling?*

* * * * *

ANSWER: In the grave of an Egyptian child who died in 5200 B.C., a British Egyptologist, Sir Flinders Petrie, found implements for playing a game very much like bowling. We can't give an exact date for the origin of modern bowling, but the game is very old. By the 1100's, bowling had started in England; by the 1300's, the Germans were playing it. Martin Luther set the number of pins in the game at nine. The Dutch brought the game (skittles to them) to New Amsterdam (N. Y. City) in the 1600's. It spread to New England and soon there was much gambling on the game. The Connecticut legislature placed a ban on "bowling at nine pins." To get around this law a 10th pin was added. Our illustration shows the approved position of the ball during the four steps most bowlers take before they start the ball across the "foul line" on its way toward the pins. Marge has knocked down all the pins in the bottom picture, making a strike. A turkey is a strike three consecutive times.

(Linda Johnson of Merrill, Wis., wins a prize for this question. You can win $10 cash plus AP's handsome World Yearbook if your question, mailed on a postcard to Junior Editors in care of this newspaper, is selected for a prize.)

ANN LANDERS

In-Laws Trouble Widow

By Ann Landers

Dear Ann Landers: My husband was killed in Vietnam two months ago. I have a 2-year-old son and a 7-month-old daughter. The girl never has seen her daddy. Little Chris is a dear, loving lad who is the image of his father.

The problem is with my in-laws. My husband was their only son and they're understandably shattered over his death. The day after the funeral my mother-in-law embarked on a campaign to get little Chris away from me. She and her husband are in their early 50s, in good health and financially well set.

They tell me I cannot raise a boy without a father, that he needs the influence of a male if he is to be normal. They insist I owe it to little Chris as well as to my husband's memory to give this child to them. They say I have the daughter to appease my loneliness and they have no one.

Please, Ann, tell me what to do. — DROWNING IN TEARS.

Dear Tears: I feel sorry for your in-laws but what they are asking is unreasonable and unjust. Discuss this problem with a clergyman and suggest that your in-laws do the same. They need to fill the void in their life and perhaps taking a foster child or two might be the answer.

Admiring Fans

Dear Ann: I just read the letter from the Cleveland woman who did everything under the sun to lose weight but found nothing that worked until she tried the pills suggested by a friend. Her problem: The druggist insisted on taking her in the back room twice a week to feel her muscle tone.

Please, Ann, give me that lady's address. When I read that she had lost 15 pounds and felt like a million dollars, I turned green with envy. I've tried dozens of diets. After I take off 5 pounds I go hog wild, eat everything in sight and gain back 8.

Also, will you give me the name of the druggist? I think it's wonderful that he takes such an interest in his customers. I'd like to buy my pills from him. Thank you. — TOO MUCH ME.

-:-

Dar Too Much: So sorry, but I never reveal the identity of those who write to me. At least 200 gals have asked for that woman's name and address. You, however, are the first to ask for the name of the druggist.

Silly Syllable

Dear Ann: My sister-in-law was not graduated from high school and is sensitive about it. To compensate, she uses six-syllable words — invariably in the wrong way.

Since the heart transplants she has become a self-styled authority on medicine and has been diagnosing all over the place. Yesterday she told me my son should be isolated because he has conjunctivities. I learned today our laundress has vitiligo. And I, would you believe, has a sebaceous cyst on my cheek, which I thought was only a pimple.

Is there a cure? For HER, I mean? — O. CITY.

-:-

Dear O: Your sister-in-law sounds like a cervicodynia — medical term for pain in the neck, and there's no known cure for these types. Relief can be obtained, however, by reducing contact with the irritant.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a self-addressed, stamped envelope.

Leave Politics To Saigon, Hanoi

Clark Advocates Troop Withdrawal In Vietnam

WASHINGTON (AP) — Secretary of Defense Clark M. Clifford says the United States should negotiate an early Vietnam ceasefire and troop withdrawals, leaving the political settlement to Saigon, Hanoi and the Viet Cong.

"I have no idea that we should maintain 540,000 (American) men there fighting," Clifford said Sunday, "while we wait for Saigon and Hanoi to come to some political settlement."

Clifford also said a possible new enemy offensive in South Vietnam would not wreck the Paris peace talks, noting President Johnson had foreseen "hard bargaining and hard fighting ahead."

The defense secretary was interviewed on the CBS radio-television program "Face the Nation."

He suggested the U.S. role at the Paris talks should be limited to military matters and the more time-consuming political settlement should be left to the Vietnamese, including the Viet Cong's National Liberation Front.

"Now, I say that the political settlement is a matter between Saigon and Hanoi and the NLF," Clifford said. "Our military problem involves North Vietnam . . . I say the military settlement should come first."

The secretary expressed repeated annoyance with the prolonged dispute at Paris over seating of the four delegations. He said the squabbling is between Hanoi and Saigon, not involving the United States.

"I would like to get going at the Paris conference," he said.

There is some indication the enemy may decide this month or next to launch a new "winter offensive" in the South, Clifford said.

He said there are indications of an enemy buildup, particularly in the Third Corps area in which Saigon is located.

But Clifford said such an offensive would not violate the agreement under which President Johnson halted bombing of North Vietnam, and noted that both sides have continued ground fighting since Johnson's announcement.

He said the major U.S. concern was infiltration across the Demilitarized Zone that would increase the jeopardy to U.S. troops, and said Hanoi is not believed to have violated that part of the agreement.

3 Measures Due Study By Council

At least three pieces of new legislation are slated for action by City Council at its second December meeting tonight at 8.

Council is due to study legislation authorizing the Board of Public Utilities to advertise for bids and enter into a contract for purchase of a new billing and receipting machine for use of the water and sewage department offices. The cost has been estimated a approximately $8,700.

Council also will study legislation authorizing the utility board to hire an engineering firm to begin preliminary planning for construction of a new million - gallon water storage tank on Henry Ave. in the vicinity of two existing standpipes. Cost of the tank project has been estimated at $500,000 in previous conferences between the board and Council.

Solicitor J. Michael Kapp said an ordinance also may be presented calling for routine year-end fund transfers in various departments.

Personalities In The News

SANTA CLARA, Calif. (AP) — An honorary doctor of laws degree was bestowed on Sen. Edward M. Kennedy, D-Mass., by the University of Santa Clara.

The ceremony Sunday was scheduled for Kennedy Mall but moved inside a building because of rain. The mall, dedicated in 1966 to the memory of President John F. Kennedy, was renamed Sunday as a memorial to both John and Robert F. Kennedy.

TUCSON, Ariz. (AP) — Wes Gallagher, general manager of The Associated Press, has been chosen to receive the University of Arizona's John Peter Zenger Freedom of the Press Award.

The announcement was made Sunday by Richard A. Harvill, university president. An award luncheon will be held Jan. 11.

The award, established in 1954, is presented annually for "distinguished service to freedom of the press and the people's right to know." Gallagher was chosen in balloting by 75 editors and publishers.

BOSTON (AP) — Speaker of the House John W. McCormack, 76, who was forced to drop out of high school at age 13 because of the death of his father, is now a member of a college fraternity.

Phi Alpha Tau, a fraternity with chapters at Emerson College and Suffolk University, made McCormack an honorary brother Sunday in a service at Emmanuel Church.

NEW YORK (AP) — Archbishop Terence J. Cooke of New York, carrying on a tradition begun by Francis Cardinal Spellman, left today to spend the holidays with American troops, including Christmas in South Vietnam.

HOLLYWOOD (AP) — Barbra Streisand and Fred Astaire were named Stars of the Year Sunday night by the Hollywood Women's Press Club and received the club's Golden Apple awards for 1968.

Grange Conducts Its Yule Meeting At West Point

WEST POINT — The annual Christmas meeting was held Friday night by the West Point Grange.

The program, presented by Mrs. Lloyd Smith, lecturer, included: Song, led by Mrs. Ralph Cusick; a Christmas story from the second chapter of Matthew; "Legend of the Christmas Plants," Mrs. Phillip Carnes, Mrs. Jack Pozenel and Mrs. Charles Snyder; readings, Mrs. Joan Malone.

Roll call was answered with "the funniest or oddest gift I ever received."

Christmas memories from the White House and other miscellaneous items were given by Mrs. William Martin.

"Happy Birthday" was sung for those with December birthdays.

Lunch was served by the Women's Activity Committee and a gift exchange was held.

The next meeting will be Dec. 27, followed by degree team practice.

Santa and the HIPPIES

By LUCRECE BEALE

Synopsis: Ding Dong paints a psychedelic portrait of the Black Witch with his hippie finger paints. She is so pleased she gives him the black thread.

CHAPTER 13

Ding Dong flew back to the Butterfly Kingdom and gave the black thread to the Butterfly Queen.

"You have done well," she said. "But, alas, the red thread spun by the Red Witch will be even harder to get."

She told him the Red Witch lived in the red jaws of a monster where she pined away her days because the monster was in love with her and would not let her go.

The monster loved the Red Witch because she could sing and play the harp and cello and piccolo and many other instruments. Her music intoxicated the monster. He kept the Witch a prisoner in his jaws where she had to play and sing night and day.

—:—

HE GAVE her furs and jewelry and furnished his jaws with fine china and silver and the best of musical instruments. He even supplied a spinning wheel made of gold to keep her hands busy while she sang. But he never let her out of his jaws at all.

When Ding Dong heard the story he picked up his bag of hippie gifts and flew away to the seaside where the monster lived.

The monster's eyes were closed. He was listening dreamily to the Red Witch inside his jaws playing a Sonata in B Minor on the harpsichord.

Every now and then the monster ducked his head in the nearby sea, opened his jaws and took in a supply of fish for the Witch and himself. The Red Witch could not escape because she could not swim.

But Ding Dong watched his chance and the next time the monster opened his jaws under water Ding Dong was there waiting and he swam in with the fish.

—:—

THE RED WITCH was so startled to see him her fingers slipped on the harpsichord keys hitting A sharp instead of A flat and causing the monster to shake his head in alarm.

The Red Witch told Ding Dong he was the first person she had seen in a hundred years but when Ding Dong said he had come for a piece of the red thread she spun she shook her head.

"It is all I have," she said, pointing to the thread wrapped around her waist. "Every night when he goes to sleep I spin a bit. When I have enough I will use it to pull out his teeth and escape. It is my only hope."

The monster gargled suddenly. "That is my signal to sing, 'Lo, Here the Gentle Lark,' " the Red Witch sighed. "He must hear it to soothe his digestion after every meal."

"Wait," said Ding Dong.

He took the hippie record out of his bag and put it on the phonograph.

—:—

AN INSTANT later the Hippies of Hippieville let rip with "Ring Pong Kerchoo There's an Oyster in My Bed Room Slipper but no Hiddley Moo in My Stew." They beat out the tune with fry pans and fire alarm bells.

The red jaws of the monster rocked and shivered and splintered and quivered and suddenly exploded as the monster opened his mouth to scream in pain.

Ding Dong and the Red Witch rushed out of the red jaws and fled across the fields until they were sure they were safe.

The Red Witch was overjoyed. She unwound the red thread from her waist and gave it to Ding Dong saying, "It is yours, I'll never need it now thanks to you!"

Fire Set At Kansas State

Disorders Still Plaguing Campuses Across Nation

By The Associated Press

Uniformed ROTC students patrolled Kansas State University for a second night Sunday while California's College of San Mateo was ordered reopened "as an armed camp."

The Kansas fire marshal Arthur Ramey, said a blaze which destroyed Nichols Gymnasium at Kansas State Friday had been "a set fire." He also confirmed that an ROTC guard had scared off someone apparently pouring a liquid at the base of Farrell Library early Sunday.

A foreign substance found there was being analyzed.

The patrols were ordered at the Manhattan, Kan., campus after the four-hour gym fire. Officials said a threat was made Thursday night to burn the university unless students were given more say about university policy. Two other arson threats have been received by university personnel.

At San Mateo, the two-year school was ordered reopened today following a rampage Friday by about 150 students, mostly Negroes.

A sizable police force has been given instructions to bar from the campus anyone without proper identification. Declaring that "a firm stand must be taken," college President Robert L. Ewigleben said the school would be "an armed camp."

Friday's violence, which left a dozen persons injured and caused $5,000 damage, followed a rally in support of the student strike at San Francisco State, which was closed for the holidays because of the student disorders.

San Francisco State's trustees have agreed to hear grievances of American Federation of Teachers Local 1352, which had threatened to strike Jan. 6 unless "meaningful negotiations" begin.

The union is demanding better working conditions, more campus autonomy, and resolution of student problems.

The union claims about 250 of the college's 1,100 instructors as members, but has no contract with the institution.

At Washington University in St. Louis, an eight-day occupation by about 40 Negro students of two university offices ended Saturday.

A hearing was scheduled today into the alleged roughing up of a Negro graduate student arrested by four campus police Dec. 5. The incident touched off the protest.

In Boston, police broke up a 90-minute demonstration by several hundred Northeastern University students protesting the rescheduling of classes Jan. 2 and 3. They milled about the campus, throwing snowballs, waving signs and slowing traffic.

Miss Ratkovich Selected Queen At Band's Dance

Debbie Ratkovich was named band queen and Robert Prodonovich was chosen king during the annual Midland High School Christmas dance Saturday night at the high school.

She is the daughter of Mr. and Mrs. Mike Ratkovich of Midland Heights. He is the son of Mr. and Mrs. Joe Prodonovich of Midland Heights.

Miss Ratkovich was crowned by Mrs. Stephen Francis, president of the Band Boosters. The band king presented the queen a dozen roses.

Members of the queen's court included Becky Liberatore, Patty Muslovski and Nadine Vuynovich. The king's court included Gary Spanik, Mike Roknich and Joe Celini.

Dr. Charles Henderson, superintendent of schools; Joel Carr, principal; Ed Schor, band director, and Mrs. Schor were guests.

"The Stereotypes" provided music.

Only three cities in the United States had populations of more than 300,000 in 1866 — New York, Philadelphia and St. Louis.

Youngstown Youth Killed During Fight

YOUNGSTOWN, Ohio (AP)—A Youngstown boy was killed, his step - brother shot and wounded and two other Youngstown brothers injured in a gunknife fight Sunday night at a grocery store.

Police identified the dead man as Donald Scott, 18, who suffered a gunshot wound in the back.

His step - brother, Joseph Woodbury, 7, was reported in fair condition at St. Elizabeth Hospital with a gunshot wound in the right leg.

Two of three other brothers involved in the fight were treated at North Side Hospital. They were Yasir Suleman, 29, who suffered a knee injury and cut over his lip, and Taha Suleman, 28, who had bruises on the head.

Their brother, 26-year-old Isa Suleman, the owner of the Save More Market, was being held for questioning.

Police said a group of boys caused a disturbance at the store late Sunday afternoon and that Isa Suleman chased them out.

Woodbury returned later with his step-brother and a fight ensued.

HINTS FROM HELOISE

Try Pre-Warming P. J.'s

Heloise

DEAR FOLKS: Seems that no matter what part of the country you live in, some nights it gets cold or someone gets sick and goes to bed early.

So here's a really hot idea that I hope you will try if you have an electric blanket.

Turn that electric blanket on 30 minutes or so BEFORE going to bed. This will warm up the sheets so you won't be crawling into an ince cold bed. Brrr!

The other night it got mighty cold and I did just that! But then I had a brainstorm. Why no put our pajamas and nightgowns BETWEEN THE SHEETS and see if they would get warm, too.

I figured that after all, we warm our babies' blankets in front of the fire 'fore we wrap 'em up. And I remembered how my sweet mother used to hold our sleepers and heavy underwear near the stove before she put them on us . . .

Our pajamas warmed under the electric blanket like a million, and oh how warm and cozy it was!

Then another idea for mothers came to me:

If you have a baby in diapers and change him during the night . . . wouldn't it be nice to replace that wet diaper with a dry, WARM one? He's probably cold, you know.

You can do this by keeping a few diapers on top of your electric blanket. If you don't have an electric blanket, you could do the same thing with an electric heating pad by laying the diaper on top, or wrapping it around the pad.

You could even tuck those diapers and small sleepers in the cap of your hair dryer. With it turned on high for a few minutes, they will get warm in a jiffy.

Those little ones will love you dearly for it.

But . . . don't forget yourself. Why not spoil little ol' you too? You deserve it the mostest!

HELOISE.

DEAR HELOISE: During a party we never have sufficient spaces in our hall coat closet. My fifteen-year-old son suggested using his chinning bar across the doorway of my **bedroom closet for hanging our guests' coats.**

It really does the trick. The coats are out of the way and don't get wrinkled.

MRS. NICKSSLATER.

DEAR HELOISE: All brides are entitled to do one dumb thing.

Here's mine:

I put on stew meat to boil for hours and when it was time to add vegetables I removed it from the stove and was just about to pour all the broth down the kitchen sink when my husband started yelling, "What are you doing?"

I answered, "Pouring off this dirty water and adding fresh before I put in my vegetables!"

I thought, of course, that the purpose of boiling the meat was to tenderize it!

MRS. FRANK STONE.

DEAR HELOISE: My little girls are two and four years old. When I make matching dresses for them out of the same material, I always do a little something to make them different — buttons, facings, lining or piping. And when I hand down a dress, I change it a bit to make it seem newer.

Right now I'm piping a torn facing edge with an old pink corduroy overall strap. The overalls were long since outgrown by both girls. The blue dress was wonderful for the older child's blue eyed, fair-skinned coloring, but did nothing for my little dark-haired gypsy.

So she is getting a bit of pink near her face this way.

I wish you could see the pleasure these little scrap-bag tricks can give these girls!

MARTHA ROST.

DEAR HELOISE: I wrap my fruit cake or fancy breads in foil and store them in clean milk containers in the refrigerator.

Then when I wish to send one as a gift, I take it out, wrap in heavy brown paper and mail in the same carton. Easy as can be.

D.B.

This column is written for you . . . the housewife and homemaker. If you have a hint or a problem write to Heloise in care of this newspaper. Because of the tremendous volume of mail, Heloise is unable to answer all individual letters. She will, however, answer your questions in her column whenever possible.

40 Participate In 'Ladies Night' Event Of Legion

NORTH GEORGETOWN — Forty men and women attended the Columbiana County American Legion Council's "Ladies Night" Christmas party Friday at George Worth Post 574 at nearby Lake Placentia.

John Long of East Liverpool Post 374, council commander, was in charge. The program included the singing of carols and a gift exchange.

Judges were named to determine the winner of the Legion - sponsored Americanism and government essay contest. Results will be announced Jan. 5.

Tenth District officers present were Floyd Swearingen of Massillon Post 221, commander; Charles Summers of Doylestown Post 407, first vice commander; Robert Poynter of East Liverpool Post 4, second vice commander, and Mrs. Robert Poynter of East Liverpool, president of the district Auxiliary.

The Council's next meeting will be Jan. 10 at Columbiana Post 290.

The 10th District winter conference will be held Jan. 11-12 at Massillon and the district bowling tournament is set for Jan. 18 at Arrowhead Lanes in Columbiana.

Hostages Released At Mental Hospital

HOLLYWOOD, Fla. (AP) — A former patient forced his way into a mental hospital Sunday, took three hostages, then surrendered when a newspaper reporter promised to get him more pep pills and treatment.

William Meagher, 24, ended his five-hour siege of the South Florida State Hospital maximum security ward after Rod Gibson of the Miami Herald promised to help him.

While a patient there, Meagher had twice broken out.

The three hostages, guard Edward T. Smith and aides Fred Horton and Raymond Dorry, were released unhurt.

Youngstown Youth Killed During Fight

YOUNGSTOWN, Ohio (AP)—A Youngstown boy was killed, his step - brother shot and wounded and two other Youngstown brothers injured in a gun-knife fight Sunday night at a grocery store.

Police identified the dead man as Donald Scott, 18, who suffered a gunshot wound in the back.

His step - brother, Joseph Woodbury, 7, was reported in fair condition at St. Elizabeth Hospital with a gunshot wound in the right leg.

Two of three other brothers involved in the fight were treated at North Side Hospital. They were Yasir Suleman, 29, who suffered a knee injury and cut over his lip, and Taha Suleman, 28, who had bruises on the head.

Their brother, 26-year-old Isa Suleman, the owner of the Save More Market, was being held for questioning.

Police said a group of boys caused a disturbance at the store late Sunday afternoon and that Isa Suleman chased them out.

Woodbury returned later with his step-brother and a fight ensued.

HINTS FROM HELOISE

Try Pre-Warming P. J.'s

DEAR FOLKS: Seems that no matter what part of the country you live in, some nights it gets cold or someone gets sick and goes to bed early.

Heloise

So here's a really hot idea that I hope you will try if you have an electric blanket.

Turn that electric blanket on 30 minutes or so BEFORE going to bed. This will warm up the sheets so you won't be crawling into an ince cold bed. Brrr!

The other night it got mighty cold and I did just that! But then I had a brainstorm. Why no put our pajamas and nightgowns BETWEEN THE SHEETS and see if they would get warm, too.

I figured that after all, we warm our babies' blankets in front of the fire 'fore we wrap 'em up. And I remembered how my sweet mother used to hold our sleepers and heavy underwear near the stove before she put them on us . . .

Our pajamas warmed under the electric blanket like a million, and oh how warm and cozy it was!

Then another idea for mothers came to me:

If you have a baby in diapers and change him during the night . . . wouldn't it be nice to replace that wet diaper with a dry, WARM one? He's probably cold, you know.

You can do this by keeping a few diapers on top of your electric blanket. If you don't have an electric blanket, you could do the same thing with an electric heating pad by laying the diaper on top, or wrapping it around the pad.

You could even tuck those diapers and small sleepers in the cap of your hair dryer. With it turned on high for a few minutes, they will get warm in a jiffy.

Those little ones will love you dearly for it.

But . . . don't forget yourself. Why not spoil little ol' you too? You deserve it the mostest!

HELOISE.

DEAR HELOISE: During a party we never have sufficient spaces in our hall coat closet. My fifteen-year-old son suggested using his chinning bar across the doorway of my bedroom closet for hanging our guests' coats.

It really does the trick. The coats are out of the way and don't get wrinkled.

MRS. NICKSSLATER.

DEAR HELOISE: All brides are entitled to do one dumb thing.

Here's mine:

I put on stew meat to boil for hours and when it was time to add vegetables I removed it from the stove and was just about to pour all the broth down the kitchen sink when my husband started yelling, "What are you doing?"

I answered, "Pouring off this dirty water and adding fresh before I put in my vegetables!"

I thought, of course, that the purpose of boiling the meat was to tenderize it!

MRS. FRANK STONE.

DEAR HELOISE: My little girls are two and four years old. When I make matching dresses for them out of the same material, I always do a little something to make them different — buttons, facings, lining or piping. And when I hand down a dress, I change it a bit to make it seem newer.

Right now I'm piping a torn facing edge with an old pink corduroy overall strap. The overalls were long since outgrown by both girls. The blue dress was wonderful for the older child's blue eyed, fair-skinned coloring, but did nothing for my little dark-haired gypsy.

So she is getting a bit of pink near her face this way.

I wish you could see the pleasure these little scrap-bag tricks can give these girls!

MARTHA ROST.

DEAR HELOISE: I wrap my fruit cake or fancy breads in foil and store them in clean milk containers in the refrigerator.

Then when I wish to send one as a gift, I take it out, wrap in heavy brown paper and mail in the same carton. Easy as can be.

D.B.

This column is written for you . . . the housewife and homemaker. If you have a hint or a problem write to Heloise in care of this newspaper. Because of the tremendous volume of mail, Heloise is unable to answer all individual letters. She will, however, answer your questions in her column whenever possible.

Game Forces Delay Of Kiddies TV Show

NEW YORK (AP) — The National Broadcasting Co. delayed the start of a kiddies' television show Sunday because a football game ran late, then set back the opening of all the evening's programs by eight minutes.

NBC let the telecast of the San Diego-Oakland American Football League game, a crucial one, run to the end, even though it made the start of the Hickleberry Finn show eight minutes late.

Earlier this season NBC received a bundle of complaints when it cut off more than a minute of a New York Jets-Oakland game which was decided in the last 60 seconds.

A network spokesman said of Sunday's delay, "I can't remember when we've done anything like this before. It's very unusual."

Noted Horned Owl Claimed In Florida

LAKELAND, Fla. (AP) — 02, a horned owl called the most loved bird in Pennsylvania after being petted by an estimated 135,000 persons in 10 years at Washington Crossing State Park, died here Sunday.

The owl was owned by Dr. Paul H. Fluck, who directed the nature education center at the state park. "02" was shot early in his 12 years of life and was unable to fly.

"He thinks that all people do is go around petting owls because he's never seen them do anything else," Fluck once said.

Fluck brought the owl to the Lakeland area about three weeks ago and toured Polk County schools with 02 perched on his shoulder during nature education talks.

Game Forces Delay Of Kiddies TV Show

NEW YORK (AP) — The National Broadcasting Co. delayed the start of a kiddies' television show Sunday because a football game ran late, then set back the opening of all the evening's programs by eight minutes.

NBC let the telecast of the San Diego-Oakland American Football League game, a crucial one, run to the end, even though it made the start of the Hickleberry Finn show eight minutes late.

Earlier this season NBC received a bundle of complaints when it cut off more than a minute of a New York Jets-Oakland game which was decided in the last 60 seconds.

A network spokesman said of Sunday's delay, "I can't remember when we've done anything like this before. It's very unusual."

Noted Horned Owl Claimed In Florida

LAKELAND, Fla. (AP) — 02, a horned owl called the most loved bird in Pennsylvania after being petted by an estimated 135,000 persons in 10 years at Washington Crossing State Park, died here Sunday.

The owl was owned by Dr. Paul H. Fluck, who directed the nature education center at the state park. "02" was shot early in his 12 years of life and was unable to fly.

"He thinks that all people do is go around petting owls because he's never seen them do anything else," Fluck once said.

Fluck brought the owl to the Lakeland area about three weeks ago and toured Polk County schools with 02 perched on his shoulder during nature education talks.

After Bout With Cancer

Rosenberg Begins Role As 7th Fleet Commander

By EDWIN Q. WHITE
Associated Press Writer

SAIGON (AP) — Edwin W. Rosenberg refused to believe the doctors who told him 23 years ago he would die of cancer. Today, a rear admiral, he commands the 7th Fleet Amphibious Force in Vietnam.

A 1942 Annapolis graduate, Rosenberg was invalided out of the Navy in 1945 when doctors found cancer after his return from World War II duty as a navigator on an aircraft carrier.

Between 1946 and 1950 he survived four bouts with cancer even after doctors who found a growth in his kidney told him, "You've got two weeks to live."

"Let's get started with the X-ray treatment," he told doctors at Chelsea Navy hospital in Boston. The Xrays worked and the cancer was burned out.

His life saved, Rosenberg set about saving his career. Twice he convinced the Navy retirement board he was cured. However, each time the doctors found another cancer, in the groin for the second time and in the neck.

But Rosenberg, who from his boyhood in Sarpy County, Neb., had wanted to be a naval officer, did not give up. He continued with the X-ray treatments and kept fighting to get back into uniform.

By September 1948 he had talked the Navy into giving him temporary duty as an instructor at the Naval Academy. This was progress, but he was still on the retired list.

Rosenberg asked for active status again.

"Not a chance," he was told. "It would take an act of Congress."

He went after that act of Congress. Sen. Bourke B. Hickenlooper, R-Iowa, introduced the measure and in September 1950 President Harry S. Truman signed it.

In 1952 Rosenberg took command of his first ship, the destroyer J. Douglas Blackwood.

On Sunday, Rosenberg relieved Rear Adm. Paul L. Lacy Jr. as commander of the 7th Fleet unit. Rosenberg came to Vietnam from Honolulu where he was the Pacific Fleet's deputy chief of staff for logistics, personnel and administration.

Lacy goes to Washington to head a new department of submarine design.

Ducek Seen Remaining As Czech Chief

PRAGUE (AP) — Fears of a new political upheaval in Czechoslovakia subsided today with the news that the Communist party will keep Alexander Dubcek as its chief and will go ahead with a limited program of economic reforms.

The party central committee, which met last week, gave Dubcek, National Assembly Chairman Josef Smrkovsky and other progressives in the party leadership more time to amend party policy.

Workers and students met throughout the weekend preparing strikes and other protest actions if their more liberal favorites were deposed. But there was no mention of any leadership changes in the committee resolutions published today, and informed sources said there were none.

One resolution said, "The party takes the main line in the sphere of economic policy to be continuation of economic reforms which have been started."

But the resolution made clear that the economic program would be a delayed, weaker version of the plans made before the Soviet invasion Aug. 20.

It said the party would lay down a mandatory schedule for the reforms so that the central committee might discuss the document by mid-1969. In effect this shelved action for some six months.

There was no mention of the earlier more ambitious plans for widespread use of profit motive incentives and free market regulation of prices by supply and demand. Instead it said only that some factories and some industries would be freed from some dictates of the central planners.

The resolution called for both closer economic ties with the Soviet Union and for more trade with the capitalist West. Trade with the West was a major feature of the pre-August reform plans. But the resolution put more stress on the stronger cooperation with the Soviets.

A second resolution paved the way for the new federal government that takes over when Czechoslovakia becomes a federation after the first of the year with separate Czech and Slovak states.

Educator Claimed

TOTNES, England (AP) — Dorothy Whitney Straight Elmhirst, 81, a founder of The New Republic magazine and various educational projects, died Saturday at Dartington Hall in Devon, which, with her husband, she turned from a roofless ruin into one of Britain's leading coeducational boarding schools. Mrs. Elmhirst was the daughter of William C. Whitney, American financier, and the widow of Willard Straight, with whom she founded the New Republic.

N.Y. Police Attacked In Times Story

NEW YORK (AP) — "Cooping," or sleeping on duty, is a common practice among New York City policemen, the New York Times reported today.

After the story appeared, a police department spokesman said there would be "no equivocation" in cracking down on those guilty of the practice, or on superiors who tolerate it.

"Any allegations substantiated showing that policemen are not performing their duties will result in appropriate disciplinary action," said Jacques Nevard, deputy police commissioner for press relations.

The Times' account said:

—So many policemen sometimes disappeared into their "coops," especially during the predawn hours, "that the response time of the police department, as well as regularity of its patrol, are affected."

—The story was based on "scores of interviews and a number of late-night inspection tours" and detailed incidents of patrol cars parked for hours, sometimes in clusters, with occupants sound asleep. Foot patrolmen frequently use fire houses, hospitals and funeral homes as "coops."

—"Some patrolmen carry pillows and alarm clocks under their coats when they go on duty to make sure their rest is comfortable and that they do not oversleep." "It is considered a good joke in the department to distract a man for a moment and to set his alarm clock for 11:55 so it will go off while the platoon is being inspected by the lieutenant just before it goes on duty."

Wellsville Club Sets 'Ladies Night' Party

A "Ladies Night" Christmas party will be held by the Wellsville Kiwanis Club Tuesday at 6:30 at Meade's Restaurant.

Officers will be installed by Lt. Gov.-Elect Dan Myers, who also will provide the entertainment.

Gifts for the County Welfare Children's program will be collected. Each person is to bring a gift marked boy or girl, along with the approximate age.

Censorship Clamped On Brazil Press

RIO DE JANEIRO (AP) — Brazil was outwardly calm today but censorship restricted the press and radio for the third day and arrests were reported continuing in President Arthur da Costa e Silva's crackdown on the opposition to his regime and its military backers.

At least 200 persons were reported in custody Sunday, among them some of Brazil's top political journalists and most prominent political figures.

Some reports said the government would suspend the political rights of its opponents. Some militant students and opposition politicians were reported in hiding.

But the country's major cities showed little sign of tenseness. Thousands of Rio citizens spent a hot, sunny Sunday at the beach. In Sao Paulo, the state militia held a scheduled parade before thin crowds.

Some tanks and heavy equipment were reported stationed around military headquarters in Rio, Sao Paulo, Brasilia and various state capitals.

The crackdown began Friday night when Costa e Silva suspended Congress and imposed martial law after Congress refused to suspend the immunity from prosecution of a deputy who had criticized the army. The government claimed subversives were trying to overthrow it or frustrate its work.

The influential Jornal do Brasil suspended publication Saturday night "until conditions of liberty are restored," but it was reported late Sunday the Jornal would be on the streets today, although it usually does not publish Mondays.

Jornal Editor Jose Sette Camara, a former ambassador to the United Nations, was among those reported arrested. Its owner, M. F. do Nascimen Brito, was being sought by police.

Plan Outlined For Repair Of Counter Tops

By DOUGLAS TUOMEY

The more expensive covered counter tops usually have the metal edging covering the edges of the linoleum or plastic covering slightly higher and over the edges of the covering itself.

In the less costly equipment, the covering meets the edging but is not held down by it. As a result, frequent soaking with water and detergents causes the edge of the material to bulge, and once this occurs it is almost impossible to make the bulging area lie flat again. Recementing will not hold, as the bulge in the material is well set.

This condition can be cured, however, by a careful job of cutting. Take a razor blade, preferably in a holder, and slice through the bulge at the highest point and right back to the spot where the bulge meets the normal level. Then lap over the two sides of the cut and then carefully draw a line along which to make another cut.

In short, you want to cut out a segment or pie - shaped piece of the bulge so that when the two flaps are laid down again they will meet along the line of the second cut and lie flat on the counter.

After the fit is made, the counter surface should be cleaned of all old cement and glue, and a new cement film should be spread on both counter tops and the underside of the flaps, allowed to set slightly and then pressed firmly into place.

Heavy books or a flatiron should be placed over the seam until the cement has hardened. Any excess of cement which has squeezed out of the cut can be scraped off after the weights are removed. If a piece of waxed paper is placed over the cut before the weights are applied, it will prevent them from sticking to the area.

Children Find Youth Frozen In Cleveland

CLEVELAND (AP)—Charles F. Johnson, 19, of Cleveland was found apparently frozen to death Sunday in a wooded area off Pattison Park on the city's East Side.

The body was discovered by children playing in the area.

Police said there were no signs of violence.

THIS RANCH RAMBLES in two directions — creating an L-shape. So it does not require a large lot and either of the two sides can be used as the front. Plan HA578P also is ideally suited to a corner lot. The 1,608-square-foot layout is the convenient type in which most rooms are entered from the foyer or center hall. In the living room, a stone-faced fireplace is flush with a paneled wall. The family room has a bay window overlooking a patio. An efficient kitchen, with 21 feet of counter top, is adjacent. There is a full basement, and lots of closets in the bedroom wing. Both bathrooms feature a dropped luminous ceiling, in effect a continuous ceiling of light. Steps Urged For 'Freeze'

By DOUGLAS TUOMEY

There are certain precautions to be taken before the really rugged winter months descend with accompanying low temperatures.

To fail to take care of matters often means considerable loss of useful or decorative articles and may well mean heavy expense for repair or replacement.

Among the easy - to - do things are the following: All shrubs or good plants which may be in tubs should be covered with burlap as a protection against the elements. All empty flowerpots or ornamental vases which are to be left outdoors should be turned bottom-up so that they will not hold water — if they contain water and a deep freeze sets in, they will crack.

All large urns or fountains should be drained and covered, and as an extra precaution a few pieces of wood should be inserted in them — a piece of wood will absorb most of the expansion of a solid ice unit and thus prevent the urn from bursting. All outdoor water connections should be disconnected and the tap left wide open.

If there are any expensive shrubs which are in an exposed location, the best thing you could do for them would be to buy a bale of salt hay, break it open and cover the lower portions of the shrubs with it. Salt hay is a wonderful medium for protecting shrubs through the winter and it prevents excessive browning.

If there are any woodlands nearby, boughs of wild scrub pine make an excellent shield for all kinds of shrubbery. The boughs allow sunlight and rain to filter through but break up sharp winds and keep heavy sleet off the shrubbery.

Old burlap bags can be had for a few cents each, salt hay is only a few dollars a bale, and scrub pine boughs are free for the taking in most parts of the country. A complete job of winter preparation can usually be done in one day for the average country house.

Lattice Wall Helps Room

By VIVIAN BROWN
AP Newsfeatures Writer

Indoor plants and lattice are becoming part of architecture in a sense, supplying lightheartedness to many a room that would be dreary without it.

You can make your own lattice wall in a few hours and at a cost of about $15 for six feet by four feet.

This new look is a far cry from the funeral effects that people achieved when they tried to brighten up their homes with plants, sticking long droopy vines on stands in the corners of the room. And it isn't the look of a bay window loaded with African violets.

A little more imagination is involved. For one thing, the combination of plants and trellising ties it into the architecture, and there is the psychological indoor-outdoor association.

—:—

TRELLISING CAN change the entire mood of a room even if you do not add a single prop to it.

A small wall covered with trellising was completed recently by one couple. The one and one-eighth inch lattice is set onto one-by-two clear pine frames. The frame was made at a lumber yard at a cost of $4 (this price varies). The lattice — 264 lineal feet — cost $11.88 for the four by six wall.

The lattice was put on by starting at a corner at a 45 degree angle (this is the easiest way to do it). You use a piece of lattice as a spacer.

Lumber yards will do the entire job, but they may advise that labor costs will be high (the job is time consuming, not difficult). The estimate on this job was $24 labor. It took the do-it-yourselfer two and a half hours. The yard will figure how much lattice is needed, and that is a big help. You cut the lattice after you fasten it.

Cross pieces may bulge slightly in the center. If a few do that, merely staple or nail together, painting over it. It is best to let the frame with lattice set awhile before painting it, for that reason.

—:—

LATTICE MAY be used from floor to ceiling in the corners of the room for a pretty effect. If it is to be used that way, you may find the sizes you need ready-made at nursery shops. It is also pretty used around windows.

If you are using lattice on an entire wall, consider painting the wall background dark green, if it will go with your color scheme. If it doesn't deep red or yellow may give you the results desired, but the green with white really does the trick.

Vines may be trained to grow up lattice if air, light, sun conditions are right for the vines and plants selected, but lattice doesn't really need any props to project its message.

In front of your white trellising you may center plants, high, medium, low (the picnic bench makes a good medium plant stand, wooden foot stools are a good height for low plants, tall plant stands can be used to hold asparagus fern or other trailing greens. Add cherubs, animal figures, statuary, a garden bench, if you wish, alone or with plants.

—:—

YOU MIGHT wish to put a window box type arrangement below the lattice, training the plants to climb the trellis. One woman uncertain of success with vines, used artificial climbing vines and geraniums, planting the real thing below. The idea is that if the real vines do not succeed, she still will have some greenery. She discovered that mixing the two made the artificial one look real.

Whatever you decide to do with your lattice, resist the idea to fasten little pots of plants willy-nilly to the trellis.

Artificial plants have always been distasteful to plant lovers but they've come a long way toward being accented in recent years. The most dyed-in-the-wool gardener can tolerate some of the newer artificial greenery and flowers in winter.

An enormous bowl of colorful anemones was admired at one decorator's home, recently, and she bragged that they were fake. She loves anemones, can't get them all the year round, so why not, she says. She's especially pleased that she can live with them happily, knowing they are fake. One reason is that few people suspect that they are.

It takes only about a minute for a drop of blood to leave a person's heart, circle the body and return to the heart again.

The hand (four inches) is used to determine the height of horses.

Question: I bought some unfinished cabinets which the dealer told me were made of whitewood. A friend of mine who works part-time as a carpenter says it is actually yellow poplar. Can you tell me which of these woods is more expensive?

Answer: Whitewood is another name for yellow poplar.

—:—

QUESTION: We have one of those semi-automatic toasters which rings a bell when the toast is done. Lately, the bell doesn't ring and we have quite a time keeping the toast from being burned. What is the trouble?

Answer: Impossible to be certain from this distance. However, the most common cause of a non-ringing bell, when the toaster is otherwise working well, is a piece of dirt or crumb lodged between the bell and the tiny steel ball that strikes it. Sometimes the obstruction can be dislodged simply by shaking the toaster.

—:—

QUESTION: My neighbor says that window panes should never be cleaned when the sun is shining, but doesn't know the reason. Is this true? If so, why?

Answer: Simply because the rays of the sun make them dry too rapidly and this causes streaking. For the same reason, auto manufacturers advise owners not to clean cars in the direct sunlight.

'Battle Is On,' Steel Reports

CLEVELAND, Ohio (AP) — "A steel price battle is on," says Steel magazine.

"Hot rolled sheets and galvanized sheets were the objects of action last week," the metalworking weekly said. "First, there were four prices for hot rolled sheets; next, there were four for galvanized sheets.

"Several producers raised galvanized sheets $8 a ton. But National Steel Corp., Pittsburgh, countered with a raise of only $4 while it assessed demand for the product.

"Some other producers were holding at the old price. The fourth price was the one on imported material." The latter usually runs 10 to 15 per cent below U.S. prices, Steel said.

Steel noted that in raising prices on hot rolled sheets, U.S. Steel and Bethlehem are incorporating in their base prices the price of certain extras amounting to about $19 a ton.

Fireplace Unattractive? Raised Hearth Could Help

By DOUGLAS TUOMEY

Some houses have a fireplace which is not attractive and no amount of decorating seems to improve it.

It may be too plain or in poor proportion or it may just be homely.

One thought about such a fireplace is to convert it into a raised hearth. This is less work than one might think because everything is there to work with and no large structural changes are involved. You can actually see how the finished job will look by laying the brick wall up dry and observing the effect before going ahead.

The job consists of laying a brick wall, two courses high, all around the edge of the present hearth and then filling in the entire enclosed area with concrete. When the job is completed, the change in most cases has improved the functioning and appearance of the fireplace and in the room as the opening has been made into something different and interesting.

There is always the chance that raising the bottom of the fireplace will interfere with the draft and cause smoking, so the best idea is to lay two thicknesses of brick over the fireplace floor without cementing them together and light a fire to see if the draft has been reduced or interfered with.

If this is the case, and you still want the raised hearth, the difficulty probably can be overcome by installing a hood across the top edge of the fireplace opening. As a matter of fact, a hood might well better the appearance of the fireplace, particularly a hood made of copper or light brass.

The best manner of approaching this piece of work is to buy packaged mortar from the brickwork and make the concrete fill a mix of one part cement to three of sand and five of gravel.

The Latin expression "non compos mentis" means mentally deficient.

New Social Security Booklet Explains Disability Program

A new booklet, "If You Become Disabled," is now available at the Social Security district office at 212 E. 5th St.

Robert Harris, manager here, said copies may be obtained by calling, writing or visiting the office.

The booklet explains the latest changes in the disability insurance program as well as the basic provisions of the law and may help correct a number of misconceptions about the disability program, Harris said.

—:—

AMONG these misconceptions, he noted the following:

That a person has to be "permanently" disabled to qualify for payments. "I cannot emphasize too strongly that this is definitely not the case," Harris said. "Payments may be made to a person who is "temporarily" disabled if he is not expected to recover from his disability for a year or more from the time it forced him to quit work."

A person has to be totally disabled in the sense that he is bedridden or totally paralyzed to qualify for payments. "Again, very definitely not so," Harris said. "The worker merely must have a physical or mental condition that prevents him from doing any substantial gainful work over a period of at least 12 months. There is no necessity that he be drastically incapacitated in order to receive payments."

Harris said the booklet also points out that even though the disabled worker returns to work despite a continuing severe condition, his benefits may continue to be paid during a trial work period of up to 9 months. This will give him a chance to test his ability to work, it was explained.

If, after 9 months, it is decided that he is able to do substantial gainful work, his benefits will be paid for an adjustment period of 3 additional months. And even after that, if the worker has a flareup of his condition that forces him to stop working again, benefits again may be started without any waiting period.

—:—

SINCE AT least five years of covered work in the 10-year period before the disability began are needed if payments are to be made, the young disabled worker who never had a chance to work that long is left out in the cold.

"This has not been so since the 1967 amendments to the social security law," the manager said. "As the booklet points out, a worker becoming disabled before age 24 now needs credit for only 1½ years of work in the 3-year period ending when his disability begins. A worker 24 through 30 needs credit for having worked half the time between 21 and the time he becomes disabled. It is only when he is 31 or older that the five years are needed, but even then the years need not be consecutive or in units of full years."

Harris said that almost 800 disabled workers in Columbiana county and the Chester-Newell area in West Virginia and almost 600 of their dependents are receiving monthly payments under the Social Security disability insurance program.

Chanuka Opened

NEW YORK (AP) — Chanukah, the Jews' eight-day Festival of Lights, began at sundown Sunday.

Traditionally, Jews around the world light a candle each evening to commemorate the victory of the Maccabees over the Syrians in 165 B.C.

Milkman Delivers Woman's Lost Purse

FARMINGTON, Conn. (AP) — A Farmington housewife found a surprise in her milkbox last week. Tucked alongside the milk was a purse she had lost when it fell out of her car.

A note attached explained that a Lincoln Dairy deliveryman Parker Kendell, making his rounds in Hartford early in the morning found the purse and turned it in at the dairy office. There an employe noticed the owner was a customer.

Guard Walks Away, Abandons Prisoner

CUMMINS PRISON FARM, Ark. (AP) — Officials at Cummins Prison farm recently decided they should send a guard with an inmate who drove one of the prison's milk trucks to a nearby town.

A short time later, the inmate called the prison and told officials he had been deserted. The guard wandered off and didn't return.

Hunter Found Dead In Mahoning County

YOUNGSTOWN, Ohio (AP)— Nicolo Mancini's dog was standing guard over him when a search party found the 76-year-old man dead Sunday in a wooded area near his home at Ellsworth in Mahoning County.

The search was started after Mancini and his dog failed to return home from a hunting trip Saturday afternoon.

Cleveland Fireman Dies Fighting Blaze

CLEVELAND, Ohio (AP) — The coroner is to rule on the cause of death of Lt. Dennis J. Connors, a Cleveland fireman for 21 years, who collapsed and died Sunday at the scene of a fire at a West Side home.

Third Battalion firemen said Connors, 55, fell to the pavement and struck his head. They said there was a possibility that he suffered a stroke or heart attack.

Children playing with matches started the fire, which caused damage estimated at $4,500, firemen said.

Mrs. Caroline Wright, Hookstown, 573-9762
Mrs. L. H. Wagner, Georgetown, 573-9329
Mrs. Raymond Scott, Shippingport 643-8329

GEORGETOWN — The Guild of St. Luke's Episcopal Church held its annual Christmas party and gift exchange at the home of Mrs. Richard Trimble, with Mrs. John Mackall associate hostess.

Devotions were led by Mrs. Samuel Laughlin, president, with Christmas readings featured. The Rev. Philip D. Schaefer, rector, gave the opening prayer.

The next meeting will be Jan. 8.

The Jolly 10 Sewing Club held its Christmas luncheon and gift exchange Tuesday at Laughlin's dining room. Mrs. Dean Laughlin presided.

After the luncheon, the members went to the home of Mrs. Laughlin for a Christmas program, which included singing of carols, with Mrs. Laughlin at the organ.

The names of "capsule sisters" were revealed and new names chosen.

Officers for 1969 include Mrs. Charles Freshwater, president; Mrs. Ralph Stewart, vice president, and Mrs. Harry Chapman, secretary - treasurer.

The charter meeting of the WSCS of the Bethel United Methodist Church was held at the church, with Miss Blanche Shively of Beaver presenting the charter to the group and also leading in devotions.

Guests were Mrs. Herbert Bish and Mrs. Harold Ivell of Beaver. The late Rev. Herbert Bish was former pastor of the Bethel church.

Mrs. Lloyd Beal was in charge of the meeting and Mrs. Robert Ryan was hostess for the social hour.

The Good News Choir will go caroling Tuesday, with a pizza party to follow at the church. The young people have donated money to the Pittsburgh Children's Home and the Mt. Lebanon Home for the Aged.

A hymn sing was held recently at the church, with the Frankfort Springs Choir participating in the event. Earl Whitehill was leader and Mary Whitehill and Eugene Beal accompanists. Refreshments were served.

VANDENBERG AIR FORCE BASE, Calif. (AP) — The eighth ESSA weather satellite is orbiting the earth, photographing the cloud cover every six minutes.

The 290-pound spacecraft was launched Sunday after being delayed for three days by high winds. A U.S. space agency spokesman said the launch was flawless.

Summitville Area News

SUMMITVILLE — Imitations of personalities, pantomime and humorous skits provided the entertainment for the Women's Civic Club holiday program at the Speirs Community Center Thursday night at 8.

Mrs. Henry Bergfeld was program chairman and Mrs. Peter Marra was narrator. Members of the Civic Club and the audience participated.

Carols were sung and Santa Claus presented the children present with a treat.

Refreshments were served in the basement of the building to more than 100. The building was rebuilt after a fire caused extensive damage two years ago.

The next meeting of the club will be Jan. 9 at the home of Mrs. Peter Marra. A white elephant sale will be held.

Casey Appears Okay After Auto Collision

GLENDALE, CALIF. (AP) — "I'm all right now," says Casey Stengel after being treated at Glendale Memorial Hospital for injuries suffered in a traffic accident. "I feel fairly good. I've just got a slight abrasion on my eye. But I really feel fine.."

The 78-year-old former manager of the New York Yankees and Mets was injured Wednesday. Police said his and another car collided. The other driver, Elsie Rickey, 27, suffered knee injuries but was not hospitalized.

College Students Held In Entry Of Charleston Store

CHARLESTON, W.Va. (AP)— Charleston police say bond is being arraigned for four members of Marshall University's swimming team arrested Sunday on charges of burglarizing Embees, a downtown women's and children's store.

Authorities said charges also were pending against the four for the breaking and entering of Cohen's Drugstore in South Charleston. A patrolman spotted the four youths on the roof of Cohen's early Sunday morning.

Police also said the youths told them about the burglary of a department store in Ashland, Ky., last Monday.

Arrested were Daniel Rawn Jr., 18, of Chattanooga, Tenn.; Ralph Gardner, 18, of Cincinnati, Ohio; David Hall, 19, of Lakewood, Ohio; and Alan Winegardner, 18, of Newark, Ohio.

Authorities said they found about $325 worth of merchandise from Embees in the youths' car.

Summitville Area News

SUMMITVILLE — Imitations of personalities, pantomime and humorous skits provided the entertainment for the Women's Civic Club holiday program at the Speirs Community Center Thursday night at 8.

Mrs. Henry Bergfeld was program chairman and Mrs. Peter Marra was narrator. Members of the Civic Club and the audience participated.

Carols were sung and Santa Claus presented the children present with a treat.

Refreshments were served in the basement of the building to more than 100. The building was rebuilt after a fire caused extensive damage two years ago.

The next meeting of the club will be Jan. 9 at the home of Mrs. Peter Marra. A white elephant sale will be held.

Casey Appears Okay After Auto Collision

GLENDALE, CALIF. (AP) — "I'm all right now," says Casey Stengel after being treated at Glendale Memorial Hospital for injuries suffered in a traffic accident. "I feel fairly good. I've just got a slight abrasion on my eye. But I really feel fine.."

The 78-year-old former manager of the New York Yankees and Mets was injured Wednesday. Police said his and another car collided. The other driver, Elsie Rickey, 27, suffered knee injuries but was not hospitalized.

College Students Held In Entry Of Charleston Store

CHARLESTON, W.Va. (AP)— Charleston police say bond is being arraigned for four members of Marshall University's swimming team arrested Sunday on charges of burglarizing Embees, a downtown women's and children's store.

Authorities said charges also were pending against the four for the breaking and entering of Cohen's Drugstore in South Charleston. A patrolman spotted the four youths on the roof of Cohen's early Sunday morning.

Police also said the youths told them about the burglary of a department store in Ashland, Ky., last Monday.

Arrested were Daniel Rawn Jr., 18, of Chattanooga, Tenn.; Ralph Gardner, 18, of Cincinnati, Ohio; David Hall, 19, of Lakewood, Ohio; and Alan Winegardner, 18, of Newark, Ohio.

Authorities said they found about $325 worth of merchandise from Embees in the youths' car.

Killed In Blaze

READING, Pa. (AP) — Fire swept a two-story house here Sunday, killing Marie Harding, 70. Mrs. Harding's body was found on the kitchen floor near a small coal stove in her rear apartment, where she lived alone.

India and Ceylon are the only two countries in the world where the life expectancy at birth is longer for males than for females.

Humphrey Accepts Post As Teacher At 2 Schools

ST. PAUL, Minn. (AP) — Vice President Hubert H. Humphrey announced Sunday he will return as a professor to two schools in the Twin Cities which hold especially fond memories for him.

Humphrey, a 1939 graduate of the University of Minnesota at Minneapolis and a teacher at Macalester College of St. Paul in 1943 and 1944, has accepted a joint professorship at the two schools.

The vice president said at a gathering in Macalester's fine arts center that after 25 years in politics he has some things he wants to say and the job in his home state should provide a very good atmosphere for both teaching and learning.

The crowd of over 600, about half of them students, applauded enthusiastically after Humphrey said he would accept the teaching offer. "Word must have spread that I'm a soft grader," Humphrey responded.

The courses which Humphrey will teach after his duties as vice president end Jan. 20 have not been outlined in detail, but there are indications he will give some regular lectures and hold some seminars.

Humphrey also said he hoped in his new position to work on solutions to some problems facing society.

"It is clear that many of the answers which were satisfactory even a decade ago are no longer acceptable. The universities have become a forum for the expression of this dissatisfaction, as well as the place where better answers are being sought," Humphrey said.

The Minnesota Democrat, who lost in this years presidential election said teaching was not his main objective in returning to the state.

"I come back to learn and to have my mind and senses stretched once again by the students and faculty with whom I will be associated," Humphrey said. "And I can hardly wait to begin!"

The vice president will receive $30,000 for teaching nine months at the two schools, $20,000 from Macalester and $10,000 from the university, according to university President Malcolm Moos.

Dayan Ends Visit
